The Plan Administrator
Anchor Mirror and Glass 401(k) Profit Sharing Plan
Round Rock, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Anchor Mirror and Glass 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from qualified institutions as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANCHOR MIRROR AND GLASS 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

As of and For the Year Ended December 31, 2022

(1) Description of Plan

ANCHOR MIRROR AND GLASS DBA ANCHOR VENTANA (the “Company”) sponsors the ANCHOR MIRROR AND GLASS 401(K) PROFIT SHARING PLAN (the “Plan”) for the benefit of its employees. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution, 401(k) profit sharing plan, covering employees of the Company who are twenty-one (21) years of age and have completed at least one (1) year of service, as defined in the Plan document. Days of service need not be contiguous, but there can be no more than a one-year break in service. Plan entrance is available the first day of the month coinciding with or next following date requirements are met. The Plan is intended to satisfy all of the requirements for a qualified retirements plan under the appropriate provisions of the Internal Revenue Code (“IRC”) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and for monitoring investment performance.

Contributions. Participants may contribute a percentage of compensation, up to the current pre-tax 401(k) contribution limits or after-tax Roth 401(k) contribution limits permissible under the IRC, as defined in the Plan document. Participants who have attained age fifty (50) before the end of the Plan year are eligible to make “catch-up” contributions. Participants may also contribute amounts representing distributions or rollovers from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance contract as determined by each individual Plan participant. Participants are allowed to stop their elective deferrals to the Plan and may change their elective deferral amounts on a semi-monthly basis.

The Plan document allows for quarterly discretionary employer profit sharing contributions. Each eligible participant who is actively employed on the last day of the Plan quarter is allocated a proportionate share of such contributions, based upon gross compensation of each participant during this period of participation for the year. The Plan did make profit-sharing contributions of \$48,893 for the year ended December 31, 2022.

Participant Accounts. Each participant’s account is credited with the participant’s contributions, the Company’s contributions, and allocations of Plan earnings including gains and/or losses on investments. Participant accounts are charged individually for participant requested services. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

(continued)

ANCHOR MIRROR AND GLASS 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

(1) Description of Plan, Continued

Payment of Benefits. On termination of service due to death, disability, hardship, or retirement, a participant may elect to receive a lump-sum distribution equal to the vested balance of his or her account, under the terms of the Plan document. For termination of service due to other reasons, a participant may receive the value of their account balance as a lump-sum distribution. In-service distributions are not allowed except as required. For participants who have reached age seventy-two (72), required minimum distribution amounts as required by the Internal Revenue Service must be met.

Vesting. Participants are immediately 100% vested in their own contributions plus or minus any earnings or losses thereon. Vesting of employer profit sharing discretionary contributions is based upon years of service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than two	0%
Two, but less than three	20%
Three, but less than four	40%
Four, but less than five	60%
Five, but less than six	80%
Six or more	100%

Participants automatically become 100% vested upon (a) normal retirements age, i.e., attainment of age 65, (b) disability, (c) death, or (d) a partial termination of the Plan. Participants who terminate for any other reason are entitled to the vested portion of their accounts.

Notes Receivable from Participants. Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum of \$50,000, not to exceed 50% of their account balance. Participants may not have more than two loans outstanding at any time. Note receivable are secured by the balance in the participant's account, evidenced by a promissory note. Notes receivable accrue interest at a reasonable rate that is determined by the Plan administrator. Interest rates are set at prime, plus 2%. The interest rate for new notes receivable was set at 5.25%. Older, pre-existing notes receivable have an interest rate of 4.50% to 7.25%. Repayment terms for notes receivable are five years or less. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, outstanding not balances are treated as distributions and are subject to applicable federal and state income taxes, and penalties.

Hardship. The Plan allows hardship withdrawals subject to account balance limits and applicable laws.

Forfeitures. On December 31, 2022 and 2021, forfeited non-vested accounts totaled \$15,541 and \$14,677, respectively. Forfeitures of employer matching contributions resulting from participants withdrawing prior to becoming fully vested are allocated to offset employer matching and profit-sharing contributions. Five consecutive on-year breaks in service must occur before the forfeitures are available for use. Forfeitures of \$2,420 were applied to offset contract administrator fees.

ANCHOR MIRROR AND GLASS 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

(2) Summary of Significant Accounting Policies

The Plan's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The following is a summary of the significant accounting policies:

Subsequent Events. Management has evaluated all significant events occurring subsequent to the financial statements dated through October 15, 2023, which is the date the financial statements were available to be issued, determining no events require additional disclosure in the financial statements.

Estimates. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value, except for fully benefit responsive investment contracts. Quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions. Contributions are accrued and credited to participants' accounts as of each pay period.

Benefits. Benefit payments to participants are recorded when paid.

Notes Receivable From Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Expenses. The Plan pays administration fees to the recordkeeper. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

Fair Value Measurements. GAAP defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements.

GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. GAAP also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. GAAP describes three levels of inputs that may be used to measure fair value:

(continued)

ANCHOR MIRROR AND GLASS 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

Fair Value Measurements, Continued.

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities that are not active; and model-driven valuations whose inputs are observable or whose significant value drivers are observable. Valuations may be obtained from, or corroborated by, third-party pricing services.

Level 3: Unobservable inputs to measure fair value of assets and liabilities for which there is little, if any market activity at the measurement date, using reasonable inputs and assumptions based upon the best information at the time, to the extent that inputs are available without undue cost and effort.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

(3) Investments

At and for the year ending December 31, 2022, the Plan's investments were held by Empower Retirement, LLC ("Empower") and Massachusetts Mutual Life Insurance Company ("MassMutual") (together the "Trustees").

(4) Fair Value Measurements

The following table sets forth by Level, within the fair value hierarchy, the Plan investments at fair value:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<i>December 31, 2022:</i>				
Mutual funds	\$ -	1,655,510	-	1,655,510
Investments at fair value	-	1,655,510	-	1,655,510
<i>December 31, 2021:</i>				
Mutual funds	-	1,894,368	-	1,894,368
Investments at fair value	\$ -	1,894,368	-	1,894,368

(5) Guaranteed Investment Contract with Insurance Company

The Plan has a traditional fully benefit-responsive group annuity contract with MassMutual. MassMutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Notes to Financial Statements

(5) Guaranteed Investment Contract with Insurance Company, Continued

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with MassMutual. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of a material obligation under the contract, or (4) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants or the issuer is probable.

The guaranteed investment contract does not permit the custodian to terminate the document prior to the scheduled maturity.

Average yield based on actual earnings and credit to participants was 1.25%.

(6) Tax Status

The Plan was formed January 1, 1999, using a "Non-Standardized" plan that has been pre-approved for use by the Internal Revenue Service ("IRS"). The "Non-Standardized" plan received an opinion letter of approval from the IRS dated November 30, 2020.

GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(8) Related Party Transactions

Plan investments were held in custody by MassMutual, the insurance company of the Plan, and Empower. Certain Plan investments are managed by Empower. Empower is the recordkeeper for the Plan and, therefore these transactions qualify as party-in-interest transactions.

(continued)

ANCHOR MIRROR AND GLASS 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

(8) Related Party Transactions, Continued

Empower provides certain administrative services to the Plan pursuant to the Plan Services Agreement ("PSA") between the Company and Empower. Empower receives revenue from mutual fund service providers and a group annuity with MassMutual, for services Empower provides to the funds and annuity contract. This revenue is used to offset certain amounts owed to Empower for its administrative services of the Plan.

Fees paid by the Plan to Empower for investment management and contract administration services amounted to \$1,710 and \$1,345 for the years ended December 31, 2022 and 2021, respectively. All party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

(9) Risks and Uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the accompanying "Statements of Net Assets Available for Benefits".

(10) Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of the IRS Form 5500 on December 31, 2022:

Net assets available for benefits as per the financial statements	<u>\$ 1,740,498</u>
