Independent Auditor's Report

To the Plan Sponsor of the
MACTac 401(k) and Profit Sharing Plan
Stow, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the MACTac 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of the MACTac 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the MACTac 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the MACtac 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the MACtac 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the MACtac 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MACtac 401(k) and Profit Sharing Plan
Notes to the Financial Statements
December 31, 2022 and 2021

A. PLAN DESCRIPTION

The following description of the MACtac 401(k) and Profit Sharing Plan (the “Plan”) sponsored by the Morgan Adhesives Company, LLC (the “Company” and “Plan Sponsor”) provides general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General - The Plan, effective as of January 1, 2015, is a defined contribution plan with an Internal Revenue Code (“IRC”) Section 401(k) arrangement which covered substantially all eligible employees who have attained age 18, except collective bargaining employees, students working as interns, and employees not headquartered in the United States. Effective July 31, 2022, the Plan was restated to cover substantially all eligible employees who have attained age 21, exception collective bargaining employees, nonresident aliens, leased employees, and employees not headquartered in the United States. Entry into the Plan is immediate 90 days after an employee’s hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company is the Plan’s Administrator and has appointed the Plan trustee to receive and invest the funds in the trust in accordance with the Plan’s provisions.

Contributions - Contributions to the Plan include both employee salary deferrals and employer contributions. Through July 30, 2022, subject to the IRC 402(g) limit, participants may contribute from 1% to a maximum of 50% of their annual compensation on a pre-tax or post-tax (“Roth”) basis. Effective July 31, 2022, the Plan was restated to allow participants to contribution 1% to a maximum of 99% of their annual compensation on a pre-tax or Roth basis. New employees are automatically enrolled with a 6% salary deferral. Salary deferrals for all participants automatically escalate by 1% annually (on the participant’s anniversary date) to a maximum of 10% unless a participant opts out of the program. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan Sponsor may be required to limit contributions of certain employees to comply with the IRC.

The types of employer contributions are as follows:

Matching Contributions - The Plan Sponsor may make a discretionary matching contribution. For the year ended December 31, 2022, the Company matched 75% of each dollar of contributions up to 6% of participants’ annual eligible compensation (excluding bonuses) and 25% of each dollar of contributions between 6% and 8% of participants’ annual eligible compensation. The Company made matching contributions of \$2,324,971 for the year ended December 31, 2022.

True-up Contributions - The Plan Sponsor may make a true-up contribution to eligible employees on an annual basis based on the ratio of elective deferrals to compensation. The Company made true-up contributions totaling \$105,980 for the year ended December 31, 2022.

Discretionary Profit Sharing Contribution - The Plan Sponsor may make a discretionary profit sharing contribution to eligible employees who have performed 1,000 hours of service in the Plan year and are employed at year end. The Company did not make a discretionary profit sharing contribution for the year ended December 31, 2022.

The Plan also permits rollover contributions from other qualified retirement plans.

Participant Accounts - Each eligible participant’s account is credited with the participant’s deferral contributions, employer matching contributions, allocation of the Company’s discretionary contributions, rollover contributions, investment earnings thereon, and charged an allocation of administrative expenses. Allocations of administrative expenses may be charged based on participant account balances or may be charged equally to each participant. The benefit to which the participant is entitled is the benefit that can be provided from the participant’s vested account.

MACtac 401(k) and Profit Sharing Plan
Notes to the Financial Statements
December 31, 2022 and 2021

Participants may direct their contributions to the investment options offered by the Plan. Participants may change their allocation of contributions or transfer money between investment options any time during the year.

Vesting - Participants are immediately vested in their deferral contributions, rollover contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is not vested until three years of continuous service at which point 100% of Company contributions vest.

Notes Receivable from Participants - Participants may borrow from their salary deferral accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested balance. The note is secured by the balance in the participant's account. The loan bears interest at a rate determined at the time the loan is taken based on prime rate plus 1% (8.50% and 4.25% at December 31, 2022 and 2021, respectively). Principal and interest are paid ratably through payroll deductions. The Plan recorded an allowance for credit losses in the amount of \$30,434 as of December 31, 2021. No allowance for credit losses was recorded as of December 31, 2022.

Payment of Benefits - Upon termination of service, death, disability, retirement, or other reasons, a participant may elect to receive his or her account balance as a lump-sum payment, in periodic installments, in non-recurring partial payments, or in the form of an annuity contract, as defined. The Plan Administrator automatically makes a distribution, lump-sum, or installments, for account balances less than \$5,000. Participants terminated are entitled to receive their benefits as soon as administratively feasible. Distributions from a participant's account may be authorized at any time by the Plan Administrator under certain hardship conditions.

Forfeited Accounts - Unvested amounts forfeited by terminated participants may be used by the Plan for the payment of Plan expenses, reduction of employer matching contributions, or reduction of discretionary profit sharing contributions. Forfeitures used to reduce employer matching contributions totaled \$109,364 for the year ended December 31, 2022. Accumulated and unused forfeitures totaled \$6,920 and \$3,387 as of December 31, 2022 and 2021, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are held in a trust and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor, custodian, and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to the Financial Statements
December 31, 2022 and 2021

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses, including recordkeeping, custodian, and trustee fees are paid from the Plan. Advisor and annual audit fees are paid by the Plan Sponsor. Investment management and fees attributable to distributions and loans are paid by the participants. All other expenses of maintaining the Plan are paid by the Plan Sponsor. Investment related expenses are included in net appreciation of fair value of investments.

C. INFORMATION CERTIFIED BY THE TRUSTEE

The Company has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Reliance Trust Company ("Reliance"), the trustee.

Reliance has certified as to the completeness and accuracy of the investments and notes receivable to participants it holds as of December 31, 2022 and 2021 and changes in net assets arising from said investment and notes receivable activity for the year ended December 31, 2022.

Reliance has certified as to the completeness and accuracy of the schedule of assets (held at end of year) as of December 31, 2022.

D. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The levels of the fair value hierarchy under Financial Accounting Standards Board guidance in these financial statements are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

MACtac 401(k) and Profit Sharing Plan
Notes to the Financial Statements
December 31, 2022 and 2021

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

Assets at Fair Value as of December 31, 2022		
	Level 1	Total
Mutual funds	\$ 66,232,822	\$ 66,232,822
Investments at fair value	\$ 66,232,822	\$ 66,232,822

Assets at Fair Value as of December 31, 2021		
	Level 1	Total
Mutual funds	\$ 58,524,443	\$ 58,524,443
Investments at fair value	\$ 58,524,443	\$ 58,524,443

E. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

ADP is the Plan's recordkeeper, and thus, expenses incurred by the Plan qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provision of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. In 2022, direct administrative expenses paid to ADP were \$97,117. Loans to participants are also considered party-in-interest transactions as such participants are employed by the Plan Sponsor.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes to the Financial Statements
December 31, 2022 and 2021

G. FEDERAL INCOME TAX STATUS

The Plan has adopted a pre-approved plan sponsored by ADP, the Plan recordkeeper, which received an IRS Opinion Letter dated October 6, 2020. Subsequently, the Plan has been amended; however, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. PLAN AMENDMENTS

Effective July 31, 2022, the Plan was restated as part of the required Cycle 3 restatement to comply with legislative and regulatory changes. As part of this restatement, the Plan was amended for the following changes:

- Minimum age requirement increased from 18 to 21 years of age.
- Participants able to contribute up to a maximum amount of 99% of compensation.
- Implementation of a flexible discretionary match in lieu of an employer matching contribution.

Effective March 14, 2022, the assets of CIS Group, LLC ("CIS") were purchased by the Plan Sponsor, and employees of CIS were permitted to rollover account balances and contribute into the Plan. At this time, the Plan was amended to recognize prior service of employees of CIS for eligibility and vesting purposes.

Effective February 1, 2022, the assets of Spinnaker Holdings, Inc. ("Spinnaker") were purchased by the Plan Sponsor, and employees of Spinnaker were permitted to rollover account balances and contribute into the Plan. At this time, the Plan was amended to recognize prior service of employees of Spinnaker for eligibility and vesting purposes.

Effective, January 1, 2022, the Plan was amended to recognize prior service of employees of Duramark Products, Inc. (formerly Ritrama, Inc.) for eligibility and vesting purposes.

Effective October 12, 2021, the Plan was amended to comply with the Bipartisan Budget Act of 2018.

The Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Participants may pay back the distribution over a three-year period from the date of distribution, without being subject to income taxes. If the distribution is not repaid to the Plan, participants have the option to pay the income taxes on the distribution over a three-year period. There were no distributions repaid during the year ended December 31, 2021.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

J. TRANSFER OF ASSETS INTO PLAN

On April 1, 2021, the Plan Sponsor acquired Duramark Products, Inc. (formerly known as Ritrama, Inc.). Assets totaling \$10,454,385 from the Duramark Products, Inc. 401(k) Plan were transferred into the MACtac 401(k) and Profit Sharing Plan effective December 31, 2021. Amounts were received by the Plan in total on January 3, 2022.

K. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net change in assets available for benefits per the financial statements to the Form 5500 as of and for the year ended December 31, 2022:

Total deductions per financial statements	\$ 4,124,317
Less: Net difference in deemed distributions	<u>19,934</u>
Total expenses per Form 5500	<u>\$ 4,104,383</u>

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:

Net assets available for benefits per the financial statements	\$ 69,784,274
Less: Net difference in deemed distributions	<u>(19,934)</u>
Net assets available for benefits per Form 5500	<u>\$ 69,764,340</u>

L. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2023, the date that the Plan's annual financial statements were available to be issued.
