Independent Auditor's Report

To the EssilorLuxottica ERISA Committee
Luxottica Puerto Rico Tax Incentive Savings Plan

Opinion

We have audited the financial statements of Luxottica Puerto Rico Tax Incentive Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021 and the changes in net assets available for benefits for the year ended December 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

Effective January 1, 2023, the Plan was amended to change its name to EssilorLuxottica Puerto Rico Retirement Savings Plan 3. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

To the EssilorLuxottica ERISA Committee
Luxottica Puerto Rico Tax Incentive Savings Plan

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Luxottica Puerto Rico Tax Incentive Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Plan Description

The following description of Luxottica Puerto Rico Tax Incentive Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, qualified under Section 1165(e) of the Puerto Rico Internal Revenue Code. The Plan is sponsored by Oakley, Inc. (the "Company"). The Plan was established effective July 30, 1995 and amended effective January 1, 2006 to provide a retirement savings opportunity for the Puerto Rico-based employees of LensCrafters International, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Effective January 1, 2023, the Plan was amended to be sponsored by EssilorLuxottica USA Inc., and the Plan was also renamed EssilorLuxottica Puerto Rico Retirement Savings Plan 3.

The EssilorLuxottica ERISA Committee (formerly known as the Luxottica Group ERISA plans compliance and investment committee) controls and manages the operation and administration of the Plan.

Eligibility

Employees are eligible to participate in the Plan for the purpose of making salary deferral contributions as soon as administratively practical. Employees are eligible to participate in the Plan for the purpose of receiving company matching contributions after reaching age 21, meeting certain hours of service, and other requirements, as defined.

Contributions

Participants may contribute a percentage of their compensation annually, subject to certain limitations, as defined by the Plan and Puerto Rican law.

The Company makes matching contributions on a quarterly basis. During 2022, the Company matched 100 percent of the first 3 percent of eligible compensation for associates hired prior to January 1, 2014 and 100 percent of the first 5 percent of eligible compensation for associates hired or rehired on or after January 1, 2014.

Participants may also contribute amounts representing qualified rollover distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, and an allocation of plan earnings (losses). Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers mutual funds, common collective trust funds, and a money market fund as investment options for participants.

Fidelity Workplace Services, LLC (Fidelity), the recordkeeper, receives the contributions detail from Banco Popular de Puerto Rico (the "Trustee"), invests the contributions, and distributes the funds in accordance with the trust agreement and the participants' authorization.

Note 1 - Plan Description (Continued)

Vesting

Participants are immediately vested in their salary deferral contributions and the earnings thereon. Vesting in employer matching contributions is based on years of service. A participant is 25 percent vested after two years of vesting service and gains an incremental 25 percent each subsequent year, reaching full vesting at the end of five years of vested service.

Participant Notes Receivable

Participants are eligible to borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the vested value of their accounts. Participants cannot have more than two notes outstanding at the same time. The notes are secured by the balance in the participant's account and bear interest based on local prevailing rates determined by the plan administrator. Principal and interest are paid ratably through payroll deductions over a period not to exceed 5 years, with the exception of mortgage loans, which may be repaid over 15 years.

Subject to approval by the plan administrator and after applying for a participant note, participants may apply for hardship withdrawals, as defined. No hardship withdrawals may be made from company contributions.

Benefit Payments

Upon termination of service for any reason, a participant may elect a lump-sum distribution or direct rollover to another qualified benefit plan or individual retirement account, equal to the value of the participant's vested interest in his or her account, less applicable withholding tax if paid to the individual.

Forfeitures

Company contributions forfeited by participants may be used by the Company to satisfy plan administrative expenses or to reduce future company contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$21,100 and \$20,089, respectively. The Company did not use any forfeitures to reduce employer contributions during the year ended December 31, 2022.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan utilizes various investment securities, including mutual funds, common collective trust funds, and a money market fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan and the Company, as provided in the plan document.

Administrative expenses of approximately \$40,000 for the year ended December 31, 2022 were paid by the Company.

Benefit Payments

Benefits to participants are recorded when paid.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 3, 2023, which is the date the financial statements were available to be issued.

Note 3 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Note 3 - Fair Value Measurements (Continued)

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following valuation methodologies have been used to value the Plan's investments:

Mutual Funds

Mutual funds are valued at quoted prices reported in active markets.

Money Market Fund

The money market fund is valued at quoted prices reported in active markets.

Common/Collective Trust Funds

The common/collective trust funds are valued at net asset value per share (NAV) or its equivalent of the funds, which is based on the fair value of the funds' underlying net assets. There are no redemption restrictions or unfunded commitments on these investments.

Interest-bearing Cash

The fair value is based on the outstanding balance, as reported by the Trustee.

The preceding methods described may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2022 and 2021:

	Assets Measured at Fair Value on a Recurring Basis at December 31, 2022

Note 4 - Exempt Party-in-interest Transactions

Certain plan investments are shares of mutual funds managed by Fidelity or its affiliates. Fidelity is the recordkeeper, as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

Note 5 - Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100 percent vested in their accounts.

Note 6 - Tax Status

The Plan is exempt from Puerto Rico income taxes under the provisions of Section 165(a) of the Puerto Rico Income Tax Act of 1954 (the "Code"), as amended. The Plan is also a qualified employees' trust under Section 401(a) of the Internal Revenue Code (IRC) and, as such, is exempt from federal income taxes under Section 501(a). A determination letter was received from the Puerto Rico Department of Treasury dated April 18, 2016 stating that the Plan is designed in accordance with applicable sections of the Code.
