Independent Auditors' Report

Plan Administrator
Advocare, LLC 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Advocare, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADVOCARE, LLC 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) **Description of the Plan**

The following description of the Advocare, LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

(a) **General**

The Plan is a defined contribution plan covering all full-time employees of Advocare, LLC (the “Company”) who have completed three months of service. The Plan is subject to the provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligible employees may enter the Plan on the earlier of the first day of the plan year quarter coinciding with or next following the date such employee met eligibility requirements.

The Company has an agreement with John Hancock Trust Company, LLC to serve as custodian and recordkeeper.

(b) **Contributions**

Participants may elect to defer up to 100% of eligible compensation (up to a maximum as defined by government regulations in a calendar year) and contribute it to his/her account. The Plan also allows for “catch-up” contributions subject to Internal Revenue Service limits. Participants may also contribute amounts representing distributions from other qualified defined benefit and defined contribution plans.

The Company may contribute discretionary matching contributions, profit sharing contributions, qualified non-elective or one of three types of non-elective safe harbor contributions. Non-elective safe harbor contributions are only made to non-highly compensated employees at the option of the Company. For the year ended December 31, 2022, the Company made non-elective safe harbor contributions of 3% of compensation.

For the year ended December 31, 2022, the Company elected to make a discretionary matching contribution of 25% of the first 6% of eligible deferral contributions made by each participant. The Company also elected to make a profit-sharing contribution of approximately 11.78% of eligible earnings for each owner and .93% for non-owners.

(c) **Participant Accounts**

Each participant’s account is credited with the participant’s contribution, and allocations of (a) the Company’s contributions; and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

(d) Investment Options

Participants may direct their employee and Company contributions to a variety of investment options offered by the Plan. The Plan's investment advisor also offers to direct a participant's contributions into several predetermined allocations of investments offered by the Plan in order to achieve certain investment mixes.

(e) Vesting

Participants are immediately vested in their contributions, Company qualified non-elective contributions and Company non-elective safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant vests 20% per year starting with two years of service and is 100% vested after six years of credited service. Additionally, participants become 100% vested upon reaching the normal retirement age of 59½ or in the event of permanent disability or death. In the event of plan termination, participants became 100% vested in their employer contributions.

(f) Payment of Benefits

On termination of service due to death, permanent disability, retirement or other termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in various installment payments if the distribution occurred due to death. The Plan also allows for various forms of annuities if a plan was merged from a plan that previously allowed for annuities. A participant whose vested benefit does not exceed \$1,000 will receive the benefit in a single lump sum. A participant is entitled to receive a distribution from his or her deferral contribution account without terminating employment upon attainment of age 59½.

(g) Forfeited Accounts

Forfeited amounts related to Company matching and profit-sharing contributions may be used to offset future discretionary matching or profit-sharing contributions of the Company or pay for plan expenses. As of December 31, 2022 and 2021, the Plan had approximately \$89,000 and \$87,000, respectively, of unallocated forfeitures available to reduce future Company contributions. During 2022, the Plan used approximately \$88,000 of forfeitures to fund Company discretionary matching and profit-sharing contributions.

(h) Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years. In the event loan proceeds are used to acquire a principal residence, repayment may be extended. A participant may have up to two loans. The loans are secured by the balance in the participant's account. Interest is charged at prevailing rates as determined by the plan administrator. Interest and principal are paid ratably through payroll deductions. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments, the loan balance is reduced, and a benefit payment is recorded.

(i) Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting and present net assets available for benefits and changes in net assets available for benefits.

(b) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The MetLife Stable Value Fund Series 25157 is a common collective trust which is valued by Reliance Trust Company, the trustee, on a daily basis. The underlying assets are fixed income investments. Participant may redeem this investment daily with no notice. There are no commitments to purchase this investment in the future.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Administrative Expenses

Certain administrative and recordkeeping expenses are allocated proportionately to each participant. These expenses are allocated proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Processing fees for items such as hardship distributions, in-service distributions, distributions at termination of employment and loans are charged against the account of the participant responsible for the expense. All other reasonable expenses are paid by the Company.

(f) Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

(3) Information Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company, LLC, the trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments, at fair value, and notes receivable from participants
- Total investment income, net depreciation in fair value of investments and related investment activity
- The Schedule of Assets (Held at End of Year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(4) **Fair Value Measurements**

Financial Accounting Standards Board Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies: valued at the net asset value of shares held by the Plan at year end, based on quoted market prices in active markets.

Stable Value Fund: measured using the net asset value as a practical expedient as determined by Reliance Trust Company.

(4) Fair Value Measurements - Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021:

Description	Assets Measured at Fair Value at December 31, 2022	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 263,056,455	<u>263,056,455</u>	<u>-</u>	<u>-</u>
Stable value fund measured at NAV	<u>23,525,179</u> (a)			
Total investments	\$ <u>286,581,634</u>			

Description	Assets Measured at Fair Value at December 31, 2021	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 297,607,247	<u>297,607,247</u>	<u>-</u>	<u>-</u>
Stable value fund measured at NAV	<u>25,327,072</u> (a)			
Total investments	\$ <u>322,934,319</u>			

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Party-in-Interest Transactions

During 2022, the Plan paid approximately \$222,600 to John Hancock Trust Company, LLC, approximately \$93,500 to its third-party administrator, and approximately \$239,100 to its investment advisor. These transactions qualify as party-in-interest transactions. While these transactions qualify as party-in-interest transactions as defined in Section 3(14) of ERISA, they are expressly exempted from the prohibited transaction rules.

(6) Tax Status

The Plan has adopted the MandMarblestone Group Pre-Approved Profit Sharing Plan. The pre-approved plan obtained an opinion letter on June 30, 2020 in which the Internal Revenue Service indicated that the prototype plan is acceptable under Section 401(a) of the Internal Revenue Code, and is, therefore, not subject to tax under present income tax law. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ADVOCARE, LLC 401(K) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

(6) Tax Status - Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Subsequent Events

The Plan's management has evaluated events and transactions for potential recognition or disclosure in the financial statements through October 16, 2023, the date the financial statements were available to be issued.
