Independent Auditor's Report

Board of Trustees and Audit Committee
Sia Partners US, Inc. 401k Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Sia Partners US, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Sia Partners US, Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2022 and 2021

Note 1 - Description of the Plan

The following description of SIA Partners US, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering eligible employees of Sia Partners US, Inc. (the "Company"). An employee becomes eligible to participate in the Plan upon the first day of the month following employment for one full month, provided the employee has attained the age of 21. An employee becomes eligible for an employer safe harbor matching contribution once eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan assets are currently held by Reliance Trust, Custodian of the Plan. Company contributions, participant elective deferrals, and participant accounts are also held by the Custodian, who invests cash received and income from investments based on written instructions from the Company and participants, as well as makes distributions to participants. The Plan's Trustee is responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b. Contributions

The Plan allows for employee pre-tax contributions. Each year, participants may contribute a percentage of their pre-tax compensation, subject to certain limitations as defined by the Plan and by the Internal Revenue Code ("IRC"). Participants may also make Roth contributions into the Plan. The maximum participant deferrals are \$20,500 and \$19,500 for the years ended December 31, 2022 and 2021. Participants age 50 and over are also eligible to make catch-up contributions up to a maximum of \$6,500 for 2022 and 2021. Participants may also contribute Roth or rollover amounts representing distributions from other qualified plans, providing they are made within 60 days of receipt of such amounts by an employee if not trustee to trustee transfers.

The Company contributes a safe harbor matching contribution to the Plan in an amount equal to 100% of the first 4% of the participants' eligible compensation contributed to the Plan. A safe harbor matching contribution is a minimum contribution made by the Company that allows the Plan to be exempt from 401(k) non-discrimination tests.

The Company, at its discretion, may also make a non-elective contribution. Such non-elective contributions are determined by the Board of Trustees. The Plan sponsor elected not to make a discretionary non-elective matching contribution for the years ended December 31, 2022 or 2021.

c. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of, (a) the Company's safe harbor matching contribution, (b) the Plan's investment earnings (losses), net of investment expenses, and (c) administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Years Ended December 31, 2022 and 2021

Note 1 - Description of the Plan - Continued

d. Vesting

Participants are 100% vested immediately in their elective deferral amounts, rollover contributions, safe harbor matching contributions, and employer discretionary contribution, plus actual earnings thereon.

e. Participant Notes

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Participant notes are secured by the balance in the participant's accounts and bear interest at a rate commensurate with the local prevailing rates, which ranged from 5.25% to 8.25%, as determined by the Plan administrator. Principal and interest are paid ratably through regular payroll deductions. In general, loans must be repaid within five years, or some reasonable period of time in excess of five years if the loan is for the purchase of a primary residence. The Plan allows only two outstanding loans at a given time.

f. Payment of Benefits

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or elect to rollover funds into an IRA or other retirement account.

The Plan provides for benefits upon termination of employment through retirement, required minimum distribution, death, disability, or for other reasons.

Prior to termination, a participant may withdraw their pre-tax contributions in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for defined contribution plans.

b. Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Participant Notes

Notes receivable from participants are stated at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Loans treated as distributions totaled \$19,096 and \$11,363 for each of the years ended December 31, 2022 and 2021.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

g. Subsequent Events

The Plan evaluated subsequent events for potential recognition and disclosure through October 11, 2023, the date the financial statements were available to be issued.

Notes to Financial Statements

Years Ended December 31, 2022 and 2021

Note 3 - Information Certified and Provided By Plan Trustee (Unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust, the Custodian of the Plan, as complete and accurate, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule:

	December 31,	
	2022	2021
Mutual funds	\$ 12,875,014	\$ 10,256,950
Common collective trust	\$ 12,480,555	\$ 17,241,863
	Years Ended December 31,	
	2022	2021
Investment income		
Interest and dividends	\$ 367,892	\$ 611,131
Net appreciation (depreciation) in fair value of investments	\$ (5,884,255)	\$ 3,258,865

Note 4 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Sia Partners US, Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2022 and 2021

Note 4 - Investments and Fair Value Measurements - Continued

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by a fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,875,014	\$ -	\$ -	\$ 12,875,014
Investments measured at fair value	<u>\$ 12,875,014</u>	<u>\$ -</u>	<u>\$ -</u>	12,875,014
Investments measured at NAV (a)				<u>12,480,555</u>
Total investments at fair value				<u>\$ 25,355,569</u>
	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,256,950	\$ -	\$ -	\$ 10,256,950
Investments measured at fair value	<u>\$ 10,256,950</u>	<u>\$ -</u>	<u>\$ -</u>	10,256,950
Investments measured at NAV (a)				<u>17,241,863</u>
Total investments at fair value				<u>\$ 27,498,813</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 4 - Investments and Fair Value Measurements - Continued

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively.

	2022 Fair Value	2021 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trusts	\$ 12,480,555	\$ 17,241,863	N/A	Daily	None

Note 5 - Related Party and Party-In-Interest Transactions

The Company paid expenses in connection with the administration of the Plan totaling approximately \$20,000 and \$20,000 for the years ended December 31, 2022 and 2021, respectively.

Certain administrative functions are performed by employees of the Plan sponsor who do not receive compensation for such functions.

Certain Plan investments are managed by Reliance Trust, the Custodian of the Plan.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in their accounts.

Note 7 - Tax Status

The Internal Revenue Service has ruled in an advisory letter dated July 8, 2014 that the Prototype Non-Standardized Profit-Sharing Plan with CODA adopted by the Plan constitutes a qualified plan under Section 401(a) of the IRC and is, therefore, exempt from federal income taxes under the provisions of Section 501(a). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more-likely-than-not that the tax position would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. The Plan is no longer subject to income tax examinations for years prior to 2019.

Sia Partners US, Inc. 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2022 and 2021

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
