Independent Auditors' Report

To the Plan Administrator, Trustees, and Participants
Branded Group Retirement Readiness 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Branded Group Retirement Readiness 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

- We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4I - Schedule of Assets as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters — 2021 Compiled Financial Statements

Management is responsible for the accompanying 2021 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related notes to the financial statements in accordance with the accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards of the AICPA. We did not audit or review the 2021 financial statements, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on the 2021 financial statements.

NOTE 1 - SUMMARY OF THE PLAN

Plan Description

The following description of the Branded Group Retirement Readiness 401(k) Plan (the "Plan") provides only general information about the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of the Branded Group, Inc. and its wholly owned subsidiaries (collectively, the "Company"), and was originally established on April 1, 2018 under the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is intended to satisfy the provisions of Section 401(a) of the Internal Revenue Code ("IRC") of 1986, as amended. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan administration

Branded Group, Inc. is the Plan's sponsor and serves as plan administrator. The Principal Trust Company ("Custodian") is the Plan's custodian and is responsible for monitoring investment activities and maintaining individual participant account balances. Empowerment Retirement LLC is the third-party administrator ("TPA") and performs as the Plan's record-keeper.

Tax status

The Plan is a prototype plan offered by the TPA. The Internal Revenue Service has determined and informed the TPA by letter that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Participant Eligibility

Each of the Company's employees is eligible to participate in the 401k Plan. In order to be eligible to receive an allocation of the discretionary employer contribution for the plan year, the employee must have been working with the Company for over 60 days. No age limits are applied.

Contributions

The Company's eligible employees may contribute up to the 402(g) limit and/or the Actual Deferral Percentage (ADP) test limit for highly compensated employees. The 402(g) limit for 2022 was $20,500. Participants may also rollover amounts representing distributions from other qualified plans. In addition, all eligible employees who have attained age 50 before the close of the Plan year shall be eligible to make catch-up contributions in accordance with, and subject to the limitations of, Code Section 414(v). For 2022, the maximum catch-up contribution limit was $6,500.

Eligible employees are automatically enrolled to defer 4% of their pay, unless participant choose a different amount. If the participant do not choose a different amount, the percentage a will be automatically increased each January by 1% up to maximum of 8%. Participant may make catch-up contributions in a taxable year if participant will be at least age 50 by end of that year. Catch-up contributions are 401(k) elective deferral contributions in excess of any limit on such contributions under the plan.

The Company may make a discretionary matching contribution. For the year ended December 31, 2022, the Company made matching contributions of 50% of the first 8% of employee elected deferrals to the Plan on behalf of all eligible employees totaling $191,089.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's allocation of (a) the participant's contribution, (b) rollover contribution from other qualified plans, (c) employer's matching contribution, and (d) Plan earnings. Contributions made on behalf of the participants are invested in various funds according to participant elections. Participants may change investment elections at any time via internet access with the Asset Custodian or submit election change forms to the Plan Administrator.

Investment Options

All accounts are invested in accordance with the terms of the Plan document and investment options elected by participants. Participants direct the investment of their contributions into various investments offered by the Plan.

Vesting

The plan also offers Employer Matching Contributions. Employee's "vested percentage" in their accounts attributable to matching contributions is determined under the following schedule. Employees will always, however, be 100% vested in their matching contributions if they are employed on or after their Normal Retirement Age or if they die or become disabled.

Vesting Schedule
Employer Matching Contributions

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Company contributions and related earnings become fully vested if the participant becomes permanently disabled or dies or reaches normal retirement age.

Notes receivable from participants

A participant may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of his or her vested account balance, reduced by any outstanding loan balance, if any during the one-year period ending on the day before your new loan is made, if less. The notes are secured by the balance of the participant's account. Principal and interest is paid ratably through payroll deductions.

The interest rate will be based on the rates available for similar loans from commercial lending institutions. The Loan Administrator periodically examines the rates such lenders are using. Once a loan is granted, the interest rate on that loan will not change. The current interest rates on existing loans are ranging from 5.25% to 10.5%.

Payment due dates and the length of the repayment period will be set out in the promissory note. Payments will be due at least quarterly. The repayment period won't be longer than five years.

If any amount remains unpaid for more than 90 days after due, the loan will be in default. Upon default, the entire principal balance and interest will become immediately due and payable. The amount of the outstanding loan will be treated as a distribution and will be taxable.

NOTE 1 - SUMMARY OF THE PLAN (CONTINUED)

Participants may borrow against their vested account balance at the discretion of the Plan Administrator subject to restrictions and limitations determined by the IRC. Repayment schedules for notes receivable from participants are as agreed upon by the participant and the Plan Administrator. Interest on notes receivable from participants is determined by the rates available for similar loans from commercial lending institutions. If any amount remains unpaid for more than 90 days after due, the loan will be in default. Upon default, the entire principal balance and interest will become immediately due and payable. The amount of the outstanding loan will be treated as a distribution and will be taxable to participant.

Forfeitures

Amounts forfeited from terminating participants' non-vested portion of their Company matching contribution account and earnings on Company contributions are used first to reduce administrative expenses, then to reduce matching contributions. The forfeitures account balance at December 31, 2022 and 2021 was $16,940 and $18,370, respectively.

Payment of Benefits

In the event of retirement, hardship, death, disability or termination, the participants or beneficiary may elect to receive a lump-sum payment, make a partial withdrawal, or rollover the balance in their account to an eligible retirement plan as soon as administratively possible. If upon termination, the participant has not elected to receive or rollover their balance and, if the balance does not exceed $5,000, the trustee will follow the Plan's provisions for a mandatory distribution.

Any withdrawals made prior to the participant attaining age 59½ for any reason are subject to a 10% penalty tax.

Hardship Distributions

A participant may elect a hardship distribution if it is deemed that the participant has an immediate and heavy financial need as described by the Plan. Any hardship withdrawals made prior to the participant attaining age 59½ will be subject to the applicable federal and states taxes and/or penalties.

During 2020, in-service withdrawals were expanded in connection with certain Plan amendments related to the CARES Act described below.

CARES Act Amendments

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") became law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. During 2020, the Plan adopted the following provisions to the Plan for qualified individuals, those who themselves or whose spouse/dependent was diagnosed with COVID-19 or experienced adverse financial consequences due to COVID-19:

- In-service withdrawals of up to $100,000 of vested balance available through December 31, 2020, after first taking all available loans from the Plan.
- A temporary additional loan and relaxation of current requirements for loans taken through September 22, 2020, based on the lesser of 50% of the vested account balance or $50,000.
- A temporary allowance for employees to defer loan repayments through December 31, 2020 for one year.

Plan management intends to formally amend the Plan regarding the above provisions by the required deadline of December 31, 2025. If the Plan is not formally amended for the above provisions, it will not be in compliance with the IRC.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows.

Accounting Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and deductions during the reporting period. Actual results could differ from estimates.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Administrative Expenses

A portion of the Plan's administrative expenses are absorbed by the Company. The Plan incurred $12,329 of administrative expenses during the year ended December 31, 2022.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments, bought and sold as well as held during the year. The mutual funds are recorded at quoted market prices.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Boards ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 investments.

Non-Discrimination for Employee and Employer Contributions

The Plan, as required by the IRC, performs annual tests between highly compensated participants versus non-highly compensated participants to ensure that highly compensated participants are not disproportionately favored under the Plan. If the Plan fails the tests, it must refund excess deferral contributions or make a Qualified Non-Elective Contribution ("QNEC") for the non-highly compensated employees. Excess contributions that are refunded within two and a half months of the Plan year end are accrued as a liability on the statement of net assets available for benefits. The Company made no QNEC for the year ended December 31, 2022.

NOTE 3 - FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	As of December 31, 2022			
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Assets:				
Mutual Funds	$ 1,584,079	$ -	$ -	$ 1,584,079

	As of December 31, 2021			
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Assets:				
Mutual Funds	$ 1,328,507	$ -	$ -	$ 1,328,507

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S ASSET CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. All of the information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, held at December 31, 2022, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodian of the Plan.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. If the Plan is terminated, all participants will be 100% vested in their account balances.

NOTE 6 - TAX STATUS

The Internal Revenue Service made a favorable determination in a letter dated June 30, 2020 stating that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Trustee, Plan sponsor and Plan administrator are not aware of any course of action or series of events that have occurred that would adversely affect the qualified status of the Plan. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments may be managed by Principal Trust Company. Principal Trust Company is the Asset Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions for which there is statutory exemption under ERISA.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated and determined that no other events have occurred subsequent to the date of the statement of net assets available for benefits through October 16, 2023, the date which the financial statements were available to be issued, which require recording or disclosure in these financial statements.
