Thayer Investments, LLC Collectively Bargained 401(k) Savings Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Thayer Investments, LLC Collectively Bargained 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matter - supplemental schedules required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2022 and delinquent participant contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Thayer Investments, LLC Collective Bargained 401(k) Savings Plan

### NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

#### NOTE A - DESCRIPTION OF THE PLAN

The following description of Thayer Investments, LLC Collectively Bargained 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### ***General and Eligibility***

The Plan, established on March 5, 2010 and the Plan document was most recently restated March 1, 2022. The provisions described below reflect all changes. The plan is a collectively bargained defined contribution plan that covers union employees who are members of a local union affiliated with the Communications Workers of America ("CWA") or the International Brotherhood of Electrical Workers (or any other union local) who are employees of Thayer Power and Communication Line Construction Co., Inc. (the "Plan Sponsor" or "Company") and work at least 1,000 hours over 12 consecutive months. There is no minimum age requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

##### ***Contributions***

Each year, participants may contribute up to the IRS limit of pre-tax annual compensation, as defined by the Plan, not to exceed the limits of Internal Revenue Code ("IRC") Section 401(k). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Plan Sponsor contributes 100% of the first 4% of eligible compensation for participants that are members of the CWA labor union, and 1% of eligible compensation for all other participants in the Plan. Additional profit-sharing amounts may be contributed at the option of the Plan Sponsor. There were no Plan Sponsor profit-sharing contributions for the year ended December 31, 2022.

A participant may elect to have his or her account invested in one or more of the investment funds established by the trustee of the Plan.

##### ***Participant Accounts***

An account is maintained for each participant in the Plan, reflecting participant and Company contributions and allocations of the Plan's earnings and losses. Participants can direct investment of their account balances between the various investment options offered by the Plan. Participants can change their investment options or transfer funds on a daily basis. The Plan's investments include two pooled separate accounts that, in turn, invest in various mutual funds, to which participants can direct their account balances.

##### ***Vesting***

Participants are always 100% vested as to their contributions and the Company's matching and profit-sharing contributions.

##### ***Participant Notes Receivable***

Participants may borrow a minimum of \$1,000 from their fund accounts up to a maximum of 50% of their total vested account balance not to exceed \$50,000. The notes are secured by the balance of the participant's account and bear interest at the prime rate plus 1%. The life of a note may range from one to five years. If the note is for the purpose of acquiring a principal residence, the note must be repaid over a reasonable period of time. Principal and interest are paid ratably through weekly payroll deductions. Interest rates on participants' loans range from 4.25% to 7.25% at December 31, 2022 and from 4.25% to 6.00% at December 31, 2021.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

***Payment of Benefits***

Distributions from a participant's account are not permitted before age 59½ except in the event of death, hardship or termination of employment as defined in the Plan. Distributions may be made in the form of direct rollover or a lump sum cash distribution. Automatic cash out of participant account balances of \$5,000 or less are permitted under the Plan at the time of termination.

***Plan Termination***

Upon complete or partial termination of the Plan or upon complete discontinuance of contributions by the Company, the participants' interests under the Plan, as of the date of termination, become fully vested and nonforfeitable.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP").

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

***Contributions***

All contributions are recorded in the period during which the Plan Sponsor makes payroll deductions from the Plan participants' earnings.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan is reduced, and a benefit payment is recorded.

***Payment of Benefits***

Benefit payments to participants are recorded when paid.

### NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2022 and 2021

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

#### **NOTE C - CERTIFIED INFORMATION**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company and Empower Retirement, LLC (the "Custodians") have certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Investment income (loss) and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent accountants did not perform any auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

#### **NOTE D - FAIR VALUE MEASUREMENTS AND INVESTMENTS**

Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Thayer Investments, LLC Collective Bargained 401(k) Savings Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts ("PSAs"): Valued at the net asset value ("NAV") of units held. The NAV is primarily based on the fair value of the underlying mutual funds held by the PSAs. The mutual funds have a readily determinable fair value and published NAV and is the basis for current participant transactions.

In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The following table sets forth disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2022 and 2021:

|                          | Assets, at Fair Value December 31, 2022 |                            |                             |                                 |
|--------------------------|---|----------------------------|-----------------------------|---------------------------------|
|                          | <u>Fair Value</u>                       | <u>Unfunded Commitment</u> | <u>Redemption Frequency</u> | <u>Redemption Notice Period</u> |
| Pooled separate accounts | \$ 1,351,072                            | None                       | Daily                       | Daily                           |

  

|                          | Assets, at Fair Value December 31, 2021 |                            |                             |                                 |
|--------------------------|---|----------------------------|-----------------------------|---------------------------------|
|                          | <u>Fair Value</u>                       | <u>Unfunded Commitment</u> | <u>Redemption Frequency</u> | <u>Redemption Notice Period</u> |
| Pooled separate accounts | \$ 1,839,906                            | None                       | Daily                       | Daily                           |

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic condition or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. There were no transfers during 2022.

**NOTE E - TAX STATUS**

The Plan uses a prototype plan document sponsored by Walker Benefits LLC, which received an opinion letter from the Internal Revenue Service ("IRS") dated March 31, 2014, which states that the prototype document satisfies the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. Although the plan has been amended since the opinion letter was received by the IRS, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust established under the Plan is tax exempt as of the financial statement date; and no provision for income taxes has been included in the Plan's financial statements.

**Thayer Investments, LLC Collective Bargained 401(k) Savings Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE F - PARTY-IN-INTEREST TRANSACTIONS**

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Certain Plan investments are managed by Massachusetts Mutual Life Insurance Company and Empower Retirement, LLC, the Custodians of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

**NOTE G - RISKS AND UNCERTAINTIES**

Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE H - SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.

Effective March 1, 2023, the Plan changed its name to the TIS Group Collectively Bargained 401(k) Savings Plan. Effective March 7, 2023, the union portion of the LeCom, LLC Profit Sharing Plan ("LeCom Plan") merged into the Plan. Subsequently, on September 12, 2023, the Company expressed its intent to terminate the Plan effective December 31, 2023.
