INDEPENDENT AUDITORS' REPORT

To the Trustees and Management of
North Florida Shipyards, Inc. 401(k) Plan
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of North Florida Shipyards, Inc. (the "Company") 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits (In Liquidation) as of June 30, 2022, and the related statement of changes in net assets available for benefits (In Liquidation) for the period from January 1, 2022 to June 30, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management to the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Report on the 2021 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 25, 2022, indicated that (a) because of the

significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**NORTH FLORIDA SHIPYARDS, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022 AND DECEMBER 31, 2021**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of North Florida Shipyards, Inc. who have at least 1 year of service and have attained age 21. The Plan was formed and adopted effective October 1, 1999. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

Massachusetts Mutual Life Insurance Company (the "Custodian") serves as custodian of the Plan's assets and performs certain recordkeeping functions for the Plan. The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may contribute up to 100% of their annual compensation, as defined by the Plan documents, subject to limitations imposed by the Internal Revenue Service. The maximum participant deferral for the years ended December 31, 2022 and 2021, were \$20,500 and \$19,500, respectively. Participants who have attained age 50 before the end of the Plan year were also eligible to make catch-up contributions of up to \$6,500. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Additional amounts may be contributed by the Company, based on a discretionary percentage, and invested as directed by the Participants. However, during the short final year ended June 30, 2022 and the year ended December 31, 2021, the Company made no discretionary matchings contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participants' accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022 AND DECEMBER 31, 2021**

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting

As a result of the Plan's termination, all participants are fully vested as of the April 1, 2022 termination date.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum loan amount of \$1,000 up to a maximum loan amount equal to the lesser of \$50,000 (reduced by the excess of the participant's highest outstanding balance of loans from the Plan during the one-year period ending on the day before the issuance of the new loan) or 50% of their vested account balance. The loans are typically secured by the vested balance in the participant's accounts, provided the participant's outstanding loan balance does not exceed 50% of their vested balance. In such cases, the plan administrator may require the debtor provide additional collateral. Participant loans bear interest at the prime rate plus 1%, amortized over a term not to exceed five years, unless the loan is used for the purchase of a principal residence. In such cases, the plan administrator may permit a longer term. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued by unpaid interest. Interest income is recorded on the accrual basis. Loans are considered to be "in default" if any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. The Plan has the authority to take all reasonable actions, including filing a lawsuit or foreclosing on the security for the loan. A loan considered to be in default may also be deemed a taxable distribution from the Plan.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or any other reason, a participant may receive a lump sum distribution, with or without their consent, if their vested account balance does not exceed \$5,000. In making this determination, the portion of the vested account balance attributable to rollover contributions is not included. For vested account balances exceeding \$5,000, participants may elect to receive either a lump sum amount equal to the value their vested account, partial withdrawals, or installments over a period not to exceed the assumed life expectancy of the participant or their beneficiary.

The Plan also permits participants to take distributions prior to termination of employment if either; they have attained age 59 $\frac{1}{2}$.

Additionally, participants who have incurred a "hardship", as defined in the Plan, may take hardship distributions, which may be sourced from any of the participants' respective accounts.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022 AND DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Forfeitures may be used to pay administrative expenses of the Plan as well as reduce amounts otherwise required to be contributed into the Plan. As of June 30, 2022 and December 31, 2021 forfeited non-vested accounts totaled \$0 and \$923, respectively. During the short final year ended June 30, 2022 and the year ended December 31, 2021 no forfeitures were applied to Company paid Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with U.S. GAAP.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of changes in net assets during the reporting period. Such estimates include those regarding fair value. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year, net of investment management fees.

Payment of Benefits

Benefits are recorded when paid.

**NORTH FLORIDA SHIPYARDS, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022 AND DECEMBER 31, 2021**

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company as provided by the Plan document. Transaction charges (for certain benefit payment transactions), short-term trading fees, and certain recordkeeping fees are paid by the Plan by reducing the balances of those participants initiating the transactions.

NOTE 3 - FAIR VALUE MEASUREMENTS

The FASB has established a framework for measuring fair value in ASC 820, *Fair Value Measurement*. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NORTH FLORIDA SHIPYARDS, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2022 AND DECEMBER 31, 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and December 31, 2021.

Mutual funds: Valued at the daily closing price as reporting by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and December 31, 2021;

	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

NOTE 4 - INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2022 and December 31, 2021, net appreciation in fair value of investments, and interest & dividend income for the short final year ended June 30, 2022 and the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian, a qualified institution. As of and for the years ended June 30, 2022 and December 31, 2021, the plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 - PARTIES-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments and the related transactions were in investment funds managed by the Custodian; therefore, these investments and transactions qualify as party-in-interest transactions. Fees paid to parties-in-interest by the Plan for services amounted to \$4,207 and \$2,870 during the years ended June 30, 2022 and December 31, 2021.

NOTE 6 - TAX STATUS

The Plan has received a determination letter from the IRS dated June 30, 2020, that the prototype plan adopted by the Company, as then designed, was in accordance with section 401 of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator evaluated the Plan's tax positions and concluded that the Plan had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - PLAN TERMINATION

On February 17, 2022, the Plan was formally amended by the Company's trustees to terminate as of April 1, 2022. Upon execution of the termination amendment, all participants became fully vested in all contribution types, effective April 1, 2022. Since January 31, 2022, no new participants became eligible and no contributions were permitted thereafter. The Plan Administrator notified participants of the Plan's termination and their respective options regarding account balances. The Plan has determined that the liquidation basis presentation of the assets for the short final year ended June 30, 2022, the date all assets were distributed from the Plan, and for the period from January 1, 2022 to June 30, 2022 approximate or equal fair market value. No significant changes were required to present the financial statements on a liquidation basis.

NOTE 9 - RECONCILIATION TO FORM 5500
