INDEPENDENT AUDITOR'S REPORT

Plan Committee
AuditBoard, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of AuditBoard, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- * The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- * The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUDITBOARD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the AuditBoard, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was adopted in March 2021 as a volume submitter defined-contribution plan for the benefit of employees of AuditBoard, Inc. (the “Plan Sponsor” or “Employer”). The Plan is a defined-contribution plan established by the Plan Sponsor under the provision of Section 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Administration

The Plan is administered by the Plan Committee. Fidelity Management Trust Company (“Fidelity”, the “trustee”) is responsible for the custody and management of the Plan’s assets and is the Plan’s recordkeeper. Burnham Gibson Wealth Advisors, LLC is the investment advisor.

Eligibility

The Plan covers all full-time employees of the Plan Sponsor that are U.S. citizens, resident aliens, and are not leased employees or members of a collective bargaining unit. Employees are eligible to enter the Plan after attaining age 21. Part-time, temporary and seasonal employees are eligible to enter the Plan after attaining age 21 and completing at least 1,000 hours of service. Enrollment can occur on the first day of the next calendar month after meeting the service requirement.

Participant Contributions

Participants may elect to contribute, on a pretax basis, up to 100% of their eligible compensation, in an amount not in excess of the maximum allowed by the IRC (\$20,500 for 2022). Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions (\$6,500 for 2022). Participants may also make contributions to the Plan on an after-tax basis, as Roth deferrals, as defined in the Plan agreement and subject to the limitations under the IRC, as listed above. Participants may also roll over amounts representing distributions from other qualified benefit or contribution plans.

Employer Contributions

The Employer may elect to make discretionary matching contributions and discretionary nonelective contributions. Participants who are employed on the last day of the Plan year, and meet the eligibility criteria as defined in the Plan document, are eligible to receive matching or nonelective contributions. The Employer made discretionary matching contributions during the year ended December 31, 2022 amounting to \$780,627.

AUDITBOARD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution and the Employer's discretionary matching contribution. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment elections at any time throughout the year via the current deferral/change election form.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting of Employer discretionary matching contributions and discretionary nonelective contributions and earnings thereon are based upon the participant's years of service with the Plan Sponsor as follows:

<u>Years of Service</u>	<u>Discretionary Nonelective Contributions</u>	<u>Discretionary* Matching Contributions</u>	<u>Discretionary** Matching Contributions</u>
Less than 1	0%	0%	0%
1	25%	33%	25%
2	50%	66%	50%
3	75%	100%	100%
4 or more	100%	N/A	N/A

Benefit Payments

Upon normal retirement, retirement due to permanent disability, death, termination, participants or the participants' beneficiaries are eligible to receive their vested interest in funds, either in the form of payments beginning at age 70 ½ or in a lump-sum payment. On termination of service due to death, disability or retirement, a participant with an account balance greater than \$5,000 may elect to receive a lump-sum cash payment equal to the value of the participant's interest, or the vested balance will be rolled over to an individual retirement plan account designated by the Plan Administrator. If the participant's vested interest is less than \$5,000, the participant will receive a rollover into an individual retirement plan determined by the Plan Administrator.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Notes from Participants

Participants may borrow from their current account balance a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance, or \$50,000. Participants are permitted to have no more than one (1) note outstanding at any point in time. The notes are secured by the vested balance in the participant's account and bear interest at the prevailing rate of interest as of the date of the note. Note interest rates are 4.25% to 8.00% and 4.25% to 6.00% as of December 31, 2022 and 2021, respectively. Notes mature through January 2032. Notes must be repaid within a five-year (5) period, unless the note is used to purchase a principal residence. Principal and interest are paid ratably through weekly payroll deductions.

Forfeitures

Forfeited non-vested accounts are used to reduce the administrative expenses of the Plan, with any remaining forfeitures to be used to reduce employer matching contributions. There were forfeited non-vested accounts totaling \$13,661 and \$0 in credit as of December 31, 2022 and 2021, respectively.

Administrative Expenses

The Employer pays all administrative expenses of the Plan with the exception of contract administration fees, guaranteed income feature fees, and third-party administrator service fees. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

AUDITBOARD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, there are no delinquent participant notes. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. The Plan's investment in common collective trusts are reported at contract value (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for its investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for applicable investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022; the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) Topic No. 820, “*Fair Value Measurements and Disclosures*” (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

AUDITBOARD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022.

Registered investment companies:

Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transfer at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

		Assets at Fair Value as of December 31, 2022			
		Level 1	Level 2	Level 3	Total
Registered investment companies		<u>\$10,939,571</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$10,939,571</u>
Total investments, at fair value					<u>\$10,939,571</u>

		Assets at Fair Value as of December 31, 2021			
		Level 1	Level 2	Level 3	Total
Registered investment companies		<u>\$ 6,435,867</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,435,867</u>
Total investments, at fair value					<u>\$ 6,435,867</u>

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan maintains investments in a stable value fund and common collective trusts managed by Fidelity Management Trust Company, which are determined to be fully benefit-responsive. Fidelity maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The adjustment from fair value to contract value for the stable value fund and common collective trusts are based on the contract value as reported to the Plan by the Trustee.

AUDITBOARD, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or the transfer of all or a portion of their investment at contract value. The principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Investments in the fund will accrue interest at the applicable monthly crediting rate, which rate will be set based upon a formula but may be adjusted from time to time as agreed upon by the Stability Provider(s) and Fidelity. The actual market value of the underlying assets may, at times, be greater than or less than the book value of the funds. Any difference between the market value and book value will be taken into consideration when setting future crediting rates.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Fidelity. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with the Plan's participants is not probable.

NOTE 6 – INCOME TAX STATUS

Effective March 1, 2021, the Plan adopted a non-standardized pre-approved plan sponsored by FMR, LLC. The pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Investments, a related party to Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as exempt “party-in-interest” transactions permitted by the United States Department of Labor (DOL) Rules and Regulations. For the year ended December 31, 2022, the Plan paid fees of \$31,498 to Fidelity Investments, \$4,910 to Strategic Advisors, Inc., and \$41,359 to Burnham Gibson Wealth Advisors, LLC for investment advisory services. Notes from participants and the related interest income of \$5,041 are also considered related party transactions as of and for the year ended December 31, 2022.

NOTE 8 – PLAN TERMINATION

Although it has not expressed such intent, the Employer, by action of its Plan Committee, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant’s interest in the Plan.

NOTE 9 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 10 – SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued and concluded that no other subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
