INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
IUE-CWA 401(k) Retirement Savings and
Security Plan

Opinion

We have audited the financial statements of the IUE-CWA 401(k) Retirement Savings and Security Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the IUE-CWA 401(k) Retirement Savings and Security Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the IUE-CWA 401(k) Retirement Savings and Security Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the IUE-CWA 401(k) Retirement Savings and Security Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the IUE-CWA 401(k) Retirement Savings and Security Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the IUE-CWA 401(k) Retirement Savings and Security Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions are presented for the purpose of additional analysis and is not a required part of the financial statements. The Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**IUE-CWA 401(k)
RETIREMENT SAVINGS AND SECURITY PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the IUE-CWA 401(k) Retirement Savings and Security Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General - The Plan is a defined-contribution plan maintained by the International Union of Electronic, Electrical, Salaried, Machine and Furniture Workers, AFL-CIO Communication Workers Division and contributing employers administered by the IUE-CWA Pension Fund (Fund Office). Participation is limited to employees of a contributing employer in covered employment after the completion of an employment probationary period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Transamerica Retirement Solutions, LLC is the Plan's custodian.

Contributions - The collective bargaining agreements between participating employers and IUE-CWA Local Unions determine the version of the Plan adopted by the employee. The versions are as follows:

- The employer makes all contributions. Employees are not required or permitted to contribute.
- The employer matches a portion or all employee contributions. Employee participation is voluntary.
- The employer matches a portion or all employee contributions. Employee participation is mandatory.
- The employer makes contributions at an established rate or rates and employees can voluntarily supplement these contributions.
- The employer makes no contributions. Employees have the right to contribute.

If the employer has agreed to make contributions, the rate of contribution is subject to collective bargaining.

Employee contributions must be of a pre-tax nature. Employee rollover and catch-up contributions are also permitted. Contributions are subject to certain limitations.

Contributions from 10 employers represented 58% of the total employer and employee contributions for the year ended December 31, 2022.

NOTE 1. DESCRIPTION OF PLAN (continued)

Participant Investment Account Options - Investment account options available include various funds. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts - Each participant's account is credited with the participant's contributions, the Contributing Employer's contribution and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus earnings thereon. Effective November 2000, vesting in the Contributing Employer's contribution portion of their accounts plus earnings thereon is immediately 100% vested.

Plan Benefits - Upon termination of service, retirement, death or disability, an employee or beneficiary may elect to receive either a lump-sum amount equal to the value of his account or annual installments. In-service withdrawals are permitted under circumstance provided by the Plan.

In April 2020, the Plan implemented Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provision for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to \$1,000,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Notes Receivable from Participants - The Plan Document includes provisions authorizing loans from the Plan to eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence), paid in substantially equal payments at least quarterly. Loan repayments shall be made monthly through direct billing from the third-party recordkeeper. Interest on the loans will be the prime rate plus one percent (1%), which is reset quarterly.

In April 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provisions for loan relief to delay certain required loan repayments for one year. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment contracts held by the defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Valuation of Investments and Income Recognition - The Plan's investments are stated at fair value, as determined by quoted market prices except for the investment in the unallocated insurance contract which is stated at contract value. See Note 9 for discussion of investment contract with insurance company and Note 8 for discussion of fair value measurements.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses.

Purchases and sales are recorded on a trade-date base. Dividends and interest income are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates - The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Membership Fee Income - Membership fees to pay administrative and investment expenses associated with the Plan are as follows:

- Administrative fees of \$7.50 quarterly per participant (total of \$30 per year).
- A quarterly recordkeeping fee equal to 11.25 basis points of the value of the participant's account (.125% of account balance) payable quarterly.

These fees are transferred to the administrative fund on a quarterly basis. As of December 31, 2022 and 2021, fees of \$75,125 and \$101,698, respectively, have been withheld from participants and are being held as unallocated assets in the Prudential Guaranteed Income Fund. These fees will be transferred to the administrative fund in 2023 and 2022.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

NOTE 3. PLAN TERMINATION

Although they have not expressed intent to do so, the Trustees have the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, each participant's rights will be nonforfeitable to the extent funded, after providing for any and all obligations of the Plan. Assets remaining in the Plan will be allocated among participants, and/or beneficiaries in such a manner as will, in their opinion, best effectuate the purpose of the Plan.

NOTE 4. TAX STATUS

The Plan is qualified under Section 401(a) of the Internal Revenue Code ("IRC") and the related trust is exempt from federal income tax under Section 501(a).

The Plan obtained its latest determination letter dated September 3, 2015, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. The Plan's legal counsel believes that the Plan is currently designed, and the Plan administrator believes that the Plan is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified, and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 67,980,747	\$ 80,959,104
Less; deemed distributed loans	<u>1,049,748</u>	<u>1,074,345</u>
Net assets available for benefits per Form 5500	<u><u>\$ 66,930,999</u></u>	<u><u>\$ 79,884,759</u></u>

NOTE 5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of benefits paid to participants per the financial statements for the years ended December 31, 2022 and 2021, to Form 5500:

	<u>2022</u>	<u>2021</u>
Benefits paid to participants per the financial statements	\$ 7,400,798	\$ 5,908,053
Plus: Net change in deemed distributed loans per Form 5500	<u>(24,597)</u>	<u>68,199</u>
Benefits paid per Form 5500	<u>\$ 7,376,201</u>	<u>\$ 5,976,252</u>

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as economic, interest rate, market and sector risks. Due to the level of risks associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 7. RELATED - PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan paid certain expenses related to the plan operations and investment activity to various service providers. Participant loads also qualify as party in interest transactions. These transactions are party-in-interest transactions under ERISA.

The Plan paid \$219,890 and \$270,985 in recordkeeping fess to the custodian during 2022 and 2021, respectively.

The plan is related to IUE-CWA Pension Plan. This related party administered the Plan and certain costs are shared between the plans. Shared costs are calculated by a ratio of a time study conducted twice during the Plan year. The total amount of shared costs recorded as an expense were \$133,689 and \$210,459 for the years ended December 31, 2022 and 2021, respectively.

NOTE 8. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

NOTE 8. FAIR VALUE MEASUREMENTS (continued)

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value, as well, as the general classification of such assets and liabilities pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual funds: Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. The Plan does not hold any Level 2 or Level 3 investments.

The following table presents assets and liabilities measured at fair value on a recurring basis at December 31, 2022:

	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 56,162,368	\$ 56,162,368	\$ -	\$ -
Total assets at fair value	<u>\$ 56,162,368</u>	<u>\$ 56,162,368</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 8. FAIR VALUE MEASUREMENTS (continued)

The following table presents assets and liabilities measured at fair value on a recurring basis at December 31, 2021:

	Fair Value Measurements at December 31, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 70,926,998	\$ 70,926,998	\$ -	\$ -
Total assets at fair value	<u>\$ 70,926,998</u>	<u>\$ 70,926,998</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 9. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The guaranteed investment fund is fully benefit-responsive; therefore, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment fund does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The following represents the disaggregation of contract value between types of investment contracts held by the Plan:

	2022	2021
Traditional investment contracts	<u>\$ 8,179,528</u>	<u>\$ 7,412,934</u>

NOTE 10. NONEXEMPT TRANSACTIONS

Participating employers are required to remit employee withholdings to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. The Plan considers all contributions not remitted within 10 business days to be delinquent. Contributions of \$1,351,676 and \$-0- were not remitted within the required time period for the years ended December 31, 2022 and 2021, respectively.

NOTE 11. CONTRACT ADMINISTRATION

The Plan has a contract with Zenith American Solutions (Zenith), a third-party administrator, to administer the Plan at a monthly rate of 13,500 effective January 1, 2022, \$14,000 effective January 1, 2023 and \$14,500 effective January 1, 2024. The agreement extends automatically thereafter in one year increments, without further action by either party unless terminated.

NOTE 12. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 16, 2023 which is the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
