Independent Auditors' Report

To the Trustees of
Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan

Opinion

We have audited the accompanying financial statements of Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions are presented for the purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following briefly describes the Allegany Rehabilitation Associates, Inc. 401(k) Retirement Plan (the Plan). The description is provided for general information purposes only. Participants should refer to the plan document or summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established January 1, 1984, as permitted under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is sponsored by Allegany Rehabilitation Associates, Inc. (the Employer). Employees who are 21 years of age and have completed one year or three months of service, as defined, are eligible to participate in the Plan.

Contributions

Participants may voluntarily elect to contribute from 1% to 15% of their annual compensation, as defined, subject to the maximum annual limitations as provided by the IRS. Participants who have attained the age of 50 before the close of the year shall be eligible to make catch-up contributions. The Employer will make matching contributions of a participant's deferrals up to 3%, at a rate of 233%.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contributions and (b) Plan earnings, and is charged with any investment or administrative fees. Allocations are based on participant earnings or account balances as defined by the Plan.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers thirty-nine mutual funds and an investment contract as investment options for participants.

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

Vesting

Participants are immediately 100% vested in amounts attributable to their own salary deferrals. Employer matching contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	20%
3	40%
4	60%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts at a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. T Rowe Price and Nationwide determined the rate of interest at the Prime Rate plus 1% for all loans. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the loans were used to purchase a principal residence, in which case the loan term may exceed five years.

Payments of Benefits

Benefits will be distributed in a single lump-sum payment for those participants with a vested benefit of \$5,000 or less. If a participants' vested balance exceeds \$5,000, a distribution may be received either in a single lump-sum or in installments over a period of not more than the participant's assumed life expectancy.

Administrative Expenses

Administrative expenses of maintaining the Plan are paid by the Employer, except for certain investment management fees and loan fees which are deducted directly from the participant's account.

Forfeited Accounts

Forfeited non-vested accounts amounted to \$23,559 and \$101,094 for the years ended December 31, 2022 and 2021, respectively. These forfeited amounts are included within the Federated Hermes Government Obligations Fund at December 31, 2022 and 2021. Such forfeitures will be allocated and used in accordance with the plan document. The amount of forfeitures for the years ended December 31, 2022 and 2021 were \$22,363 and \$8,091, respectively, of which \$100,105 and \$-0- were allocated and used by the Plan for the years ended December 31, 2022 and 2021, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of plan.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value, except for the fully benefit-responsive contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See note 3 for discussions of fair value measurements.

Purchases and sales of the mutual funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Parties in Interest

The following organizations are considered parties-in-interest based upon their relationship as services they provide to the Plan:

Allegany Rehabilitation Associates, Inc. – Plan Sponsor
Bryans & Gramuglia CPAs, LLC – Plan Audit Firm
DST Retirement Solutions, LLC – Third Party Administrator
T. Rowe Price – Custodian of Plan Assets (January 1, 2021 – December 27, 2021)
Nationwide Financial Services, Inc. – Custodian of Plan Assets (December 27, 2021 – December 31, 2022)

Known prohibited transactions between the Plan and the parties-in-interest are detailed in Note 7 for the years ended December 31, 2022 and 2021.

Date of Management's Review

Subsequent events were evaluated through October 16, 2023, the date which the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are not plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

3. FAIR VALUE MEASUREMENTS

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Fair Value Measurements at the End of the Reporting Period Using:

	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2022</u>		
Mutual funds	\$ <u>2,649,573</u>	\$ <u>2,649,573</u>
<u>December 31, 2021</u>		
Mutual funds	\$ <u>3,372,695</u>	\$ <u>3,372,695</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were no transfers between Levels 1, 2 and 3.

4. INVESTMENT CONTRACTS

The Plan had a fully benefit-responsive investment contract with Nationwide Financial Services, Inc. Nationwide Financial Services, Inc maintains the contributions in the Nationwide Fixed Select Contract. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. This investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan. The contract is included in the financial statements at contract value as reported to the Plan by Nationwide Financial Services, Inc. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the investment contract.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Nationwide. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Nationwide Fixed Select Contract Average yields during 2022:

Based on actual earnings	2.12%
Based on interest rate credited to participants	2.12%

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

6. TAX STATUS

The Plan received a favorable tax determination letter in March 2008 from the Internal Revenue Service (IRS) indicating that the features of the Plan conform with the requirements of Section 401(k) of the IRC and that the Plan is exempt from income taxes under provisions of Section 501(a) of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's legal counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

The Plan administrator had analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

7. PROHIBITED TRANSACTIONS

Delinquent deposits of participant contributions are identified on the 2022 Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. All delinquent deposits from 2021 and 2022 were made to the Plan prior to December 31, 2022. The insignificant lost earnings attributable to those delinquent contribution deposits have been determined, a corrective contribution has been made, and any applicable excise taxes have been calculated and paid subsequent to December 31, 2022. However, these corrective lost earnings were not accrued on these financial statements at December 31, 2022.

Going forward, corrective action is being developed to ensure the timely deposit of participant deferrals.
