INDEPENDENT AUDITOR'S REPORT

To the Participants and Benefits Administration Committee of
Valent U.S.A. LLC 401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Valent U.S.A. LLC 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Valent U.S.A. LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Valent U.S.A. LLC 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Valent U.S.A. LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Valent U.S.A. LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Valent U.S.A. LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition

General

Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Registered investment company funds: Generally, the fair value of mutual funds is based on quoted market prices in active markets (Level 1). The money market mutual fund is valued at amortized cost, which approximates fair value (Level 2).

Common/collective trusts: The fair value of the units in the common/collective trusts is estimated based on the net asset value per unit of the investments. The net asset value is being used as a practical expedient to estimate fair value.

Participant-directed brokerage account: The participant-directed brokerage account held by Charles Schwab Trust Bank consists of various mutual funds, common and preferred stock, which are generally valued based on quoted prices in active markets (Level 1).

Valuation Methods, Consistency

The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Employer and participant contributions due and not paid prior to the year-end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Notes Receivable from Participants

Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Certain administrative services are provided to the Plan by Valent U.S.A. LLC (the "Company"), without charge. Participants are charged a minimal administrative fee by the Plan. During the years ended December 31, 2022 and 2021, the Plan's legal, accounting and investment consulting fees were paid by the Company. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Benefit Payments

Participant withdrawals and termination payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of investments and changes therein and their related disclosures in the financial statements. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in mutual funds, including a money market mutual fund; common/collective trusts; and other investment securities. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

2. DESCRIPTION OF THE PLAN

The following brief description of Valent U.S.A. LLC 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for more information.

Valent U.S.A. LLC 401(k) Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

General

The Plan is a defined contribution plan, which became effective September 16, 1991. The Plan was established to provide retirement benefits for eligible employees. The Company is the sponsoring employer of the Plan. Sumitomo Chemical of America, Inc.; Sumitomo Chemical Advanced Technologies LLC; and Valent Biosciences Corporation are participating employers of the Plan. Effective June 1, 2012, Sumika Polymers North America, Inc., was added as a participating employer of the Plan. Effective January 2, 2014, PACE International LLC also became a participating employer of the Plan. The Plan is financed by contributions from the participants and the employers and by the net earnings of the investments of the Plan. The Plan contains a deferred income arrangement intended to satisfy the requirements of Internal Revenue Code Sections 401(a) and 401(b). The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Effective January 1, 2012, the Plan was amended to become a "safe harbor" plan.

There is no service requirement and employees may begin participation on the first day of each month. The Plan was amended to automatically enroll employees who become eligible to make 401(k) contributions on or after January 1, 2016. The initial default percentage of 5% of eligible compensation will automatically be contributed unless an election is made at another rate or an election to opt out of participation in the Plan is received prior to enrollment.

Valent U.S.A. LLC is the administrator of the Plan. T. Rowe Price Trust Company (the "trustee") acts as trustee of the Plan and custodian of its assets.

Contributions

The amount of total compensation deferral may not exceed the limitation prescribed by law, which for the years ended December 31, 2022 and 2021, was \$20,500 and \$19,500, respectively. Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions in accordance with, and subject to, the legal limitation of the Internal Revenue Code (the "IRC"). The Plan provisions allow a participating company to make a safe harbor matching contribution equal to 100% of the participant's contribution, up to a maximum of 5% of the participant's pre-tax salary deferral. Matching contributions for the years ended December 31, 2022 and 2021, totaled \$3,946,725 and \$3,904,763, respectively. Matching contributions receivable for the years ended December 31, 2022 and 2021, totaled \$357,943 and \$336,801 respectively.

The Plan provisions allow a participating company to make a quarterly discretionary contribution based on the years of participation in the Plan. This discretionary contribution equals 1% of the eligible participating employee's annual compensation, with an increment of 1% every year, up to 5% maximum. Discretionary contributions for the years ended December 31, 2022 and 2021, totaled \$2,994,617 and \$2,636,295, respectively. Discretionary contributions receivable for the years ended December 31, 2022 and 2021, totaled \$744,678 and \$699,053, respectively.

The Company may make an additional discretionary contribution over and above the quarterly discretionary contribution discussed above. There were no additional discretionary contributions for the years ended December 31, 2022 and 2021.

Vesting

Participants are fully vested in their accounts as of the first day on which they participate in the Plan.

Valent U.S.A. LLC 401(k) Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Investment Options

Contributions to the Plan are invested, as directed by each participant, in various mutual funds or an individual brokerage account of self-directed investments. Participants must evaluate their own investment goals and objectives and choose the mutual funds or self-directed investments best suited to achieve those goals and objectives. The Plan also makes available to each participant an individual brokerage account for the purpose of investing the participant's account in a manner not restricted to the investment options selected by the Plan.

Poor investment performance by the mutual funds or self-directed investments selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution and Plan earnings. Allocations are based on participant account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes Receivable from Participants

The Plan contains a program that allows participants to borrow money from their account. The maximum borrowing amount is limited to the lesser of (1) \$50,000 reduced by the highest outstanding note balance in the previous 12 months, or (2) 50% of the participant's account balance in accordance with the loan policy. A participant may not request a borrowing for less than \$1,000. Only two borrowings per participant may be outstanding at any time. Participant notes must bear a reasonable rate of interest and are to be repaid through payroll deductions, in installments, over not more than five years. Interest will be charged based on rates tied to published indices. The rate in effect for the years ended December 31, 2022 and 2021, ranged from 4.25% to 6.50%. Outstanding participant notes at December 31, 2022 and 2021, had maturity dates ranging from January 2023 to October 2027, and January 2022 to December 2026, respectively. Participant notes are secured by the participant's vested account under the Plan. If a participant terminates employment, the note must be repaid within 30 days or will be treated as a total distribution to the participant of the unpaid note balance.

Payment of Benefits

Participants are entitled to receive the full value of their accounts upon termination of employment. Benefit payments are paid in lump-sum distributions. The participant is entitled to select the manner in which benefit payments are received, subject to the terms of the Plan. Distributions of account balances less than \$5,000 are made upon termination of employment.

3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. Benefits would be distributed to the participants and their beneficiaries as if the Plan had not been terminated.

4. TAX STATUS

The Company has adopted a non-standardized prototype plan document, which received an opinion letter from the Internal Revenue Service, dated August 19, 2020, indicating that the prototype plan is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended, the Company and the Plan's administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Notes to Financial Statements
December 31, 2022 and 2021

The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. INVESTMENTS AT FAIR VALUE HIERARCHY

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2022 and 2021, are as follows:

There were no unfunded commitments for the years ended December 31, 2022 and 2021.

(a) This investment is a direct filing entity with the Department of Labor; therefore, information regarding the investment's strategy is not disclosed.

7. FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by T. Rowe Price Trust Company, the trustee of the Plan, except for comparing such information to information included in the Plan's financial statements and supplemental schedule, as follows:

	<u>2022</u>	<u>2021</u>
Investments - at fair value	<u>\$ 206,163,656</u>	<u>\$ 257,733,123</u>

Net appreciation (depreciation) in fair value of investments	\$ (978,565)	\$ 641,770
Dividends and interest	\$ 57,793	\$ 42,258

8. PARTY-IN-INTEREST TRANSACTIONS

The T. Rowe Price mutual funds are managed by T. Rowe Price Trust Company, which is also the trustee of the Plan. Purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Additionally, notes receivable from participants are considered party-in-interest transactions.

9. SUBSEQUENT EVENTS

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2022, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 16, 2023, the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.
