INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Rightline Equipment Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Rightline Equipment Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Voya Retirement Insurance & Annuity Company (the Trustee) as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by Voya Retirement Insurance & Annuity Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Page 4

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Voya Retirement Insurance & Annuity Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RIGHTLINE EQUIPMENT INC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the Rightline Equipment, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established March 1, 1991 and is a defined contribution plan covering all employees of Rightline Equipment, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments and Restatements

The Plan was most recently amended and restated on January 1, 2022 for the Cycle 3 Restatement.

Contributions

Participants may contribute up to 100% of their annual compensation to the Plan but not to exceed \$20,500 and \$19,500, per year, for the years ended December 31, 2022 and 2021, respectively. Participants age 50 and over may also contribute an additional \$6,500 per year of catch-up contributions for 2022 and 2021.

The Company may elect to make employer matching or profit sharing contributions. The Company contributed \$372,077 and \$304,916 of employer matching for the year ended December 31, 2022 and 2021. The match was equal to 50% of the employee contribution up to 10%. There were no profit sharing contributions for either year.

Participants' Accounts

Each participant's account is credited with the participant's contribution, allocation of the employer's contribution and plan earnings, and is charged with an allocation of the Plan's administrative expenses. Allocations are based on participant's earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may direct the investment of their account balances into various investment options offered by the plan.

Eligibility

Employees are eligible to make deferral contributions on the first day of the calendar quarter following six months of employment and reaching age 18. Participants share in employer matching and safe harbor non-elective contributions at entry, and in employer profit sharing and forfeiture allocations after completion of a year of service (1,000 hours in a 12 month period).

RIGHTLINE EQUIPMENT INC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary and safe harbor contributions plus earnings thereon. Employer matching and profit sharing contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Percent Vested</u>
1 year or less	0%
2	20%
3	40%
4	60%
5	80%
6 or more years	100%

Employees working at least 1,000 hours in a plan year earn a year of service. Employees become 100% vested on death, or normal retirement at age 65.

Payment of Benefits

On termination of employment or termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment.

Forfeitures

Forfeitures of unvested benefits are available to pay Plan expenses or offset future employer contributions to the Plan. The non-vested forfeiture account balance was \$14,673 and \$12,943 as of December 31, 2022 and 2021, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000. A participant can only have three loan(s) outstanding and refinance is not permitted. Loans may not exceed 50 percent of the participant's vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at a commercially reasonable rate. Loan payments are paid through payroll deductions. Loan terms may not exceed five years except for loan proceeds used to purchase a primary residence. As of December 31, 2022, the rates of interest on outstanding loans is 6% with various maturities through 2032.

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. All loans are current and no valuation allowance is required for the years ended December 31, 2022 and 2021. Loans are fully secured by participant account balances and are treated as taxable distributions from the participant's account in the event of default, typically following termination of employment.

RIGHTLINE EQUIPMENT INC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the use of estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

All plan investments are participant-directed and are stated at fair market value as determined by Voya Financial. Fair value is the price that would be received if an asset were sold or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See further discussion in the accompanying notes for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments brought and sold as well as held during the year.

Administrative Expenses

As provided in the Plan agreement, administrative expenses of the Plan may be paid either by the Plan or the Company. Certain expenses of plan administration, including computer services, office supplies and payroll expenses of administration and clerical personnel are provided by the Company without charge to the Plan. Loan administration fee(s) to the Plan's third party administrator for notes receivable from participants are withheld from the participants' loan proceeds. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

RIGHTLINE EQUIPMENT INC 401(K) PLAN
STATEMENTS OF NET ASSETS AVAILABLE FOR BENEFIT
December 31, 2022 and 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events

The Company has evaluated all subsequent events through October 16, 2023, the date the financial statements were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.203-8 of the Department of Labor Rules and Regulations for Reporting and Disclosures under ERISA. The Plan administrator has obtained a certification from Voya Retirement Insurance & Annuity Company, the trustee of the Plan, as of December 31, 2022 and 2021 and for the years then ended December 31 2022 and 2021 that the following information provided to the Plan administrator by the Trustee is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Net depreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021 are reported in net increases or decrease in fair value if investments.

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record certain assets and liabilities at fair value on a recurring basis, such as investments. The Plan uses the fair value hierarchy established in accounting literature that consists of three levels. These levels are based on the markets in which assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1: Prices determined using unadjusted, quoted prices in active markets for identical assets or liabilities.

Level 2: Prices determined using significant other observable inputs. The observable inputs valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Level 3: Prices determined using significant unobservable inputs. In situations where quoted prices or observable inputs are unavailable (for example, when there is little or no market activity), unobservable inputs may be used. Unobservable inputs reflect the Plan's own assumptions about the factors that market participants would use in pricing the asset or liability, and are based on the best information available in the circumstances.

Level 1 Investments at Fair Value

Cash: The cash is held in money market funds that are registered with the U.S. Securities and Exchange Commission (SEC). The money market funds fair value is based on quoted net asset values of shares as reported by the fund. The funds must publish their daily net asset value and transact at the prices.

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission (SEC). The funds must publish their daily net asset value and transact at the prices. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Investments at Fair Value

There are no plan assets requiring the use of Level 2 inputs for the periods presented.

Level 3 Investments at Fair Value

Insurance Company General Account: The fair value of the investment in the insurance company general account is determined by Voya Retirement Insurance & Annuity Company based on discounted cash flows and current market interest rates for financial instruments with similar characteristics and term. This investment is not benefit responsive and functions as a fixed return investment, without principal risk, with an interest rate and yield determined at the time of the investment.

The following are the major categories of assets and liabilities measured at fair value on a recurring basis as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2022</u>

NOTE 5. OTHER ASSETS

The plan holds some life insurance policies as other investments. These are reported at their cash surrender values, which is the amount that would be received should the policy be surrendered, and approximates fair value as a net realizable cash flow at each measurement date. The cash surrender values for the life insurance policies were \$141,957 and \$159,132 at December 31, 2022 and 2021, respectively.

NOTE 6. PARTY IN INTEREST TRANSACTIONS

Voya Financial manages the plan investments, individual accounts and is trustee of the Plan. Pension Plan Specialists provides third party administration for the Plan. These transactions are considered party-in-interest transactions. Fees paid from plan assets to these parties for services were as follows:

	<u>2022</u>	<u>2021</u>
Voya Financial	\$ 800	\$ 375
Pension Plan Specialists	<u>2,100</u>	<u>700</u>
	<u>\$ 2,900</u>	<u>\$ 1,075</u>

NOTE 6. CONCENTRATIONS OF CREDIT RISK

The Plan had placed its investments with Voya Financial. This institution has professionally managed money market funds and investment funds whose investments consist of a very numerous and diverse product mix. As part of the Plan's investment strategy, the Trustees perform periodic evaluations of the relative credit standing and investment performance of financial institutions.

NOTE 7. TAX STATUS

The Plan uses a volume submitter document. The volume submitter obtained its latest opinion letter, dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
