INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
California Dairies, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of California Dairies, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the 2022 financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2022 financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the 2022 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2022 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2022 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2022 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The December 31, 2021, financial statements of the Plan were audited by LTSP, Inc. ("LTSP"), whose practice merged with Marcum LLP as of June 1, 2022. LTSP performed an audit of the December 31, 2021 financial statements of California Dairies, Inc. 401(k) Savings Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the December 31, 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated July 7, 2022 indicated that (a) the amounts and disclosures in the December 31, 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the December 31, 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The report also indicated that the form and content of the December 31, 2021 supplemental schedule, other than the information in the December 31, 2021 supplemental schedule that agreed to or is derived from the certified information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the December 31, 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the California Dairies, Inc. 401(k) Savings Plan (the “Plan”), provides only general information. Participants should refer to the Plan agreement and its amendments for a more complete description of the Plan’s provisions.

GENERAL

The Plan was adopted on January 1, 1997 to qualify as a defined contribution plan for the eligible employees of California Dairies, Inc. (the “Company” or “Plan Sponsor”). The plan operates under §401(k) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

During the year ended, December 31, 2022, there was a change in custodian, from Delaware Charter Guarantee and Trust Company, dba Principal Trust Company (“Principal”) through October 2, 2022, to T. Rowe Price Trust Company (“TRP”) starting October 3, 2022.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. The Plan has adopted certain provisions of the CARES Act. Formal adoption of such provisions of the CARES Act is required to occur on or before December 31, 2025.

PARTICIPANT ELIGIBILITY

All employees except for those who are under age 21, represented by a collective bargaining agreement, leased employees part-time, temporary and seasonal employees regularly scheduled to work less than 1,000 hours of service are eligible to participate in the Plan. Effective October 3, 2022, the age requirement was changed to 18 years old and those residents of Puerto Rico are excluded from participating in the Plan. Entry dates are the first day of each month after the employee meets the eligibility requirements.

CONTRIBUTIONS

Participant Contributions

The Company’s eligible employees may contribute up to 50% of their compensation but not less than 2%, as defined by the Plan, subject to the limitations as defined by the IRC, each year on a pre-tax basis or post-tax (Roth) basis by salary reduction. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective October 3, 2022, they may contribute up to 90% of their compensation but not less than 1%, as defined by the Plan and subject to IRC limitations.

DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participant Contributions (Continued)

The Plan also allows for participant direct rollover contributions of amounts representing distributions from other qualified retirement or profit sharing plans.

The Plan established an automatic elective deferral rate equal to 3% of compensation for eligible employees who do not make an election on their eligibility date. Participant's may change the deferral rates or opt out at their discretion.

Company Discretionary Matching Contributions

The Company may, at its discretion, make a discretionary matching contribution based on a percentage of each participant's elective salary deferrals on eligible compensation as defined by the Plan. The discretionary matching contribution is made for each pay period the participant is an active member on the last day of the period, up to the annual compensation as allowed by the IRC. The discretionary matching contribution must be made for all persons who were eligible to participate in the Plan at any time during the plan year, requiring the elective deferral contribution to be at a minimum of 2% of compensation. For the year ended December 31, 2022, the Company elected to make a discretionary contribution of 7% of eligible compensation, as defined by the Plan.

Other Company Contributions

The Company may make qualified non-elective Employer contributions as necessary to satisfy various limitations. If necessary, the Company shall contribute an amount determined by them, equal to: 1) a dollar amount or 2) a percentage of compensation designated by the Company. These qualified non-elective contributions shall be allocated only to nonhighly compensated employees who were active participants at any time during the plan year. The Company did not make a qualified non-elective Employer contribution for the year ended December 31, 2022.

PARTICIPANT DIRECTED INVESTMENTS

A participant may choose among various funds in which their respective contribution and Company contribution may be invested subject to the limitations described in the Plan.

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contributions and Plan earnings less an allocation of investment and operating expenses charged to the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates as determined by the Plan. Generally, loans must be repaid within five years, unless the loan was for the purchase of a principal residence. In this case, the repayment period may be extended. Principal and interest is paid ratably through payroll deductions.

VESTING

Participants are fully vested in their contributions, rollover contributions, and all Company contributions plus actual earnings thereon, immediately upon entry to the Plan.

FORFEITURES

Forfeitures may be used to reduce Company matching contributions and the Plan's administrative fees. As of December 31, 2022 and 2021, there were no forfeitures available. For the year ended December 31, 2022 and 2021, no forfeitures were used to reduce Company matching contributions or for payment of administrative fees.

PAYMENT OF BENEFITS

Plan benefits are distributed in a lump sum or in the form of a deferred payout upon normal retirement age of 65, death or total disability prior to retirement. Upon termination of employment by reason other than retirement, death or total disability, a participant may request to receive a cash distribution from their account. Participants with a vested account balance of less than \$5,000 are subject to an involuntary cash-out distribution even if the participant does not consent to a distribution. Any distribution greater than \$1,000 but less than \$5,000 that is made without the participant's consent will be rolled over to an individual retirement plan.

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

In accordance with the plan provisions and Internal Revenue Code, participants that have reached the age of 72 or older are required to receive Required Minimum Distributions.

Active participants may withdraw any part of their vested account in a single sum in the event of undue financial hardship or attainment of age 59 ½. Withdrawals made under the provision of attaining age 59 ½ are limited to two such withdrawals in any 12 month period.

PLAN ADMINISTRATIVE EXPENSES

The Company provides or pays for certain accounting, legal, and management services without charge to the Plan. Administration expenses, including recordkeeping fees, investment consulting fees. Fees related to notes receivable from participants and distribution related fees, paid by the Plan are charged directly to participant accounts. Investment management related expenses are included in net depreciation in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

PAYMENT OF BENEFITS

Benefits payments to participants are recorded upon distribution.

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

All investments are carried at fair value or an approximation of fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is accrued as earned. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan classifies participant loans as notes receivable from participants in the statements of net assets available for benefits and measures them at their unpaid principal balance plus any accrued interest. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent or defaulted notes receivables from participants are written off as "deemed" distributions at the end of the quarter following the quarter in which the default occurs.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by TRP and Principal, the trustees of the Plan. This information has not been audited by the Plan's independent auditor.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021:

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds

These investments are valued at the closing quoted market price reported on the active market on which the public investment securities are traded.

Pooled separate account

The Plan participates in a contract whereby the assets of the Plan are pooled with those of other unrelated plans. The Plan owns units of participation in the fair value of the account's underlying assets. The investment fund holds these assets in trust for the participating plans. These investments are public investment securities valued using the Net Asset Value ("NAV") as a practical expedient provided by the insurance institution which holds the contract to these investments. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The NAV is quoted on a private market that is not active, however, the unit price is based on the underlying investments held by each fund. A majority of the investments held by the fund are traded on an active market.

Common/collective trust funds

With the exception of the Morley Stable Value Fund, the funds are valued using NAV as a practical expedient provided by the fund manager. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments held by each fund. A majority of the investments held by each fund are traded on an active market. The Morley Stable Value Fund is valued using NAV as a practical expedient based on contract value, which represents invested principal plus accrued interest less expenses thereon. In determining contract value, the fund manager considers such factors as the benefit responsiveness of the contracts, the ability of the parties to the contracts to perform in accordance with the terms of the contracts and the likelihood of default by the issuer of an investment security. While the fair value of the investments in the common/collective trust are determined by the investee's trustee based on the fair value of the underlying securities within the investment at the fund level, the fair value of the investment as reported by the fund manager at the Plan level is based on NAV as the practical expedient which is contract value. Contract value is the relevant fair value for such an investment as that is the value of that participant's transactions are reported.

NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following additional information presents the fund strategy relative to Plan investments reported at net asset value at December 31, 2022 and 2021:

The pooled separate account investment funds are subject to the redemption frequency of one transaction per thirty day period. There are no other redemption restrictions, redemption notice requirements, or unfunded commitments related to the pooled separate account investment funds as of December 31, 2022 and 2021.

The common/collective trust funds offered in the Plan are subject to a daily redemption frequency. The only other redemption restriction is to the Morley Stable Value Fund which is subject to deferral of redemption requests of up to twelve months, at the discretion of the trustee. There are no redemption notice requirements or unfunded commitments as of December 31, 2022 and 2021.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 7 - TAX STATUS

The Plan has adopted a non-standardized prototype plan which received a favorable opinion letter dated August 19, 2020, in which the IRS stating that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. As such, the Company and the plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods pending or in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Principal, previous trustee of the Plan. The Plan also has investments in common/collective trust funds which is managed by a subsidiary of Principal. Other investments are managed by TRP, trustee of the Plan.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to TRP and Principal, other investment custodians and investment advisors.

Additionally, as noted in Note 1, certain administrative expenses related to participant related activity and Plan record keeping fees are paid directly to TRP and Principal.

The Plan also allows for the issuance of notes receivable from participants in accordance with the related regulations.

These transactions qualify as party-in-interest transactions for which there are statutory exemptions.

NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 16, 2023, the date the financial statements were available to be issued. Except as noted below, there were no events requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
