Independent Auditor's Report

To the Plan Administrator of Teachers Federal Credit Union Cash or Deferred Compensation Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Teachers Federal Credit Union Cash or Deferred Compensation Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the Teachers Federal Credit Union Cash or Deferred Compensation Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by Teachers Federal Credit Union (Credit Union) on January 1, 1984. The Plan is a defined contribution plan covering all employees of the Credit Union who are age 21 or older and who may participate in the Plan on the first day of their employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Subject to certain limitations, participants may contribute a portion of their pre-tax compensation up to the maximum amounts prescribed by the Internal Revenue Code (IRC). The Plan includes a ROTH contribution feature. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employer may make matching contributions equal to a discretionary percentage of the participant's elective deferrals and in determining the matching contribution, only the percentage or dollar amount of elective deferrals specified by the employer will be eligible for matching contributions. The matching contribution was made at 50% of the first 5% of a participant's compensation contributed as an elective deferral.

Participant Accounts

Each participant's account is credited with the participant's contribution, and an allocation of the Credit Union's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. Participants direct the investment of their contributions into investment alternatives offered by the Plan and may periodically change that selection.

Teachers Federal Credit Union Cash or Deferred Compensation Plan

Notes Receivable From Participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their non-profit sharing contribution account balance. The minimum loan permitted is \$1,000. The loans are secured by the balance in the participant's account. All loans shall be for a fixed term of not more than five years, except a loan which shall be used for the purchase or construction of the principal residence of the participant. Interest on a loan is based on 1% over prime interest rate. Principal and interest is paid ratably through payroll deductions.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Credit Union's contribution portion of their accounts is based on years of service.

Vested percentages for years of service for participants hired prior to January 1, 2010 are as follows:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 1	10%
1	25%
2	50%
3	75%
4	100%

Vested percentages for years of service for participants hired subsequent to January 1, 2010 are as follows:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of service due to death, disability or retirement, benefits are paid either in a lump sum, in the form of an annuity, or in equal installments over a period not more than the participant's or designated beneficiary's assumed life expectancy at the time of distribution. For termination of service for other reasons, a participant may receive that value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeitures occurring as a result of the termination of employment of a participant before becoming 100% vested in the Plan are used first to reduce employer contributions and second to offset plan expenses. Employer contributions were reduced by forfeited non-vested accounts in the amount of \$172,233 for year ending December 31, 2022. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$946 and \$14, respectively.

Plan Administration

The Plan is administered by the Credit Union. Merrill Lynch Pierce Fenner & Smith is the custodian and record-keeper of the Plan assets. Bank of America, N.A. is the trustee of the Plan.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Teachers Federal Credit Union Cash or Deferred Compensation Plan

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

3. INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Bank of America, N.A. (Trustee), except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained certifications from the Trustee for 2022 and 2021 that such information is complete and accurate.

See independent auditor's report.

Teachers Federal Credit Union Cash or Deferred Compensation Plan

Information certified by the Trustee as of December 31, 2022 and 2021 and for the year ended December 31, 2022 is as follows:

Investments at fair value:

Mutual funds	\$ 49,957,639	\$ 63,115,677
Common collective trust fund	3,443,364	4,600,569

Sweep account - interest bearing	1,248	120

Notes receivable from participants	1,734,019	1,860,701
---	-----------	-----------

Investment income (loss):

Net depreciation in fair value of investments	(13,803,024)
Dividends	1,848,085
Interest	29
Other	12,776

Interest income on notes receivable from participants	85,000
--	--------

4. FAIR VALUE MEASUREMENTS

The Plan's investments are presented at fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

See independent auditor's report.

Teachers Federal Credit Union Cash or Deferred Compensation Plan

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common collective trust fund: The Plan holds units of a common/collective trust (“CCT”) with Putnam Stable Value Fund (“Putnam”) that have investments in fully benefit-responsive investment contracts. The fair value of the Plan’s interest in the CCT is based on audited financial information reported by the issuer, Putnam Fiduciary Trust Company for the Putnam CCT.

The issuer determines fair value based on the underlying investments (primarily conventional, synthetic and separate account investment contracts, and cash equivalents). The value of the CCT represents contributions plus earnings, less participant withdrawals and administrative expenses. Participant-directed redemptions for the Putnam CCT have no restrictions; the Plan, however, is required to provide a one-year redemption notice to liquidate its entire share in each of the respective funds. There are no unfunded commitments.

Teachers Federal Credit Union Cash or Deferred Compensation Plan

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 49,957,639	\$ -	\$ -	\$ 49,957,639
Common collective trust fund (NAV) ^(a)	-	-	-	3,443,364
Total assets at fair value	<u>\$ 49,957,639</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 53,401,003</u>

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 63,115,677	\$ -	\$ -	\$ 63,115,677
Common collective trust fund (NAV) (a)	-	-	-	4,600,569
Total assets at fair value	<u>\$ 63,115,677</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 67,716,246</u>

- (a) In accordance with Financial Accounting Standards Board (FASB) guidance, investments measured at fair value using NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the investments at fair value presented in the statement of net assets available for benefits. This amount represents investments in collective trusts which each file a Form 5500 as a direct filing entity. As such, significant investment strategies have not been disclosed for these investments.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

6. TAX STATUS

The Plan has obtained its latest determination letter on March 31, 2014 in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

See independent auditor's report.

Teachers Federal Credit Union Cash or Deferred Compensation Plan

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2019.

7. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Merrill Lynch Pierce Fenner & Smith is the custodian and record keeper of the Plan. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investments, as they were paid through revenue sharing, rather than a direct payment. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA and applicable exemptions promulgated thereunder. Notes receivable from participants also qualify as party-in-interest transactions.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through , 2023, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
