Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Spieker Companies, Inc. 401(k) Profit Sharing Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Spieker Companies, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Spieker Companies, Inc. 401(k) Profit Sharing Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company (Reliance Trust), the trustee of the Spieker Companies, Inc. 401(k) Profit Sharing Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information as described in Note 10 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Reliance Trust agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Spieker Companies, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Spieker Companies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Spieker Companies, Inc. 401(k) Profit Sharing Plan; and determining whether the Spieker Companies, Inc. 401(k) Profit Sharing Plan's transactions that are presented and disclosed in the financial statements are in conformity with Spieker Companies, Inc. 401(k) Profit Sharing Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Spieker Companies, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Spieker Companies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Reliance Trust agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Spieker Companies, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants and others should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Spieker Companies, Inc. (the Plan Sponsor) who have met the eligibility requirements as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration: The Plan is administered by the Plan Sponsor. The Plan Administrator controls and manages the operation and administration of the Plan. Reliance Trust Company (Reliance Trust) serves as the trustee. ADP Retirement Services (ADP) serves as the recordkeeper of the Plan.

Contributions: Each year, participants may contribute up to the deferral limit of pretax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Additional profit sharing amounts may be contributed at the option of the Plan Sponsor's owner. Any profit sharing contributions are invested in the participants' investment options. Contributions are subject to certain limitations. No profit sharing contributions were made for the plan years ended December 31, 2022 and 2021.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of (a) the Plan Sponsor's contributions and (b) the Plan's earnings (losses). Plan earnings (losses) are allocated based on participant account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Investment Options: Participants may direct employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature. Participants may change their investment options at any time during the year via direct phone or internet access to ADP.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as transfers to (from) the investment fund from (to) the participant loan fund. The loans are secured by the participants' vested interest and require the participant to make payments via automatic payroll deductions. The loans bear interest at the rates of 5.25% and 9.75%.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of participants' accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of service based on the following schedule:

Less than two years of service	0%
Two years of service	20%
Three years of service	40%
Four years of service	60%
Five years of service	80%
Six years of service	100%

Retirement: The normal retirement date is the date the participant attains 65 years of age.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Payment of Benefits: Upon termination of service due to death, disability or retirement from the Plan Sponsor, a participant may elect to receive the vested interest in their account in the form of an annuity, a single sum cash payment or a combination of the two options. Upon termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

The significant accounting policies of the Plan are described below.

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make a number of estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement: The Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three-tier fair value hierarchy includes the following categories:

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values are based on observable inputs that include quoted market prices for similar assets or liabilities, quoted market prices that are not in an active market, or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

- *Mutual Funds* – Investments in mutual funds are valued at fair value based on quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. Mutual funds are classified as Level 1 measurements.
- *Common/Collective Trust Funds* – Common/collective trust funds are valued at the NAV provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient should not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments.

The Plan's investments that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: The Plan Sponsor pays the Plan's administration expenses, and participants pay the withdrawal and loan fees.

Subsequent Events: The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair values of the Plan's investments, by level within the fair value hierarchy, are as follows:

		Fair Value Measurements Using		
2022	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 2,392,663	$ 2,392,663	$ -	$ -
Common/collective trust funds at NAV	494,197			
	$ 2,886,860			
2021				
Mutual funds	$ 2,980,619	$ 2,980,619	$ -	$ -
Common/collective trust funds at NAV	581,624			
	$ 3,562,243			

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Gains and losses included in net assets available for plan benefits for the year ended December 31, 2022 are reported under net depreciation in fair value of investments.

In accordance with Subtopic 820-10, the common/collective trust funds, which are measured at NAV per share (or its equivalent) as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented herein are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV AS A PRACTICAL EXPEDIENT

The investments measured at fair value based on NAV per share are summarized as follows:

Investments	Fair Value as of December 31, 2022	Fair Value as of December 31, 2021	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common/collective trust funds	$ 494,197	$ 581,624	N/A	Daily	None

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds an INVESCO Stable Asset Fund composed primarily of investment contracts, including guaranteed investment contracts (GICs), separate account GICs and securities-backed investment contracts. These contracts meet the fully benefit-responsive investment contract criteria and are therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount that would be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive contracts is dependent upon the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The stable value fund amounts of $405,596 and $386,512 as of December 31, 2022 and 2021, respectively, were disclosed at contract value.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan may determine.

NOTE 7 – TAX STATUS

The Plan Sponsor has adopted the ADP, LLC Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which received a favorable opinion letter from the Internal Revenue Service (IRS) on October 6, 2020. A favorable determination letter indicates that the form of the Plan is qualified under the applicable requirements of the Internal Revenue Code (IRC) and is exempt from taxation. Although the Plan has been amended since the adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax exempt.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2022 and 2021, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of investments and participant loans.

NOTE 9 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employees and certain others. The Plan's assets are held in trust by Reliance Trust as of December 31, 2022 and 2021. Reliance Trust is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The expenses incurred in the provision of these services constitute exempt party-in-interest transactions under ERISA.

NOTE 10 – TRUSTEE CERTIFICATION

The investment information, notes receivable balances and related income information included in the financial statements, accompanying notes and supplemental schedule, summarized below, were derived from statements certified by the trustee as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
