We have performed an audit of the accompanying financial statements of Chateau Retirement Communities, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – 2022 Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter – Auditor’s Report on the 2021 Financial Statements**

The 2021 financial statements of Chateau Retirement Communities, LLC 401(k) Plan were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, their audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. In their report dated August 29, 2022, they indicated that in their opinion (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Chateau Retirement Communities, LLC 401(k) Plan  
Notes to Financial Statements  
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Chateau Retirement Communities, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a qualified defined contribution plan covering substantially all employees of Chateau Retirement Communities, LLC (the Company). The Company is also the plan sponsor and plan administrator.

Effective January 1, 2022, the Plan was amended and restated to comply with current regulations and to remain qualified as a tax-exempt entity Plan. General operating provisions of the Plan were not modified with respect to this amendment.

The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

b. Eligibility

Employees are eligible to participate in the Plan and receive any employer matching contributions on the first day of each calendar month after reaching age 21. Participants must have completed at least 500 hours of service during the Plan year, or be employed as of the last day of the Plan year, to be eligible to receive any employer profit-sharing contributions.

c. Contributions

Participants may contribute up to 100% of their compensation, as defined by the Plan. Participants may also make Roth contributions (after-tax contributions). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Upon meeting the eligibility requirements, employees are automatically enrolled into the Plan at a pretax deferral rate of 3% of their gross compensation each pay period. Employees can elect to opt-out of participating in the Plan.

The Company, at its discretion, may make employer matching and profit sharing contributions to the Plan. During 2022, the employer matching contributions were 50% of salary deferrals up to the first 6% of plan compensation. There were no profit sharing contributions for the year ended December 31, 2022.

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. Participants may change their investment elections as often as permitted under the investment vehicles they choose.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Notes to Financial Statements, Continued

1. DESCRIPTION OF PLAN, (Continued)

d. Participant accounts

Each participant's account is credited with the participant's salary deferral contributions, discretionary employer matching contributions, discretionary profit sharing contributions, as well as an allocation of plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined in the plan. Discretionary profit sharing contributions, if any, are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

e. Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings or losses thereon. Vesting in all matching or profit sharing contributions is based on years of service, as follows:

| <u>Years of Service</u> | <u>Vesting %</u> |
|-------------------------|------------------|
| Less than 1             | 0%               |
| 1 but less than 2       | 25%              |
| 2 but less than 3       | 50%              |
| 3 or more               | 100%             |

Upon death, disability or reaching normal retirement age (age 65), participants become fully vested in all account balances.

f. Notes receivable from participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms can be up to five years except loans used to purchase a primary residence can be for up to twenty years. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. As of December 31, 2022, the rate of interest on outstanding loans ranged from 4.25% to 8.50%. The Plan requires repayment of the loan obligation through payroll deductions.

Notes to Financial Statements, Continued

1. DESCRIPTION OF PLAN, (Continued)

g. Payment of benefits

Payment of benefits will be paid to the participants or participant's beneficiary upon termination of service, death, disability, or retirement.

If the participant's account balance is over \$5,000, then the participant must consent to the distribution before it may be made, and may elect to receive the distribution under one of the following methods:

- A single lump-sum payment in cash.
- A direct rollover to an IRA or other eligible retirement plan.

If the participant's account balance is under \$5,000, then the distribution will be made as soon as administratively practicable after the participant leaves the Company. Distributions will be automatically made in a lump sum cash payment regardless of whether the participant consents to receive it.

In-service lump sum distributions are available to any participant who has reached age 59 ½.

Participants may also withdraw funds from their account in the event of financial hardships as defined in the Plan document.

h. Forfeited accounts

Forfeitures of terminated participants' nonvested accounts are maintained in a separate account under the Plan. Under the terms of the Plan, forfeitures that arise in any given plan year may be used toward the Plan's expenses or any employer contributions. Unallocated forfeitures of terminated participants' nonvested accounts totaled \$4,068 and \$3,055 at December 31, 2022 and 2021, respectively. During 2022, forfeitures in the amount of \$6,786 were used to reduce employer contributions.

i. Reclassification

Certain prior year balances have been reclassified to conform to current year's presentation with no effect on total assets or net decrease in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Chateau Retirement Communities, LLC 401(k) Plan  
Notes to Financial Statements, Continued

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)

b. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

c. Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's oversight committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded for the years ended December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

e. Payment of benefits

Benefits are recorded when paid.

f. Administrative expenses

Certain administrative expenses are paid directly by the Company and are excluded from these financial statements. Administrative expenses not paid by the Company are charged to participants' accounts and apportioned based upon their relative account values. Transaction based fees are charged directly to participant's accounts. Investment related expenses are included in the net depreciation of fair value of investments.

g. Date of the Plan's review

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

Chateau Retirement Communities, LLC 401(k) Plan  
Notes to Financial Statements, Continued

3. CUSTODIAN CERTIFICATIONS UNDER ERISA SECTION 103(a)(3)(C)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the auditors' examination did not extend to the following information certified by Charles Schwab Trust Bank, the custodian, as complete and accurate:

- Investments
- Net depreciation in fair value of investments
- Interest and dividends
- Schedule of assets (held at end of year)

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

Chateau Retirement Communities, LLC 401(k) Plan  
Notes to Financial Statements, Continued

4. FAIR VALUE MEASUREMENTS, (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective trust:* Valued at the NAV of units of the collective trust. The NAV, as provided by the fund's trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell an investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the stable value fund, the investment adviser reserves the right to temporarily delay withdrawal from the trust for twelve months.

*Cash, interest bearing:* Valued at cost plus accrued interest which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

| December 31, 2022                            |              |         |         |              |

5. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held by Charles Schwab Bank, the Plan custodian. Transactions with the custodian are recognized as exempt party-in-interest transactions under ERISA.

For the year ending December 31, 2022, the Plan paid \$29,981 for certain expenses related to plan operations to various service providers. These expenses are exempt party-in-interest transactions under ERISA.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

7. TAX STATUS

The Plan utilizes a non-standardized profit sharing plan that received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any taxing periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
