INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
Retirement Plan of the I.B.E.W. Local 76 Retirement Trust:

Opinion

We have audited the financial statements of Retirement Plan of the I.B.E.W. Local 76 Retirement Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Retirement Plan of the I.B.E.W. Local 76 Retirement Trust as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Retirement Plan of the I.B.E.W. Local 76 Retirement Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retirement Plan of the I.B.E.W. Local 76 Retirement Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Retirement Plan of the I.B.E.W. Local 76 Retirement Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Plan of the I.B.E.W. Local 76 Retirement Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control -related matters that we identified during the audit.

Retirement Plan of The I.B.E.W. Local 76 Retirement Trust
Notes to Financial Statements
December 31, 2022 and 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation, Transactions and Income Recognition

General - Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Mutual Funds: The fair value of mutual funds is based on quoted prices in active markets (Level 1).

Collective Trust: The fair value of the NECA-IBEW Equity Index Fund has been estimated using the net asset value per share of the investment. The net asset value is being used as a practical expedient to estimate fair value. The Plan can redeem daily at net asset value. This investment is a direct filing entity with the Department of Labor; therefore, information regarding the investment's strategy is not disclosed. There were no unfunded commitments as of December 31, 2022 and 2021.

Pooled Separate Account: The fair value is determined by the insurance company based on the fair value of the underlying investments in the account, which consist of fixed-income securities (Level 2).

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Retirement Plan of The I.B.E.W. Local 76 Retirement Trust
Notes to Financial Statements
December 31, 2022 and 2021

Transactions and Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Employer and participant contributions due but not paid at year-end are recorded as employer contributions receivable and participant contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided. Contributions due as a result of payroll audits have been recorded net of an allowance equal to the amount due because collectability is uncertain. Therefore, delinquent contributions are recorded when received.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fee Credits

Fee rebates received by John Hancock Retirement Plan Services ("John Hancock"), the Plan's record keeper, in excess of their required fee revenue are refunded back to the Plan and recorded as investment income when earned. Revenue sharing income received by John Hancock is credited back to the individual participant accounts.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan invests in various investment securities. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

2. DESCRIPTION OF THE PLAN

The following description of Retirement Plan of the I.B.E.W. Local 76 Retirement Trust (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan was established in January 1981 as a defined contribution plan as a result of collective bargaining agreements between the union and various employers to provide retirement benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Effective January 1, 2018, the Plan was amended to change from a Money Purchase Plan to a 401(k) Safe Harbor Plan, as such terms are defined in Section 401(k) of the Internal Revenue Code. Effective January 1, 2018, a participant may elect to have their employer defer a designated amount of their pre-tax compensation into the participant's 401(k) account within the Plan. Employer contributions made on or after January 1, 2018, will be accounted for in the non-elective employer contribution account within the Plan.

Retirement Plan of The I.B.E.W. Local 76 Retirement Trust
Notes to Financial Statements
December 31, 2022 and 2021

Employer Contributions

Employer contributions to the Plan are based on hours worked by covered employees. The rate per hour is set by collective bargaining agreements.

Participant Contributions

Participants may elect to defer a flat dollar amount per hour (in one dollar increments to not more than \$6.00 per hour) of their compensation, not to exceed limits set by law. Effective January 1, 2018, the Plan was also amended to auto-enroll participants at a \$1.50-per-hour deferral rate if no affirmative election is made. Participants can elect to have benefits that were earned under another eligible retirement plan transferred or rolled over to their account under this Plan. Effective for all hours worked on or after June 1, 2020, the hourly deferral cap was increased to not more than \$8.00 per hour. Effective April 1, 2023, the hourly deferral cap was increased to not more than \$10.00 per hour for participants under age 50 and to \$13.00 per hour for participants age 50 and older.

Participant Accounts

Each participant's account is credited with the contributions paid on their behalf and any additional voluntary employee contributions and earnings on the investments in the participant's account. Each account will also be charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are vested immediately in all contributions and earnings thereon.

Benefits

Participants may receive a distribution from their account: (a) if age 62 has been attained and there have been no contributions to the participant's individual account for at least three consecutive months, or they are receiving a pension from the I.B.E.W. Pacific Coast Pension Fund; (b) if, regardless of age, no contributions have been made to the participant's account under the Plan for at least 12 consecutive months, and the participant is not working or seeking employment in the electrical industry (however, if the amount in their individual account is less than \$500 and there have been no contributions recorded in the past 12 months, their balance may be withdrawn); (c) in the event of a disability; (d) following attainment of age 70½, even though they continue to work (if they are a 5% owner of their employer or if they have retired, payment of their account will commence automatically at age 70½; effective January 2020, payment will automatically commence at age 72); or (e) upon their death, their account will be paid to their designated beneficiary in either a lump sum or an annuity, at the election of their beneficiary.

Investment Options

Contributions to the Plan are invested as directed by the participant in various investment options. Participants must evaluate their own investment goals and objectives and choose the investment options best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their balances to be lower than the amount contributed to the Plan on their behalf.

3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall apply the assets and shall distribute and allocate all assets of the trust in accordance with the provisions of the trust to pay, or provide for the payment of, any and all obligations of the trust and Plan. In no event shall any of the assets remaining be paid to or be recoverable by any employer or the union.

Retirement Plan of The I.B.E.W. Local 76 Retirement Trust
Notes to Financial Statements
December 31, 2022 and 2021

4. TAX STATUS

The Plan obtained its latest determination letter, dated August 7, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan's administrator and the Plan's legal counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate the tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. LATE PARTICIPANT CONTRIBUTIONS

According to Prohibited Transaction Exemption ("PTE") 76-1, neither the failure of a participating employer to make a contribution to the Plan when due nor the failure of the Plan to collect such a delinquent contribution constitutes a prohibited transaction under Code Section 4975 if the Plan is making a systematic, reasonable and diligent effort to collect delinquent contributions. The Plan has written procedures for the collection of delinquent contributions and assesses liquidating damages and interest in accordance with PTE 76-1. As such, the late participant contributions are not reported as a prohibited transaction. The total amount of known late participant contributions totaled \$21,272 for the year ended December 31, 2022. The total of late contributions for the year ended December 31, 2021 was \$15,455.

6. RECIPROCAL CONTRIBUTIONS

The Plan has Reciprocity Agreements with certain other funds. In accordance with these agreements, the Plan is required to remit funds received and is entitled to receive funds from participating employers on behalf of employees who are working outside of their local union jurisdiction.

For the years ended December 31, 2022 and 2021, the Plan paid \$723,751 and \$740,482, respectively, and received \$1,300,610 and \$954,577, respectively, of reciprocal cash payments in accordance with these agreements. Reciprocal contributions paid and received are included in the employer's contributions in the statements of changes in net assets available for benefits.

7. EXCESS CONTRIBUTIONS

For the year ended December 31, 2021, employer contributions included payments of \$354,648 made to return excess contributions as required to satisfy relevant nondiscrimination provisions of the Plan for the prior years. For the year ended December 31, 2022, there were no payments made to return excess contributions.

Total investments at fair value	\$ 221,620,383			

9. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2022, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 12, 2023, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

SUPPLEMENTARY INFORMATION

REPORT ON SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
Retirement Plan of the I.B.E.W. Local 76 Retirement Trust:

We have audited the financial statements of Retirement Plan of the I.B.E.W. Local 76 Retirement Trust for the year ended December 31, 2022, and have issued our report thereon dated October 12, 2023, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
