Independent Auditors' Report

To the Trustees, Plan Administrator, and Participants of Wimberly Allison Tong & Goo, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wimberly Allison Tong & Goo, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4I - Schedule of Assets for the period ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - SUMMARY OF THE PLAN

Plan Description

The following description of the Wimberly Allison Tong & Goo, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was effective January 1, 1992 and qualifies as a defined contribution retirement Plan for WATG Holdings, Inc. (the “Company”). This Plan was established for the purpose of providing retirement benefits to eligible employees in accordance with the Plan. The Plan is intended to satisfy the provisions of Section 401(a) of the Internal Revenue Code (“IRC”) of 1986, as amended. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

The Plan is administered by the Company. Bank of America, N.A. is the trustee of the Plan.

Participant Eligibility

Each of the Company’s employees are eligible to participate in the Plan if they have completed three months of service and attained age 18. Once the eligibility requirements have been met, employees may enroll in the Plan on the first day of the following month. For the discretionary profit sharing contribution, employees must complete one thousand hours of service during the calendar year and be employed on December 31st to be eligible.

Contributions

The Company’s eligible employees may contribute up to the 402(g) limit with the exception of the highly compensated employees. The 402(g) limit for 2022 was \$20,500. In addition, all eligible employees who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions of up to \$6,500 for 2022 in accordance with, and subject to the limitations of, Code Section 414(v).

The Company may make a discretionary matching contribution and profit sharing contribution. For year ended December 31, 2022, the Company made discretionary matching contribution to each eligible Plan participant equal to 20% of the first 10% of participant’s contribution. For the year ended December 31, 2022, the matching contributions totaled \$235,430.

Participant Accounts

Each participant’s account is credited with the participant’s allocation of (a) the Company’s matching contribution, (b) the Company’s discretionary profit sharing contribution, (c) the participant’s contribution and, (d) Plan earnings. Contributions made on behalf of the participants are invested in various funds according to participant elections. Participants may change investment election at any time via internet access.

Forfeitures

Amounts forfeited from terminating participants' non-vested portion of their Company matching contribution account and Company discretionary profit sharing contribution account and earnings on Company contributions are used first to reduce administrative expenses, then to reduce matching and discretionary profit sharing contributions. At December 31, 2022 and 2021, there was \$12,772 and \$158,341 of forfeited non-vested accounts. During the year ended December 31, 2022, forfeitures of \$15,749 were applied against employer contributions and administrative expenses.

Payment of Benefits

Retired or terminated participants receive the vested portion of their Company contributions and earnings on their Company contributions and one hundred percent (100%) of their pre-tax contribution as soon as administratively possible following retirement, termination or upon becoming disabled. Benefits are recorded when paid.

Notes Receivable from Participants

A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. The notes must be repaid within 5 years, unless for the purchase of a primary residence. The notes are secured by the balance of the participant's account. Principal and interest is paid ratably through payroll deductions. All notes must be adequately secured and accrue interest at the current prime rate as of the date of the loan.

Hardship Distributions

A participant may elect a hardship distribution if it is deemed that the participant has an immediate and heavy financial need as described by the Plan. This distribution is subject to the applicable federal and state taxes and/or penalties.

During 2020, in-service withdrawals were expanded in connection with certain Plan amendments related to the CARES Act described below.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

CARES Act Amendments

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") became law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. During 2020, the Plan adopted the following provisions to the Plan for qualified individuals, those who themselves or whose spouse/dependent was diagnosed with COVID-19 or experienced adverse financial consequences due to COVID-19:

- In-service withdrawals of up to \$100,000 of vested balance available through December 31, 2020, after first taking all available loans from the Plan.
- A temporary additional loan and relaxation of current requirements for loans taken through September 22, 2020, based on the lesser of 50% of the vested account balance or \$50,000.
- A temporary allowance for employees to defer loan repayments through December 31, 2020 for one year.

Plan management intends to formally amend the Plan regarding the above provisions by the required deadline of December 31, 2025. If the Plan is not formally amended for the above provisions, it will not be in compliance with the IRC.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") and in accordance with the Plan agreement. A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows.

Accounting Estimates

The preparation of the financial statements in conformity with GAAP which require the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Expenses

The Plan pays recordkeeping, maintenance and service fees. Other Plan expenses are paid by the Company. Investment manager fees relating to self-directed accounts are paid from those participants' accounts. The Plan incurred \$26,449 in administrative fees during the year ended December 31, 2022.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Non-Discrimination for Employee and Employer Contributions

The Plan, as required by the IRC, performs annual tests between highly compensated participants versus non-highly compensated participants to ensure that highly compensated participants are not disproportionately favored under the Plan. The Plan also tests the matching calculations for the year. If the Plan fails the tests, it must refund excess deferral contributions or make a Qualified Non-Elective Contribution ("QNEC") for the non-highly compensated employees. Excess contributions that are refunded within two and a half months of the Plan year end are accrued as a liability on the statement of net assets available for benefits. For the year ended December 31, 2022, the Company made a QNEC accrual due from the Plan of \$19,296.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The mutual funds are recorded at market prices.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common collective trust: Valued based on the net asset value ("NAV") of an insurance company separate account on which the crediting rate is based and are classified as Level 1 investments. The underlying fixed income securities of the separate accounts are valued on the basis of valuation furnished by approved independent pricing services. These services determine valuations for normal institutional-size trading units of such securities using model or matrix pricing.

Money market funds: These investments have an object to earn interest for shareholders while maintaining a NAV of \$1 per share. The portfolio comprises short-term, or less than one year, securities representing high-quality, liquid debt and monetary instruments. The money market funds are held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded and are classified as Level 1 investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative costs and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. The current interest rates on existing loans are ranging from 3.25% to 5.5%.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - INFORMATION CERTIFIED BY PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. All of information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Bank of America, N.A. ("the Trustee").

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. If the Plan is terminated, all participants will be 100% vested in their account balances.

NOTE 5 - TAX STATUS

The Internal Revenue Service issued a determination letter dated December 31, 2018 stating that the Plan was designed in accordance with applicable IRC requirements as of that date. The Plan has been amended since receiving the determination letter.

However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Bank of America, N.A. Bank of America, N.A. is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions for which there is statutory exemption under ERISA.
