INDEPENDENT AUDITOR'S REPORT

Mr. Russel McNorton, Plan Administrator/Trustee
Jessup Manufactured Housing, LLC 401(k) Plan
Corpus Christi, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Jessup Manufactured Housing, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jessup Manufactured Housing, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jessup Manufactured Housing, LLC 401(k) Plan to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about of Jessup Manufactured Housing, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jessup Manufactured Housing, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jessup Manufactured Housing, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules listed in the Table of Contents as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JESSUP MANUFACTURED HOUSING, LLC
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A – DESCRIPTION OF THE PLAN

The following description of Jessup Manufactured Housing, LLC (the Company) 401(k) Plan (the Plan) is provided for general information purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees, except union employees and nonresident aliens, who meet eligibility requirements detailed in the plan document. The Plan contains an automatic enrollment feature once an employee becomes eligible. As detailed in the plan document, an employee becomes eligible to participate in the elective deferral, matching contributions, and employer profit sharing contributions with an age requirement of 21 and one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: In accordance with plan provisions, employer matching contributions are made on behalf of qualifying participants at the rate of 50% of participant's contributions. Additionally, the employer may make discretionary contributions to the plan on behalf of qualifying participants, determined and allocated annually. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan as listed in the schedule of assets (held at end of year). Participants can change the investment options previously elected, at any time. For the years ended December 31, 2022, and 2021, the Plan Sponsor remitted matching contributions of \$331,681 and \$258,645, respectively.

Active participants may contribute up to 90% of their pre-tax annual compensation, as defined in the plan document, not to exceed the maximum dollar amount as set forth by the Internal Revenue Code ("IRC"). Participants can change the contribution percentage they have previously elected at any time via the Plan's online portal. For the years ended December 31, 2022, and 2021, the maximum amount a participant can contribute on a before-tax or after-tax basis during the participant's taxable year is \$20,500 and \$19,500, respectively and in accordance with IRC Section 402(g)(3). For the years ended December 31, 2022, and 2021, the participant remitted contributions of \$820,684 and \$548,937, respectively.

All employees that are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the close of the plan year are eligible to make catch-up contributions in accordance with, and subject to the limitations of IRC Section 414(v). The maximum catch-up contribution that a participant may defer during the Plan's years ended December 31, 2022, and 2021 is \$6,500.

Participant Accounts: Each participant's account is credited with the participant's contribution and Plan Sponsor matching contributions, as well as allocations of the Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Benefits: Participants are immediately vested in their own contributions, rollover contributions, basic matching contributions, qualified non-elective contributions, and safe harbor matching contributions. The employer matching contributions and non-elective contributions account will vest based on years of vesting service in accordance with the following schedule:

Vesting Schedule	
<u>Years of Service</u>	<u>Percentage</u>
Less than 3	0%
3 or more	100%

NOTES TO FINANCIAL STATEMENTS – Continued

NOTE A – DESCRIPTION OF THE PLAN – Continued

Notes Receivable from Participants: Participants can borrow from their account balances with interest charged at a rate equal to the “prime rate” plus 1%, which remains in effect for the duration of the loan. The minimum loan is \$1,000 and the maximum loan is the lesser of 50% of the account value or \$50,000. The loans are secured by the participant’s account balance less any current outstanding loan balance. Principal and interest are paid ratably through payroll deductions. Participants may only have three loans outstanding at any time. As of December 31, 2022, and 2021, the Plan had note receivables from participants of \$112,902 and \$62,036 respectively.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, a partial lump-sum or receive required minimum installments distributions for a period of no more than your assumed life expectancy, but must begin withdrawing funds from his or her account upon attaining age 72. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

If the participant’s vested benefit in the Plan does not exceed \$1,000 at the time of termination of employment, the participant’s benefit may be distributed in a single lump-sum payment as soon as administratively feasible. If the participant’s vested benefit in the Plan exceeds \$1,000 but is less than \$5,000, the participant’s benefit must be distributed to an Individual Retirement Account or Annuity (“IRA”). If the participant’s vested benefit in the Plan exceeds \$5,000 at the time of termination of employment, the participant may elect to either maintain their account in the Plan, receive a lump-sum distribution or rollover their account balance into another individual retirement account. Participants may also withdraw their vested account balances at any time on or after the age of 59½, or upon retirement, death, or disability.

The Plan provides for participants withdrawals in the event of financial hardship. Financial hardships include the participant’s purchase or construction of a primary residence, medical or educational expenses, to prevent eviction or foreclosure of primary residence. The Sponsor must approve hardship withdrawals. If the Sponsor approves a hardship, the participant is ineligible to make contributions to the plan or receive employer matching contributions from the Sponsor for six months following distribution. Hardship withdrawals may only be made once per plan year and only from account funds which are 100% vested. Participant must also be employed with the Sponsor at the time of the hardship distribution.

Forfeited Accounts: Forfeitures of terminated participant’s nonvested employer contribution accounts are first to be applied to the payment of the Plan’s administrative expenses and any excess available to be allocated to the employer contribution accounts of the remaining participants to reduce employer contributions under the Plan. For the year ended December 31, 2022, forfeited accounts totaled \$54,125.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management’s Review: Subsequent events were evaluated through October 6, 2023, which is the date the financial statements were available to be issued.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting: The Plan’s financial statements are prepared using the accrual basis of accounting. Employee contributions are recognized as revenues in the period in which salaries are earned. Employer discretionary contributions are recognized as revenues in the period in which it is determined. Benefit payables are recognized when due and payable in accordance with terms of the Plan.

NOTES TO FINANCIAL STATEMENTS – Continued

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022, or 2021. If a participant ceases to make scheduled repayments and the Plan administrator deems the note receivable to be in default, the note receivable balance is reduced, and a benefit payment recorded.

Investments, Valuation and Income Recognition: Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. The Plan distributes the excess contributions prior to March 15 of the following year. For the year ended December 31, 2021, the plan distributed \$26,377 of the excess contributions to the applicable participants during 2022. For the year ended December 31, 2022, there were no excess contributions.

Payment of Benefits: Benefits paid are recorded when paid and totaled \$264,118 for the year ended December 31, 2022.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. For the year ended December 31, 2022, administrative expenses paid by the Plan totaled \$58,581.

Recently Issued Accounting Pronouncements Not Yet Adopted: Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of our fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 – Unadjusted quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Observable inputs to the valuation methodology are other than Level 1 inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

JESSUP MANUFACTURED HOUSING, LLC
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS – Continued

NOTE C – FAIR VALUE MEASUREMENTS – Continued

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstance that caused the transfer. For the years ended December 31, 2022, and 2021, there were no transfers in or out of levels 1, 2 or 3.

The Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels discussed as of December 31, 2022, and 2021, are as follows:

2022				
Plan Assets at Fair Value				
	Level 1	Level 2	Level 3	Total
Money Market		\$ 112,361		112,361
Mutual Funds	\$ 2,459,992			\$ 2,459,992
Pooled Separate Accounts				
Total	<u>\$ 2,459,992</u>	<u>\$ 112,361</u>		<u>\$ 2,572,353</u>

2021				
Plan Assets at Fair Value				
	Level 1	Level 2	Level 3	Total
Money Market		\$ 67,580		67,580
Mutual Funds	\$ 1,784,784			\$ 1,784,784
Pooled Separate Accounts		57		57
Total	<u>\$ 1,784,784</u>	<u>\$ 67,637</u>		<u>\$ 1,852,421</u>

Shares of mutual funds are categorized as Level 1. They are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. Money market and pooled separate accounts are categorized as Level 2. Money markets are valued at cost plus accrued interest. Pooled separate accounts are valued on allocated quoted market prices.

Realized and Unrealized Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022, and 2021 are reported in Net Appreciation in Fair Value of Investments.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination or complete discontinuance of contributions, participants would become 100% vested in their employer contribution.

NOTE E – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax exempt.

JESSUP MANUFACTURED HOUSING, LLC
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS – Continued

NOTE E – TAX STATUS – Continued

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax period in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in multiple investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE G – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE OF THE PLAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information reported by the trustee of the Plan. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate at December 31, 2022, and 2021, as follows:

	2022	2021
Statements of Net Assets Available for Benefits		
Money Market at Fair Value	\$ 112,361	\$ 67,580
Mutual Funds at Fair Value	2,459,992	1,784,784
Pooled Separate Accounts at Fair Value		57
Statement of Changes in Net Assets Available		
Net Depreciation in Fair Value of Investments	\$ (437,466)	
Interest and Dividends	51,582	
Interest Income on Note Receivables from Participants	2,795	

The Trustee of the Plan also certifies all investment balances and investment information in Note C, excluding the classification of investments by level.

NOTE H – PARTY-IN-INTEREST TRANSACTIONS

Net assets available for benefits include notes receivable from participants and investments managed by the Trustee at December 31, 2022, and 2021. As a result, these assets and all transactions relating to these assets qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA. For the year ended December 31, 2022, fees paid by the Plan to the Trustee for investment services totaled \$33,779.
