**INDEPENDENT AUDITORS' REPORT**

The Administrative Committee of  
Shipco Transport Inc. 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audits of the accompanying financial statements of Shipco Transport Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Shipco Transport Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shipco Transport Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shipco Transport Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## The Administrative Committee of Shipco Transport Inc. 401(k) Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shipco Transport Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shipco Transport Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule of assets held for investment as of December 31, 2022 and 2021 and Schedule of income (loss) for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

The Administrative Committee of  
Shipco Transport Inc. 401(k) Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021

### Note 1 - Description of Plan:

On August 1, 1990, State Street Bank & Trust Company established the ADP/State Street Collective Trust maintained exclusively for the collective investment monies administered on behalf of employee benefit plans of employers for which Automatic Data Processing (ADP) provides payroll services.

State Street Bank & Trust Company served as trustee for the Funds through June 30, 2016. Effective July 1, 2016, State Street Bank & Trust Company resigned as trustee and Reliance Trust Company ("RTC") is the successor trustee of the Plan.

State Street Bank & Trust Company provided investment management services to the Funds, and also provided custodial services for the Funds through June 30, 2016; RTC provided these services effective July 1, 2016. The fees for these services are assumed and paid directly by ADP.

As of July 1, 1991, Shipco Transport Inc. adopted a 401(k) Plan by entering into an agreement with ADP. Shipco Transport Inc. monitors and administers the Plan and ADP provides various services outlined in the ADP administrative manual.

The following description of the Shipco Transport Inc. 401(k) Plan (the "Plan") provides general information. Reference should be made to the plan agreement for a more complete description of the Plan's provision.

#### (a) General:

The Plan is a defined contribution plan covering all employees, who are age twenty-one or older, of Shipco Transport Inc. and any U.S. related companies. Eligible employees hired after May 1, 2005, are subject to a one-year service requirement before joining the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### (b) Contributions:

Each year, participants may contribute from 1% up to 75%, of pre-tax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Effective May 1, 2008, the Company began matching contributions of 82% on the first 4% of the participant's compensation, which is defined as an elective deferral.

Effective May 1, 2010, the Company began matching contributions of 100% on the first 4% of participant's compensation, which is defined as an elective deferral.

### Note 1 - Description of Plan: (Continued)

#### (c) Participant Accounts:

Each participant's account is credited with the participant's pre-tax contribution, and Plan earnings. Each participant's account is reduced by the participant's loan balance, when applicable.

Forfeited balances of terminated participants' non-vested accounts can be used to reduce Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

#### (d) Vesting:

Participants are 100% vested in their contributions, plus actual earnings thereon. For Company match contributions the following vesting schedule applies:

| <u>Years of employment</u>  | <u>Vested at</u> |
|-----------------------------|------------------|
| At least 1, but less than 2 | 25%              |
| At least 2, but less than 3 | 50%              |
| At least 3, but less than 4 | 75%              |
| 4 or more                   | 100%             |

#### (e) Participant Loans:

Participants may borrow from their fund accounts a minimum of \$500, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loan, by its term, must be repaid within 5 years. The loans are secured by the balance in the participant's account and bear interest at a prevailing prime rate plus two percentage points. Principal and interest is paid ratably through payroll deductions.

#### (f) Payment of Benefits:

Upon the death of a participant, a lump-sum distribution will be made of the participant's plan balance. Upon the participant's termination, they will receive a lump-sum distribution, unless their balance is more than \$5,000 in which case they may elect to leave this balance in the plan until retirement. Upon retirement, a participant may elect a lump-sum distribution, or periodic payout.

Notes to Financial Statements

December 31, 2022 and 2021

**Note 5 - Reconciliation of Financial Statement to Form 5500:**

Net assets available for benefits per the financial statements equal those per the Form 5500, and benefits paid to participants per the financial statements equal those per the Form 5500, for the related periods.

**Note 6 - Tax Status:**

The Plan obtained its determination letter on November 3, 1995 and has obtained an updated determination letter dated July 8, 2014, in which the Internal Revenue Service stated that the provisions of the Plan, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. The Company uses an ADP prototype 401(k) plan. ADP advises that they have made all necessary amendments to keep the plan in compliance with requirements, and the Company has adopted these amendments.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of the Treasury. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

**Note 7 - Significant Investments:**

There are six investments for 2022 and five investments for 2021 representing 5% or more of total plan assets. (See Note 3).

**Note 8 - Information Certified by the Plan's Trustee:**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the Trustee of the Plan for 2022 and 2021, respectively, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and the schedule of assets held for investment as of December 31, 2022 and 2021, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022 and the schedule of income (loss) for the year ended December 31, 2022.

### **Note 9 - Fair Value Measurements:**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

**Level 2** Inputs to the valuation methodology include –

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specific (contractual) term, the level 2 input must be observed for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

**SHIPCO TRANSPORT INC. 401(k) PLAN**

Notes to Financial Statements

December 31, 2022 and 2021

**Note 9 - Fair Value Measurements: (Continued)****Interest Bearing Cash:**

Fixed income investments are valued on the basis of valuations furnished by a Trustee-approved independent pricing service, which determines valuations for normal institutional-size trading units of such securities using methods based on market transactions for comparable securities and various relationships between securities which are generally recognized by institutional traders, or at fair value as determined in good faith by the trustee. Short-term investments, if any, are stated at amortized cost, which approximates fair value.

Assigned Level 2

**Common/Collective Trusts:**

Valued using other significant observable inputs. Observable inputs are inputs that other market participants would use in valuing a portfolio instrument. These may include quoted prices for similar securities, interest rates, prepayment speeds, credit risk and others.

Assigned Level 2

**Registered Investment Companies:**

Valued at the closing price reported on the active market on which the individual securities are traded.

**Note 10 - Risks and Uncertainties:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near future and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 11 - Subsequent Events:**

Management has evaluated all subsequent events or transactions for potential recognition or disclosure through September 12, 2023 the date on which the financial statements were available to be issued and has determined that there are no matters requiring adjustments to or disclosure in the financial statement.
