### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Prior Period Financial Statements**

The financial statements of Kent Security Services, Inc. and Kent Security of Palm Beach, Inc. 401(k) Retirement Plan as of and for the year ended December 31, 2021, were audited by other auditors whose report dated February 14, 2023, expressed a disclaimer of opinion on those statements as the Plan did not have sufficient accounting records and supporting documents relating to participant data and related information.

## **Emphasis-of-Matter**

As discussed in Note 9, the Plan sustained a data-breach from a cyber-attack which corrupted certain data, including participant information. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule of Assets Held at Year End is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**KENT SECURITY SERVICES, INC. AND KENT SECURITY OF PALM BEACH, INC. 401K RETIREMENT PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2022 AND 2021**

---

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Kent Security Services, Inc. and Kent Security of Palm Beach, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General and Eligibility**

The Plan was established January 1, 1998 as a defined contribution plan available to eligible employees of Kent Security Services, Inc., Kent Security of Palm Beach, Inc. and their affiliated companies (collectively, the "Company", "Plan Sponsor" or "Employer"). The Plan has been amended and restated over the years to comply with certain tax legislation. Eligible employees may enter the plan semi-annually after completing six months of credited service and reaching the age of 21 years old, as defined in the Plan document.

John Hancock Life Insurance Company (USA) (the Custodian) serves as the custodian of the Plan, holds the Plan's investment assets, and executes investment transactions. The Company is the plan administrator and is responsible for the operation of the Plans investment offerings and monitors investment performance.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Each year, participants may voluntarily contribute up to 100% of their eligible annual compensation, as defined in the Plan, within the limits prescribed by the Internal Revenue Service (IRS). For the year ended December 31, 2022, individual participant contributions were limited to \$20,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions up to \$6,500 for the year ended December 31, 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (roll over).

The Company makes a safe harbor matching contribution which is equal to 100% of a participant's contributions up to 4% of the participants eligible compensation, as defined. For the year ended December 31, 2022, the Company's safe harbor matching contributions totaled \$197,508. The Company may make additional discretionary and profit-sharing contributions to the Plan. No such discretionary or profit-sharing contributions were made during the year ended December 31, 2022. Participants are eligible for the company's safe harbor, discretionary or profit-sharing contributions after meeting the eligibility requirements to participate in the plan. All employer contributions are invested in funds in accordance with the participants discretion and the plans provisions. Contributions are subject to certain IRS limitations.

**Participant Accounts**

Each participant account is credited with the participants contributions plus actual earnings thereon and (a) the Employer's contributions and, (b) Plan earnings or losses thereon. Participants are charged with his or her withdrawals and all allocation of administrative expenses. Allocations are based on the participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant contributions are participant directed and may be invested into various investment options offered by the Plan.

**Vesting**

Participants are immediately vested in their contributions and the Employer's safe harbor contributions, plus actual earnings or losses thereon. Vesting in the Employer's discretionary and profit-sharing contributions, plus earnings or losses thereon, is based upon the number of years of credited services.

A participant is 100% vested after six years of credited service over a six-year graded vesting schedule. Regardless of years of service, participants are 100% vested upon reaching normal retirement age (65), becoming disabled, or upon death or termination of the Plan.

**Forfeitures**

Forfeited nonvested accounts may be used to reduce future Employer contributions or to offset Plan expenses. For the year ended December 31, 2022, there were no forfeitures used to reduce Employer contributions or to offset Plan administrative expenses. As of both December 31, 2022 and 2021, available forfeited non-vested accounts totaled \$239.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2022 AND 2021**

**NOTE 1 – DESCRIPTION OF PLAN (Continued)**

**Participant Notes Receivable**

Plan participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the vested account balance in the participant's account, and bear interest at the prime rate plus 2%, determined as of the date of the loan request. A participant may only have one (1) loan outstanding at any time. Principal and interest are paid ratably through regular payroll deductions. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed thirty years.

**Payment of Benefits**

Upon termination of service due to death, disability, or normal retirement age (65), a participant may elect to receive an amount equal to the value of the participants vested interest in his or her account in a lump sum distribution, or monthly installments. For termination of service due to other reasons, a participant may choose to leave the vested interest in the plan if such amounts exceed \$5,000 or elect a lump sum distribution. Participants vested amounts less than \$5,000 must elect a lump sum distribution. Participants may take in-service withdrawals upon attainment of age 59 1/2 or the immediate and heavy financial hardship needs, as defined in the Plan document.

**Administrative Expenses**

The Plan allows certain administrative expenses to be paid from Plan assets. Certain administrative expenses are paid by the Plan Sponsor and not reflected in these financial statements.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Custodian.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on the investments bought and sold, as well as held during the year.

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences could be material.

**Risks and Uncertainties**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants account balances and the amounts reported in the financial statements.

**Payment of Benefits**

The Plan records benefits when paid.

**Plan Administration**

The Company is the Plan Administrator, and as such, controls and manages the operations of the Plan. The Plan's investment assets are maintained by the Custodian as of and for the year ended December 31, 2022. The Custodian invests cash received, interest and dividend income, and makes distributions to participants (subject to the direction of the participants). Aimpoint Pension, LLC provides third-party administrative services the Plan. The Plan allows certain administrative expenses to be paid from Plan investment assets.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2022 AND 2021**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Uncertain Tax Positions**

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan's management has determined it does not have any positions at December 31, 2022 that it would be unable to substantiate.

**Subsequent Events**

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.

**NOTE 3 – INVESTMENT INFORMATION CERTIFIED BY THE CUSTODIAN**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and participant notes receivable as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net investment activity and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022; and
- investment information included in the schedule of assets (held at end of year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certifies information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Unqualified quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.

Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for sustainability the full term of the assets or liabilities.

Level 3 – Significant unobservable inputs.

A financial instruments level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Evaluation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at December 31, 2022 and 2021. During the year ended December 31, 2022, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodology used for assets measured at fair value:

*Pooled separate accounts* - valued based upon the units of such pooled separate accounts held by the Plan at year end multiplied by their respective value. The unit values of the pooled separate accounts are based upon significant observable inputs, but are not based upon quoted market prices in an inactive market and are therefore considered Level 2 investments within the fair value hierarchy.

**NOTES TO THE FINANCIAL STATEMENTS**

**NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)**

The preceding method described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

| Fair Value Measurements as of December 31, 2022 |        |              |              |
|-------------------------------------------------|--------|--------------|--------------|
|                                                 | Level1 | Level 2      | Level 3      |
| Pooled Separate Accounts                        | \$ -   | \$ 5,857,663 | \$ -         |
|                                                 |        |              | Total        |
|                                                 |        |              | \$ 5,857,663 |

| Fair Value Measurements as of December 31, 2021 |        |              |              |
|-------------------------------------------------|--------|--------------|--------------|
|                                                 | Level1 | Level 2      | Level 3      |
| Pooled Separate Accounts                        | \$ -   | \$ 6,411,022 | \$ -         |
|                                                 |        |              | Total        |
|                                                 |        |              | \$ 6,411,022 |

**NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS**

Parties-in-interest are defined under the DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. The Plan's investments consist of pooled separate accounts that are maintained, and managed, and/or issued by the Custodian. John Hancock Retirement Services (JHRS), an affiliate of the Custodian is the Plan's recordkeeper. Therefore, transactions with the Custodian and JHRS qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee received compensation from the Plan for these services.

The Plan contracted with Aimpoint Pension, LLC for third-party administrative services. The Plan compensates Aimpoint Pension, LLC directly for such services which is included in administrative expenses for the year ended December 31, 2022 in the accompanying statement of changes in net assets available for benefits.

**NOTE 6 – FIDELITY BOND**

The Plan has complied with the fidelity bonding requirement of ERISA.

**NOTE 7 – PLAN TERMINATION**

Although it has not expressed an intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contribution to anytime and to determine the Plan subject to the provisions of the visa. In the event of plan termination, participants will become 100% vest in the employer contribution portion of their accounts.

**NOTE 8 – TAX STATUS**

On March 31, 2014, the IRS stated that the volume submitter profit-sharing plan with CODA adopted by the Plan, as the designed, qualifies under the Section 401(a) of the Internal Revenue Code (IRC) and therefore, the Plan and its related trust are tax-exempt. Accordingly, the Plan is required to operate in accordance with the IRC to maintain its qualification. The Plan has not received a determination letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Further, as of the date of this report the Plan has not completed required testing of its employees' compensation on an annual basis in accordance with the IRC in order to maintain its qualified status. The Plan Administrator has indicated that it will take the necessary steps to bring the Plan's operations into compliance with the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routing audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrators believe it is no longer subject to income tax examinations for years prior to 2019.

**NOTE 9 – PLAN OPERATIONS**

During the year ended December 31, 2022, the Employer sustained a data-breach from a cyber-attack which corrupted certain data, including participant information. Management was able to recover and rebuild the data so that normal compliance testing can be conducted by its third-party administrator.
