INDEPENDENT AUDITOR'S REPORT

October 6, 2023

To the Board of Trustees
S.B.J.S., P.C. Profit Sharing Plan
Dothan, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the S.B.J.S., P.C. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the S.B.J.S., P.C. Profit Sharing Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

To the Board of Trustees
S.B.J.S., P.C. Profit Sharing Plan

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the S.B.J.S., P.C. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud

To the Board of Trustees
S.B.J.S., P.C. Profit Sharing Plan

is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the S.B.J.S., P.C. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the S.B.J.S., P.C. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting

To the Board of Trustees
S.B.J.S., P.C. Profit Sharing Plan

and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A DESCRIPTION OF PLAN

The following description of the S.B.J.S., P.C. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of S.B.J.S., P.C., (the Company), except leased employees, who have attained one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan, determines the appropriateness of the Plan's investments, and monitors investment performance.

Contributions

Each year, participants may contribute up to the maximum percentage allowable not to exceed the 401(k) Section of the Internal Revenue Code (IRC), as defined by the Plan, including catch-up contributions for participants aged 50 and over. Contributions may also be designated as Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions in various investment options offered by the Plan. The Plan currently offers various mutual funds, self-directed investment accounts, and a guaranteed interest account as investment options for participants.

The Company contributes a discretionary match of up to 66.7% of participants' elective deferrals not exceeding 6% of participants' compensation as defined. The matching Company contribution is invested based on participants' allocation of investments. Additionally, the Plan provides safe-harbor non-elective contributions of 3% of participants' compensation.

The Company also contributes a discretionary profit sharing contribution to the Plan based on profitability. The profit-sharing contribution allocation is based on individual classifications, aggregated into three rate groups which are: (1) physicians, (2) executive management, and (3) others. The profit-sharing contribution for eligible physicians was 6.28% of the participating physicians' compensation for the years ended December 31, 2022 and 2021. The profit-sharing contribution for executive management for the years ended December 31, 2022 and 2021 was 1.00% of the participants' compensation each year. The profit-sharing contribution for other employees for the years ended December 31, 2022 and 2021 was 1.00% of the participants' compensation each year. The contribution is invested based on participants' allocation of investments. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and matching Company contributions and allocations of (a) the Company's discretionary contributions and (b)

NOTES TO FINANCIAL STATEMENTS

NOTE A DESCRIPTION OF PLAN (cont'd)

plan earnings (losses), and charged with an allocation of administrative expenses, when applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of its accounts is graded based on years of credited service. A participant becomes 20% vested after two years of credited service and becomes an additional 20% vested after each additional year of credited service. A participant is 100% vested after six years of credited service. A participant is 100% vested upon death, disability, or normal retirement (age 65).

Notes Receivable from Participants

The Plan does not allow for participant loans.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's interest in his or her account in a lump-sum amount. Upon these events, vesting is accelerated to 100%. For termination of service due to other reasons, as defined, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant's vested account balance is less than \$5,000 upon termination, a distribution of the participant's account may be made automatically. Hardship withdrawals are permitted in accordance with Internal Revenue Service (IRS) regulations. In-service distributions are permitted after the attainment of age 50.

Forfeited Accounts

There was \$4,344 and \$12,513 in forfeited nonvested accounts at December 31, 2022 and 2021, respectively. Forfeitures may be applied to reduce employer matching contributions or for payment of administrative expenses. Forfeited nonvested accounts of \$12,131 were used to reduce plan administrative expenses during 2022.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

S.B.J.S., P.C. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Investments held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts which are reported at fair value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. (See Note C for discussion of fair value measurements.)

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS, if any, are recorded as excess contributions payable, with a corresponding reduction to contributions. There were no excess contributions payable for the years ended December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Recordkeeping and related costs are paid by the Plan through the use of forfeited non-vested accounts or through quarterly charges to

S.B.J.S., P.C. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE C FAIR VALUE MEASUREMENTS

participant accounts. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: Accounts primarily consist of mutual funds, common stocks, and exchange-traded funds that are valued on the basis of readily determinable market prices.

NOTE C FAIR VALUE MEASUREMENTS (cont'd)

These investments contained within the self-directed brokerage accounts are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

NOTE D INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION

The following is a summary of the Plan's investment information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, qualified institutions, and furnished to the plan administrator. The plan administrator has obtained a certification from the qualified institutions that information provided to the plan administrator by the qualified institutions related to the following is complete and accurate in accordance with 29 CFR 2520-103.5. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following:

NOTE E RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are mutual funds and a guaranteed interest account managed by an affiliate of Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians, respectively. Transactions in these funds qualify as party-in-interest transactions. Most fees incurred by the Plan for the investment management services are transactional fees which are included in net appreciation (depreciation) in fair value of the investments. Fees directly paid by the Plan are reported as administrative fees on the statement of changes in net assets available for benefits. Fees directly paid by the Plan amounted to \$49,362 for the year ended December 31, 2022.

The Plan utilizes a third-party administrator for certain plan services. Payments to the third-party administrator for services performed for the Plan qualify as party-in-interest transactions. Fees paid by the Plan amounted to \$1,380 for the year ended December 31, 2022.

The Company performs certain administrative functions of the Plan at no cost to the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE F GUARANTEED INVESTMENT CONTRACT

The Plan entered into a traditional benefit-responsive investment contract with Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The

S.B.J.S., P.C. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE F GUARANTEED INVESTMENT CONTRACT (cont'd)

guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate (1.25% and 1.15% at December 31, 2022 and 2021, adjusted quarterly) that is guaranteed to the Plan.

As described in Note B, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. Withdrawals from the account prior to the end of the guaranteed interest period may be subject to a market value adjustment.

Additionally, the issuer is permitted to terminate the contract with the Plan and settle at an amount different from contract value in certain circumstances, such as a material representation by the Plan or a breach of a material obligation under the contract.

NOTE G PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE H TAX STATUS

Effective January 1, 2021, the Plan was amended and restated by adopting the pre-approved plan designed by CCH Incorporated, DBA ftwilliam.com. On June 30, 2020, the Internal Revenue Service determined and informed Administration Partners, LLC by letter that the Plan is

S.B.J.S., P.C. PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE H TAX STATUS (cont'd)

designed in accordance with applicable sections of the IRC. The Company properly elected not to file for an individual determination letter and relies on the letter issued to Administration Partners, LLC. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 6, 2023, the date the Plan's financial statements were available to be issued.
