Independent Auditor's Report

To the Plan Administrator of
Suveto Buyer, LLC 401(k) Plan

Report on the Financial Statements

We have performed audits of the financial statements of Suveto Buyer, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held (At End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF THE PLAN

The following description of Suveto Buyer, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The plan is a defined contribution plan sponsored by Suveto Buyer, LLC (the Company) for the benefit of its employees. The Plan includes other adopting employers who are members of the same controlled group. Other adopting employers include Mallards Hance Veterinary, LLC dba Woodland Animal Hospital, Sunset Hance Veterinary, PLLC dba Sunset Boulevard Animal Clinic, Guide Dog Veterinary Management, LLC, Hance Mission Veterinary, Inc. dba Mercy Pet Clinic, Arrowhead Animal Hospital, PC dba Arrowhead Animal Hospital, Calico Veterinary Lending, LLC, Calico Veterinary Advisors, LLC, Arvada Vet, LLC dba Arvada Veterinary Hospital, AFPH, LLC dba Aspen Family Pet Hospital, Berthoud Animal Hospital, LLC dba Berthoud Animal Hospital, BLDR Vet, LLC dba Boulder Veterinary Hospital, BVH, LLC dba Broomfield Veterinary Hospital, FRVC, LLC dba Front Range Veterinary Clinic, LVC, LLC dba Laurel Veterinary Clinic, and Harbor Veterinary, LLC. Effective March 1, 2022, the Plan was restated to allow employees who are at least 21 years of age to be eligible to participate in the plan after completing 30 days of service. Prior to the restatement, employees were eligible to participate in salary deferral contributions and receive employer matching contributions on January 1st or the same day of the month occurring in each successive 3-month period after obtaining one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Principal Life Insurance Company is the Plan's custodian (Principal).

Contributions

Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined in the Plan, up to IRS maximum limits. Salary deferral contributions can be made on a pre-tax basis or directed towards a Roth (after-tax) account. Participants who are projected to be age 50 or older by the end of a calendar year may also make catch-up contributions. The Plan includes an automatic enrollment feature for those participants who do not specifically elect a percentage of pay, including zero, to defer. Employee rollover contributions are also permitted.

The Plan was amended effective January 1, 2021, and restated effective March 1, 2022, to allow for safe harbor contributions. The Employer will match 100% of each participants' contributions up to 4% of eligible compensation.

Participant Accounts

Investment account options available include various funds. Each participant has the option of directing their contributions into any of the funds offered by the Plan and may change the allocation daily. Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. DESCRIPTION OF THE PLAN - continued

Vesting and Forfeitures

Participants are vested immediately in their contributions and Company safe harbor contributions plus actual earnings thereon. Participants become fully vested in other Company contributions based on the schedule below or upon reaching normal retirement age as defined in the Plan document, death, or disability. Forfeited accounts can be used to reduce Company contributions or administrative expenses, at the discretion of the employer.

<u>Years of Vesting</u>	
<u>Service</u>	<u>Vested amount</u>
<2	0%
2 - 3	20%
3 - 4	40%
4 - 5	60%
5 - 6	80%
6+	100%

Notes Receivable from Participants

The Plan does not permit new loans, however the Administrator may, in a uniform and nondiscriminatory manner, accept rollovers of loans into the Plan. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions or paid directly by the participant. All loans are covered by promissory notes.

Payment of Benefits

If the vested portion of a participant's account does not exceed \$5,000, the participant's entire vested account shall be distributed as of the earliest of his retirement date, date of death, or date of termination. Accounts greater than \$1,000 but less than \$5,000 in value, unless elected differently by the participant or his beneficiaries, will be directly rolled over to an individual retirement account with an affiliate of Principal. Accounts less than \$1,000 in value will be paid out fully to the participant or his beneficiaries. If the account balance is greater than \$5,000, a participant can also choose to receive a lump-sum distribution, roll over their account to another qualified plan or individual retirement account, request a partial withdrawal, or defer receiving payments until age 70 ½. In-service distributions of fully vested accounts are permitted for participants reaching age 59 ½.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

B. SUMMARY OF ACCOUNTING POLICIES - continued

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of investment valuation.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Investment-related expenses are included in net depreciation in fair value of investments.

Reclassification

Prior-year financial statements have been reclassified to adjust contributions receivable from employer and contributions receivable from participants. This change had no impact on net assets available for benefits.

C. INFORMATION CERTIFIED BY PRINCIPAL

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021;

C. INFORMATION CERTIFIED BY PRINCIPAL - continued

- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022;
- Investment information included in the footnotes and on the supplemental schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

D. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

Investments held by the Plan include collective investment trust funds and pooled separate accounts. There have been no changes in the methodologies used to value collective investment trust funds and pooled separate accounts at December 31, 2021.

Collective investment trust funds and pooled separate accounts are stated at fair value as determined by the issuer of the collective investment trust funds and pooled separate accounts on the fair market value of the underlying investments, which is valued at net asset value (NAV) as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investments for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021:

Investment Category	Fair Value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
December 31, 2022				
Collective investment trust funds	\$11,157,143	n/a	Daily	n/a
Pooled separate accounts	2,551,898	n/a	Daily	n/a
	<u>\$13,709,041</u>			
December 31, 2021				
Collective investment trust funds	\$ 3,496,259	n/a	Daily	n/a
Pooled separate accounts	1,568,524	n/a	Daily	n/a
	<u>\$ 5,064,783</u>			

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

F. TAX STATUS

The Plan operates under a non-standardized adoption agreement in connection with a prototype basic savings plan sponsored by the Plan's third-party administrator. The Internal Revenue Service advised on June 30, 2020, that the prototype plan constitutes a qualified plan under section 401 of the Internal Revenue Code and that the related trust was tax exempt as of the financial statement date. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Generally accepted accounting principles requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income examination for tax returns filed more than three years ago.

G. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Rising inflation and international military conflicts have led to volatility in financial markets and have affected, and may continue to affect, the market price of the Plan's assets. The potential economic impact brought by, and the duration of these events is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

H. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

H. PARTY-IN-INTEREST TRANSACTIONS - continued

The Plan paid \$31,372 of administrative fees to Principal in 2022. The Plan incurs additional expenses related to general administration, record keeping and trust administration. These expenses and certain accounting and auditing fees related to the Plan are paid by the Company. The Company does not expect reimbursement from the Plan for these services. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

Certain plan investments are issued and managed by Principal. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

J. SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date of the independent auditor's report, which is the date the financial statements were available to be issued.
