INDEPENDENT AUDITOR'S REPORT

Plan Administrative Committee and Participants of
Harvest Landscape Enterprises, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Harvest Landscape Enterprises, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFE 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Harvest Landscape Enterprises, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harvest Landscape Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for at least one year following the date of this report.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administrating the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harvest Landscape Enterprises, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Harvest Landscape Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United Statements of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

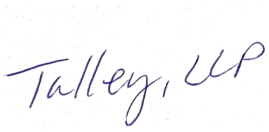

The supplemental Schedule of Assets (Held at end of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounts and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respected, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN

The Harvest Landscape Enterprises, Inc. 401(k) Plan (the "Plan") was adopted by Harvest Landscape Enterprises, Inc. (the "Company") on January 1, 2020, with contributions effective July 17, 2020. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** The Plan is a defined contribution plan covering substantially all employees of the Company except employees acquired in a Code Section 410(b)(6)(c) transaction until the transition period is over for all Plan purposes, who have met certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), and is administered by the Plan's Administrative Committee. The Plan is intended to be a qualified defined contribution plan that satisfies the requirements of section 401(k) of the Internal Revenue Code (the "Code"). Under the Code, participants are not liable for federal income taxes on employee contributions, Company contributions or Plan earnings until such time as they are partially or completely withdrawn from the Plan. The Company is a member of a controlled group including Sierra Vista Nursery, LLC and Schinhofen Leasing, LLC. Substantially all employees of the controlled group are covered under the plan, except employees acquired in a Code Section 410(b)(6)(c) transaction until the transition period is over for all Plan purposes, who have met certain eligibility requirements.

2. **Contributions.** Under the 401(k) savings portion of the Plan, eligible employees may contribute from one to one hundred percent of their compensation, as defined in the Plan. Contributions are subject to certain maximum dollar limitations as imposed by the IRS. The Company may make discretionary matching contributions of a percentage of employees' contributions. Employees may allocate all contributions made to their account between the various investment options.

   The Company may make a discretionary profit sharing contribution on behalf of eligible employees. Each eligible employee must receive the same amount under the discretionary profit sharing contribution. Participants may share in Company contributions provided that the following conditions are met: the participant is employed by the Company on the last day of the final pay period of the Plan year and the employee has completed 1,000 Hours of Service during the Plan year. The Company did not declare profit sharing contributions to the Plan for the years ended December 31, 2022 and 2021.

3. **Participants accounts.** Separate accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contribution, the Company's matching and profit sharing contributions and allocation of the Plan's earnings. Each participant's account is maintained on a daily valuation system. Net investment income is credited to each participant's account as either a dividend distribution or capital gain distribution on a daily basis.

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

4. **Vesting.** Participant contributions and related earnings are fully vested immediately. Participant interest in employer contributions are 25% vested after one year of service, 50% vested after two years of service, 75% vested after three years of service, and 100% vested after four years of service. Benefits attributable to each participant will become fully vested in the event of death, disability, normal retirement, the attainment of one hundred percent (100%) vesting, or the complete or partial termination of the Plan.

5. **Investment options.** Participants may choose among various investment funds in which his or her Company contribution is to be invested. All of the Plan's investment options are participant directed.

6. **Notes receivable from participants.** Participant loans are not permitted under the Plan.

7. **Payment of benefits.** Participants are eligible to receive a distribution of their account balance, to the extent vested, upon termination of employment, death or disability. Benefits are payable as a lump sum amount equal to the participant's entire interest in the Plan. Terminated employees with account balances greater than $5,000 may elect to keep their vested account balances in the Plan after termination. The net assets available for benefits as of December 31, 2022 and 2021 include vested account balances of terminated employees totaling $25,360 and $4,892, respectively.

8. **Forfeited Accounts.** Participants forfeit the unvested portion of their accounts upon receipt of entire vested distribution or after five consecutive one year breaks in service. Forfeitures are used first to restore matching and profit sharing accounts of rehired participants, with any remaining amounts used to reduce the Company's current matching and profit sharing contributions and administrative expenses as provided in the Plan. Forfeited non-vested accounts are transferred to the interest-bearing cash account until they are used. There were no forfeitures for the years ended December 31, 2022 or 2021. For the years ended December 31, 2022 and 2021, there were no forfeited non-vested accounts available to offset future Company matching and profit sharing contributions and the Company did not declare profit sharing contributions.

9. **Plan administration.** AdvisorTrust, Inc. ("AdvisorTrust") serves as the Plan's Trustee. The Company provides accounting and administration services to the Plan at no cost and pays contract administration fees and asset management fees. Administrative expenses totaling $812 and $4,961 for the years ended December 31, 2022 and 2021, respectively, were paid by the Plan. Administrative expenses paid by the Company totaled $33,000 and $5,000 for the years ended December 31, 2022 and 2021, respectively.

10. **Plan termination.** The Company anticipates and believes that the Plan will continue without interruption but reserves the right to terminate the Plan in whole or in part at any time. In the event of termination of the Plan, each participant would become fully vested to the extent of the balance in their account, and all accumulated Plan benefits would be disbursed to the participants.

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

11. **CARES Act.** On March 27, 2020, President Trump signed into law the CARES Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to Plan participants under the CARES Act and implemented the following provisions:

    - Waived the six-month suspension on elective deferrals following a hardship distribution

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting

The financial statements of the Plan have been prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

Investments in mutual funds are valued at fair value, measured by publicly quoted redemption prices at the close of each business day that the New York Stock Exchange is open. Investment income is recorded when earned.

Net depreciation in the fair value of investments consists of both realized and unrealized gains and losses. Realized gains and losses are measured as the difference between the historical cost of investments sold or redeemed during the year and the proceeds received from their sale or redemption. Unrealized gains and losses are measured as the difference between cost and fair market value at the beginning of the period and at the end of the period. Investment transactions are accounted for on a trade date basis.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Operating Payable

Amounts payable to participants totaling $70,871 and $37,398 for contributions in excess of amounts allowed by the IRS are recorded as accounts payable as of December 31, 2022 and 2021, respectively. The Plan recorded reductions to contributions for the years ended December 31, 2022 and 2021 in the amounts of $33,473 and $37,398, respectively. The Plan did not distribute the excess contributions for the years ended December 31, 2022 or 2021 prior to March 15, 2023 or 2022, respectively.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE OF PLAN ASSETS

The following financial data was certified as complete and accurate by the Trustee of Plan Assets of the Plan as of and for the year ended December 31, 2022 in accordance with Section 29 CFR 2520.103-5(c) of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

End of year	$ 300,814	$ 200,749

NOTE 4 - FEDERAL INCOME TAX STATUS

The Plan is a volume submitter plan offered by ftwilliam.com. The Company has not applied for a determination letter from the Internal Revenue Service. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

There were no party-in-interest transactions that are prohibited by the Employee Retirement Income Security Act of 1974 Section 406 and for which no statutory or administrative exemption exists.

NOTE 6 – RECONCILIATION WITH FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of:

	December 31, 2022	December 31, 2021
Net assets available for benefits per the financial statements	$ 232,413	$ 163,351

Contributions receivable - employer	(2,470)	157
Net increase in net asset available for benefits per Schedule H of Form 5500	$ 100,065	$ 131,862

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guidance included in ASC 820-10 "*Fair Value Measurements and Disclosures*" provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs):

Level 1 – The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 – Level 2 inputs are based on quoted prices for similar investments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. No Plan investments are classified under this level.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk. No Plan investments are classified under this level.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets as of:

	December 31, 2022			
	Level 1	Level 2	Level 3	Fair Value Measurements
Mutual funds	$ 299,241	$ -	$ -	$ 299,241

	December 31, 2021			
	Level 1	Level 2	Level 3	Fair Value Measurements
Mutual funds	$ 199,926	$ -	$ -	$ 199,926

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated by the Plan Sponsor through October 16, 2023, the date these financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in the current period financial statements.

INDEPENDENT AUDITOR'S REPORT

Plan Administrative Committee and Participants of
Harvest Landscape Enterprises, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Harvest Landscape Enterprises, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFE 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Harvest Landscape Enterprises, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harvest Landscape Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for at least one year following the date of this report.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administrating the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harvest Landscape Enterprises, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Harvest Landscape Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United Statements of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at end of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounts and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respected, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN

The Harvest Landscape Enterprises, Inc. 401(k) Plan (the "Plan") was adopted by Harvest Landscape Enterprises, Inc. (the "Company") on January 1, 2020, with contributions effective July 17, 2020. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** The Plan is a defined contribution plan covering substantially all employees of the Company except employees acquired in a Code Section 410(b)(6)(c) transaction until the transition period is over for all Plan purposes, who have met certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), and is administered by the Plan's Administrative Committee. The Plan is intended to be a qualified defined contribution plan that satisfies the requirements of section 401(k) of the Internal Revenue Code (the "Code"). Under the Code, participants are not liable for federal income taxes on employee contributions, Company contributions or Plan earnings until such time as they are partially or completely withdrawn from the Plan. The Company is a member of a controlled group including Sierra Vista Nursery, LLC and Schinhofen Leasing, LLC. Substantially all employees of the controlled group are covered under the plan, except employees acquired in a Code Section 410(b)(6)(c) transaction until the transition period is over for all Plan purposes, who have met certain eligibility requirements.

2. **Contributions.** Under the 401(k) savings portion of the Plan, eligible employees may contribute from one to one hundred percent of their compensation, as defined in the Plan. Contributions are subject to certain maximum dollar limitations as imposed by the IRS. The Company may make discretionary matching contributions of a percentage of employees' contributions. Employees may allocate all contributions made to their account between the various investment options.

   The Company may make a discretionary profit sharing contribution on behalf of eligible employees. Each eligible employee must receive the same amount under the discretionary profit sharing contribution. Participants may share in Company contributions provided that the following conditions are met: the participant is employed by the Company on the last day of the final pay period of the Plan year and the employee has completed 1,000 Hours of Service during the Plan year. The Company did not declare profit sharing contributions to the Plan for the years ended December 31, 2022 and 2021.

3. **Participants accounts.** Separate accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contribution, the Company's matching and profit sharing contributions and allocation of the Plan's earnings. Each participant's account is maintained on a daily valuation system. Net investment income is credited to each participant's account as either a dividend distribution or capital gain distribution on a daily basis.

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

4. **Vesting.** Participant contributions and related earnings are fully vested immediately. Participant interest in employer contributions are 25% vested after one year of service, 50% vested after two years of service, 75% vested after three years of service, and 100% vested after four years of service. Benefits attributable to each participant will become fully vested in the event of death, disability, normal retirement, the attainment of one hundred percent (100%) vesting, or the complete or partial termination of the Plan.

5. **Investment options.** Participants may choose among various investment funds in which his or her Company contribution is to be invested. All of the Plan's investment options are participant directed.

6. **Notes receivable from participants.** Participant loans are not permitted under the Plan.

7. **Payment of benefits.** Participants are eligible to receive a distribution of their account balance, to the extent vested, upon termination of employment, death or disability. Benefits are payable as a lump sum amount equal to the participant's entire interest in the Plan. Terminated employees with account balances greater than $5,000 may elect to keep their vested account balances in the Plan after termination. The net assets available for benefits as of December 31, 2022 and 2021 include vested account balances of terminated employees totaling $25,360 and $4,892, respectively.

8. **Forfeited Accounts.** Participants forfeit the unvested portion of their accounts upon receipt of entire vested distribution or after five consecutive one year breaks in service. Forfeitures are used first to restore matching and profit sharing accounts of rehired participants, with any remaining amounts used to reduce the Company's current matching and profit sharing contributions and administrative expenses as provided in the Plan. Forfeited non-vested accounts are transferred to the interest-bearing cash account until they are used. There were no forfeitures for the years ended December 31, 2022 or 2021. For the years ended December 31, 2022 and 2021, there were no forfeited non-vested accounts available to offset future Company matching and profit sharing contributions and the Company did not declare profit sharing contributions.

9. **Plan administration.** AdvisorTrust, Inc. ("AdvisorTrust") serves as the Plan's Trustee. The Company provides accounting and administration services to the Plan at no cost and pays contract administration fees and asset management fees. Administrative expenses totaling $812 and $4,961 for the years ended December 31, 2022 and 2021, respectively, were paid by the Plan. Administrative expenses paid by the Company totaled $33,000 and $5,000 for the years ended December 31, 2022 and 2021, respectively.

10. **Plan termination.** The Company anticipates and believes that the Plan will continue without interruption but reserves the right to terminate the Plan in whole or in part at any time. In the event of termination of the Plan, each participant would become fully vested to the extent of the balance in their account, and all accumulated Plan benefits would be disbursed to the participants.

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

11. **CARES Act.** On March 27, 2020, President Trump signed into law the CARES Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to Plan participants under the CARES Act and implemented the following provisions:

    - Waived the six-month suspension on elective deferrals following a hardship distribution

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting

The financial statements of the Plan have been prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

Investments in mutual funds are valued at fair value, measured by publicly quoted redemption prices at the close of each business day that the New York Stock Exchange is open. Investment income is recorded when earned.

Net depreciation in the fair value of investments consists of both realized and unrealized gains and losses. Realized gains and losses are measured as the difference between the historical cost of investments sold or redeemed during the year and the proceeds received from their sale or redemption. Unrealized gains and losses are measured as the difference between cost and fair market value at the beginning of the period and at the end of the period. Investment transactions are accounted for on a trade date basis.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Operating Payable

Amounts payable to participants totaling $70,871 and $37,398 for contributions in excess of amounts allowed by the IRS are recorded as accounts payable as of December 31, 2022 and 2021, respectively. The Plan recorded reductions to contributions for the years ended December 31, 2022 and 2021 in the amounts of $33,473 and $37,398, respectively. The Plan did not distribute the excess contributions for the years ended December 31, 2022 or 2021 prior to March 15, 2023 or 2022, respectively.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE OF PLAN ASSETS

The following financial data was certified as complete and accurate by the Trustee of Plan Assets of the Plan as of and for the year ended December 31, 2022 in accordance with Section 29 CFR 2520.103-5(c) of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

End of year	$ 300,814	$ 200,749

NOTE 4 - FEDERAL INCOME TAX STATUS

The Plan is a volume submitter plan offered by ftwilliam.com. The Company has not applied for a determination letter from the Internal Revenue Service. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

There were no party-in-interest transactions that are prohibited by the Employee Retirement Income Security Act of 1974 Section 406 and for which no statutory or administrative exemption exists.

NOTE 6 – RECONCILIATION WITH FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of:

	December 31, 2022	December 31, 2021
Net assets available for benefits per the financial statements	$ 232,413	$ 163,351

Contributions receivable - employer	(2,470)	157
Net increase in net asset available for benefits per Schedule H of Form 5500	$ 100,065	$ 131,862

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guidance included in ASC 820-10 "*Fair Value Measurements and Disclosures*" provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs):

Level 1 – The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 – Level 2 inputs are based on quoted prices for similar investments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. No Plan investments are classified under this level.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk. No Plan investments are classified under this level.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets as of:

	December 31, 2022			
	Level 1	Level 2	Level 3	Fair Value Measurements
Mutual funds	$ 299,241	$ -	$ -	$ 299,241

	December 31, 2021			
	Level 1	Level 2	Level 3	Fair Value Measurements
Mutual funds	$ 199,926	$ -	$ -	$ 199,926

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated by the Plan Sponsor through October 16, 2023, the date these financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in the current period financial statements.
