## **Independent Auditors' Report**

To the Participants and Plan Administrator of  
Ceres Environmental Services 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of the Ceres Environmental Services 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter — 2021 Supplementary Schedule Required by ERISA**

The supplementary schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

# Ceres Environmental Services 401(k) Profit Sharing Plan

---

Notes to Financial Statements  
December 31, 2021 and 2020

## 1. Description of the Plan

The following description of the Ceres Environmental Services 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan established by Ceres Environmental Services, Inc. and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Companies participating in the Plan include Ceres Environmental Services, Inc., Vesta Equity, LLC, The Ground Up, LLC, Ceres Environmental, Inc. (effective January 4, 2020), and Soteria Group, LLC (effective August 28, 2020) (collectively the Company). The Company pays certain costs of administering the Plan. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of available investment options within the Plan.

Effective January 1, 2022, C.T.L Forest Management, Inc. and Tree Services Unlimited, Inc. (wholly-owned subsidiaries of Ceres Environmental Services, Inc.) are participating companies in the Plan.

### CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The provisions of the CARES Act affecting employer-sponsored retirement plans were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

- Coronavirus-related distributions - Qualified individuals, as defined in the CARES Act, were permitted to take a coronavirus-related distribution of up to the lesser of \$100,000 or 100 percent of their vested account from the Plan, without incurring a 10 percent early withdrawal penalty. Eligible distributions were permitted to be taken until December 30, 2020. Distributions may be repaid to an eligible retirement plan within three years or a participant may elect to include these distributions in taxable income on a pro rata basis over three years.
- Participant loans - Qualified individuals with loans outstanding were permitted to suspend 2020 loan repayments through December 31, 2020. Additionally, qualified individuals were eligible to borrow up to a maximum equal to the lesser of \$100,000 or 100 percent of their vested account balance during 2020 (an increase from \$50,000 and from 50 percent of their vested account balance previously permitted), with repayments suspended until 2021.

### Eligibility

Non-union, qualified employees of the Company (other than those certain classes of employees excluded from the Plan as defined in the Plan document), who have completed at least two months of service with the Company are eligible to participate in the 401(k) portion of the plan upon reaching the age of 21.

Non-union, qualified employees of the Company are eligible to participate in the employer matching and profit sharing portion of the plan upon reaching the age of 21, and completion of one year of service (1,000 hours of service credited during a plan year).

Notes to Financial Statements

December 31, 2021 and 2020

## Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation (salary reduction contributions) and up to 15 percent of any bonus compensation, up to the Internal Revenue Service (IRS) limit, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions) and Roth contributions. Participants 50 years of age or older may elect to defer additional catch-up contributions not to exceed \$6,500 for the year ended December 31, 2021. The Company matches 100 percent of employee contributions for contributions up to 5 percent of the participant's compensation up to a total of \$5,500 per year. Additionally, the Company may elect to make a discretionary profit-sharing contribution. In order to receive an allocation of the employer matching and profit sharing contributions, participating employees must be employed on the last day of the Plan year or have completed 500 hours of service during the plan year. No discretionary profit sharing contributions were made for the year ended December 31, 2021. The employer matching contribution totaled \$362,628 for the year ended December 31, 2021.

## Participant Accounts

Each participant's account is credited with the participant's salary reduction, catch-up, Roth, and rollover contributions, the Company's matching contributions, an allocation of the Company's discretionary profit sharing contributions, and Plan earnings (net of investment and administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## Vesting

Participants are immediately vested in their salary reduction, catch-up, Roth, and rollover contributions, plus earnings thereon. Vesting in the Company's profit sharing and matching contribution portion of participant accounts, plus earnings thereon, is based on years of continuous service. To earn a year of service, an employee must be credited with at least 1,000 hours of service during a plan year. Participants who leave the Plan because of death, early or normal retirement, or disability retirement, as defined in the Plan, are considered 100 percent vested. Company matching and profit sharing contributions and earnings thereon vest as follows:

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| Less than 3             | 0 %               |
| 3 or more               | 100 %             |

## Notes Receivable from Participants

Participants may borrow from their accounts, subject to certain IRS and Department of Labor regulations. Loans must be a minimum of \$1,000 and may not exceed the lesser of 50 percent of the participant's vested account balance at the date of origination or \$50,000. These loans are secured by the balance in the participant's account. Interest on loans is fixed at inception of the loan. The interest rate on participant loans ranged from 3.25 to 5.50 percent as of December 31, 2021 and 2020. Principal and interest is paid ratably through payroll deductions.

As previously described in the CARES Act footnote above, CARES Act loan provisions allowed qualified individuals to suspend their loan repayments through December 31, 2020, and temporarily increased the maximum amount allowed for borrowing.

Notes to Financial Statements  
December 31, 2021 and 2020

### **Payment of Benefits**

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the Plan agreement. The Plan provides for normal retirement at age 65. The total vested portion of a participant's account balance may only be distributed in the form of a lump-sum payment. Participants experiencing financial hardship may withdraw a portion of this account balance as defined in the Plan, or upon attaining age 59 1/2, as defined in the Plan document. Upon termination from employment, participants with vested account balances greater than \$1,000 but less than \$5,000, will have their account balances automatically rolled into an IRA. Vested account balances less than \$1,000 will be distributed to the participant in a lump-sum payment.

### **Forfeitures**

Employees who are not 100 percent vested in the profit-sharing and matching contribution portions of their accounts will forfeit the nonvested amount upon termination of employment. Forfeitures will be used to reduce future Company contributions or to pay Plan expenses. As of both December 31, 2021 and 2020, forfeited nonvested amounts were \$0. Forfeitures used to reduce Company contributions for the year ended December 31, 2021 were \$12,907.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

### **Use of Estimates**

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value (except for fully-benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment consultant and asset custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

## Ceres Environmental Services 401(k) Profit Sharing Plan

---

Notes to Financial Statements  
December 31, 2021 and 2020

### Notes Receivable from Participants

Participant loans are classified as notes receivable from participants, which are segregated from Plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

### Payment of Benefits

Benefits are recorded when paid.

As of December 31, 2021 and 2020, there were amounts totaling \$78,529 and \$0, respectively, owed to participants who had elected to withdraw from the Plan, but had not been paid.

### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Fees incurred by the Plan for investment related services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

### Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through October 13, 2022, the date that the financial statements were available to be issued.

On June 22, 2022, the CTL Forest Management, Inc. 401(k) Plan merged into the Plan with total investments of \$337,522.

## 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included in Level 1 that are observable for the asset, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

## Ceres Environmental Services 401(k) Profit Sharing Plan

Notes to Financial Statements  
December 31, 2021 and 2020

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

These investments are classified as Level 2 as the separate account is not itself traded on an established market, although it may invest in open ended mutual funds, available to contract holders of group or individual variable annuities, or money market instruments. If the mutual funds or money market instruments included in the separate account are valued based on quoted market prices (such as the case with these funds), those investments can be classified as Level 2 according to the fair value hierarchy. Participants may execute transfers between the available investment options once per business day without limitation or notice period. If a participant redeems \$5,000 or more from any American fund, they will be precluded from investing in that fund until 30 calendar days have elapsed since the date of the redemption transaction.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

| December 31, 2021               |                     |             |                     |             |

|                                 | Total               | Level 1     | Level 2             | Level 3     |

## Ceres Environmental Services 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

### 4. Fully Benefit Responsive Investment Contracts

The Plan holds two traditional investment contracts (AUL Fixed Account and AUL Stable Value Account) that meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the desegregation of contract value between types of investment contracts held by the Plan.

|                                  | <u>2021</u>  | <u>2020</u>  |
|----------------------------------|--------------|--------------|
| Traditional investment contracts | \$ 1,188,285 | \$ 1,075,307 |

The traditional investment contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 4 percent for the AUL Fixed Account, and not less than 1.50% for the AUL Stable Value Account. The crediting rate is reviewed for resetting on a quarterly basis for the AUL Fixed Account, and reviewed for resetting on an annual basis for the AUL Stable Value Account.

Effective October 11, 2021, the AUL Fixed Account investment option was frozen and no future contributions are allowed. All existing participant balances will remain invested in the AUL Fixed Account at the guaranteed interest rate of 4%; however, all balances thereafter transferred from the AUL Fixed Account to another investment option may not be redirected back to the AUL Fixed Account.

Effective October 11, 2021, all contributions and transfers that were previously directed to the AUL Fixed Account will be directed to the AUL Stable Value Account. Participants may transfer any amount from the AUL Stable Value Account, but may not transfer funds to the AUL Stable Value Account until 90 days have elapsed since the date of the participant's last transfer from the AUL Stable Value Account.

The Plan's ability to receive amounts in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition of competing investment options
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact a contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

## **Ceres Environmental Services 401(k) Profit Sharing Plan**

---

Notes to Financial Statements  
December 31, 2021 and 2020

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

### **5. Related Party and Party-In-Interest Transactions**

Certain Plan investments are units of pooled separate accounts and a fixed account managed by the Asset Custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are with the Asset Custodian and thus qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

### **6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their Company contributions.

### **7. Tax Status**

The Plan uses a prototype plan document which received an opinion letter from the IRS, dated March 31, 2014, which states that the prototype plan was designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan, as amended, is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt at the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits in future periods.
