MIDWEST TEAMSTERS MEMBER 401(k) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Midwest Teamsters Member
401(k) Plan
3001 Metro Drive, Suite 500
Bloomington, Minnesota 55425

Members of the Board:

Opinion

We have audited the accompanying financial statements of Midwest Teamsters Member 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MIDWEST TEAMSTERS MEMBER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The Midwest Teamsters Member 401(k) Plan (the "Plan") was established on March 1, 1998. The Plan is a multiemployer defined contribution retirement plan with 401(k) features. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

To be eligible to participate in the Plan, an individual must be a Teamster union member who works for an employer under the provisions of a collective bargaining or participation agreement. Participants who have attained 18 years of age are entitled to participate in the Plan as of the first weekly pay period of the next full calendar month following 90 days of employment in a covered position.

B. Contributions

Employer contributions are made to the Plan in accordance with the collective bargaining and participation agreements. Participants may also contribute to the Plan through tax-deferred salary deductions of eligible compensation, as defined in the Plan, up to the statutory maximum as determined by the Internal Revenue Code. Rollover and catch-up contributions are permitted.

C. Participant Accounts

Each participant's account is credited with employer contributions, Plan earnings or losses, any participant contributions, rollovers and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Investments of the Plan are participant directed.

D. Vesting

Participants are immediately 100% vested in employer contributions and any elective deferrals, plus actual earnings thereon.

E. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may receive the value of his or her account. In addition, a participant may request a distribution which shall be granted upon a determination of financial hardship.

Normal retirement age is 57.

F. Administration and Recordkeeping

The Plan is administered by Wilson-McShane Corporation for a monthly fee of \$2,800.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Administration and Recordkeeping (Continued)

Transamerica is responsible for recordkeeping duties and participants were charged a flat fee of \$15.25 per account, per quarter through October 31, 2022. Effective November 1, 2022 the Plan changed recordkeepers to Milliman and the fee decreased to \$13.50 per account, per quarter.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

D. Investment Valuation and Income Recognition

Investments held by an employee benefit plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under a contract, plus earnings, less participant withdrawals and administrative expenses.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are quoted prices in active markets.

Level 2 - Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 - Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at fair value, based on the inputs used to value them:

	<u>\$ 102,385,312</u>	<u>\$ 20,464</u>	<u>\$ -</u>	<u>\$ 102,405,776</u>

Level 1 investments consist of mutual funds valued based on quoted prices in an active market. Level 2 investments consist of cash and cash equivalents valued at amortized cost which approximates fair value.

The Plan maintains a fully benefit-responsive group annuity contract with Prudential through a Stable Value Fund. Contributions to the Stable Value Fund are maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. Prudential is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The Stable Value Fund meets fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan.

The Plan's ability to receive amounts due is dependent on Prudential's ability to meet its financial obligations. There are no reserves against contract value for credit loss. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Stable Value Fund. The Plan does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Mutual fund capital gains distributions are included in dividend income. Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

E. Tax-Exempt Status

No provision for federal income tax is made. The Plan received its latest notice of tax-exempt status on August 10, 2017. The Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Tax-Exempt Status (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Board of Trustees has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4 - RISK AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market and credit risk. Some estimated values may differ from values that would have been used had a ready market existed for the investment. Due to the level of risk associated with investments and the level of uncertainty with respect to the changes in the value of investments, it is reasonably possible that changes in risk in the near term would materially affect the amounts reported in the financial statements.

NOTE 5 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2022 and 2021 certain participating employers were late in remitting participant contributions to the Plan. According to Prohibited Transaction Exemption (PTE) 76-1, neither the failure of a participating employer to contribute to the Plan when the contribution is due, nor the failure of the Plan to collect such a delinquent contribution constitutes a prohibited transaction under code section 4975 if the Plan is making a systematic, reasonable, and diligent effort to collect delinquent contributions. The Plan has written procedures for the collection of delinquent contributions and assesses liquidating damages and interest in accordance with PTE 76-1. As such, the late participant contributions are not reported as a prohibited transaction. The total amount of known late participant contributions were \$24,230 and \$27,460, for the 2022 and 2021 Plan years, respectively.

NOTE 6 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2023 the date on which the financial statements were available to be issued. There were no material subsequent events which required recognition or additional disclosures in these financial statements.
