Audit & Risk Committee
Special Olympics, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Special Olympics, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Special Olympics, Inc. Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year auditor did not extend to any statement or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 19, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principals generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplement schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

SPECIAL OLYMPICS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Special Olympics, Inc. (the Organization) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan that was established by the Organization in 1974 to provide benefits to eligible employees. Through December 31, 2014, the Plan covered all employees of the Organization who had completed one year of service, worked 1,000 hours during the Plan year, reached age 21, and were employed on the last day of the Plan year. Per a Plan amendment effective January 1, 2015, employees hired on or after January 1, 2015 and who have reached age 21 are covered by the Plan. The Plan entry date for all employees is the first day of the month following the month in which all eligibility requirements are met. The Plan is subject to the provisions of ERISA.

The Audit & Risk Committee is responsible for oversight of the Plan. The Audit & Risk Committee determined the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Organization's Board of Directors.

Effective April 1, 2022, the Plan was amended and restated in accordance with certain regulatory updates. Plan provisions remained substantially unchanged.

The Plan was amended on November 29, 2022 to retroactively adopt certain CARES Act provisions, as required. This amendment has no significant impact on current Plan provisions.

Contributions: Prior to January 1, 2015, employee deferrals were not permitted by the Plan. Per a Plan amendment effective January 1, 2015, employees hired on or after January 1, 2015, once eligible, may make contributions up to 100% of their compensation to the Plan on a pre-tax or after-tax basis, as defined by the Plan and subject to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are invested in accordance with the participant's direction.

For employees hired before January 1, 2015, the Plan allows for a discretionary employer contribution, as defined by the Plan document, up to the amount allowable under current income tax regulations. The discretionary employer contribution was \$362,191, which was 8% of eligible compensation for the year ended December 31, 2022.

Per a Plan amendment effective January 1, 2015, the Organization is allowed to make discretionary matching contributions, as defined in the Plan and as approved by the Plan's trustees, for all eligible employees hired on or after January 1, 2015. During the years ended December 31, 2022, the Organization made matching contributions of 50% of the employee's elective deferrals up to 8% of the employee's eligible compensation, as defined by the Plan. The total discretionary employer matching contribution for the year ended December 31, 2022 was \$378,023. Employees hired before January 1, 2015 are not subject to the new provisions set forth in this Plan amendment and continue to only be eligible for the discretionary employer contribution discussed in the preceding paragraph.

SPECIAL OLYMPICS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Participant accounts: Each participant's account is credited with the participant's contributions, Plan earnings or losses, administrative expenses and an allocation of the Organization's contribution. Allocations are based on participant earnings, account balances, or specific plan transactions, as defined. Allocations of the Organization's contribution for employees hired before January 1, 2015 are based on participant compensation as defined in the Plan's provisions and allocations for employees hired on or after January 1, 2015 are based on participant deferrals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their salary deferral and rollover contributions and related earnings. Participants vest ratably and are fully vested in the employer's contributions and related earnings allocated to their account after five years of credited service.

Notes receivable from participants: The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at prime rate published in the Wall Street Journal on the first business day of the month in which the loan is originated, plus 1%. Interest rates on outstanding loans range from 4.25% to 5.75% as of December 31, 2022. The loans must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a primary residence. The specific terms and conditions of such loans are established by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of benefits: Upon retirement at normal retirement age, disability, or death, the participant or beneficiary will receive the benefits in a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments. The Plan allows for automatic lump sum distributions of participant vested account balances which do not exceed \$1,000 and allows separated employees to withdraw or rollover their vested account balances prior to retirement. The Plan allows for automatic distributions of participant vested account balances which are greater than \$1,000 but do not exceed \$5,000 to be rolled over to an individual retirement plan designated by the Plan administrator.

Forfeited accounts: Forfeitures of terminated participants' non-vested accounts are used to reduce the Organization's discretionary contributions or pay Plan administrative expenses. Forfeited non-vested accounts totaled \$25,730 and \$30,276 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, \$30,276 of forfeited non-vested accounts were used to offset 2021 Organization contributions remitted in 2022. The employer contribution receivable balance as of December 31, 2022 has been reduced by \$25,730, which is the amount of forfeited non-vested accounts available at December 31, 2022 to be used to fund the Organization contribution.

SPECIAL OLYMPICS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies

Basis of accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. The Plan Administrator believes all notes receivable from participants are collectible.

Payment of benefits: Benefits payments to participants are recorded when paid.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net depreciation in fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.

SPECIAL OLYMPICS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified by the Plan's Trustee

The following is a summary of the Plan's information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Empower Annuity Insurance Company of America (EAIC) on behalf of MassMutual under a power of attorney, and Empower Trust Company (ETC), the certifying entities. The Plan Administrator has obtained certifications from the certifying entities related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

	2022	2021
Investments, at fair value	\$ 12,542,656	\$ 14,491,232
Investments, at contract value	1,585,842	1,795,105
Notes receivable from participants	27,377	40,634
Net depreciation in fair value of investments	(3,312,397)	*
Dividends	558,402	*
Interest	25,922	*
Interest income on notes receivable from participants	1,826	*

*Information not required to be presented

Note 4. Guaranteed Investment Contract with Insurance Company

The Plan has a fully benefit-responsive contract with MassMutual. The account is backed by the entire general account assets of EAIC. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 or 2021 was \$1,585,842 and 1,795,105, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1% or more than 3%. Such interest rates are reviewed semi-annually for resetting.

SPECIAL OLYMPICS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Guaranteed Investment Contract with Insurance Company (Continued)

Certain events limit the Plan's ability to transact at contract value. Such event include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Note 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SPECIAL OLYMPICS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 5. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units held by the Plan at year-end. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 10,133,153	\$ -	\$ -	\$ 10,133,153
Money market fund	261	-	-	261
	<u>\$ 10,133,414</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,133,414</u>
Investments measured at net asset value (a)				2,409,242
Investments, at fair value				<u>\$ 12,542,656</u>
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 13,698,673	\$ -	\$ -	\$ 13,698,673
	<u>\$ 13,698,673</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,698,673</u>
Investments measured at net asset value (a)				792,559
Investments, at fair value				<u>\$ 14,491,232</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

SPECIAL OLYMPICS, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 6. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Empower (formerly MassMutual), and, therefore, these transactions qualify as party-in-interest transactions for which a statutory exemption applies.

EAIC is the recordkeeper as defined by the Plan and, therefore, transactions with EAIC qualify as party-in-interest transactions. For the year ended December 31, 2022, the Plan paid direct administrative fees of \$46,030 to EAIC.

Kestra Advisory Services, LLC (Kestra) is the investment advisor for the Plan and, therefore, transactions with Kestra qualify as party-in-interest transactions. For the year ended December 31, 2022, the Plan paid direct administrative fees of \$25,942 to Kestra.

Additionally, the Plan issues loans to participants, which are secured by the participants' accounts. These transactions are considered party-in-interest transactions.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 8. Tax Status

The Plan has adopted a defined contribution pre-approved plan sponsored by Empower Retirement, LLC. The defined contribution pre-approved plan has received an advisory letter from the IRS as to the defined contribution pre-approved plan's qualified status. The defined contribution pre-approved plan's advisory letter has been relied up on by the Plan. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
