INDEPENDENT AUDITORS' REPORT

To the Audit Committee of American National Standards Institute, Inc.,
as Sponsor of American National Standards Institute 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed the audit of the financial statements of American National Standards Institute 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 14, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN NATIONAL STANDARDS INSTITUTE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of American National Standards Institute 403(b) Plan (the “Plan”) provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan was effective December 1, 1985.

- A. **General** — The Plan is a defined contribution 403(b) retirement plan covering substantially all employees of the American National Standards Institute (the “Sponsor” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments. The Plan was restated and effective as of January 1, 2019.

A Plan amendment was executed on November 20, 2019 which was effective on January 1, 2020. The Plan signed a restated adoption agreement with Transamerica on the same day the Plan was amended which added the eligible employees of WorkCred, Inc., formed by American National Standards Institute, Inc. in July 2014, to the Plan.

A Plan amendment was executed on December 31, 2019 which was effective on February 1, 2020. The Plan signed a restated adoption agreement with Transamerica on the same day the Plan was amended. The amendment changed the early retirement age from 55 to 59 1/2.

A Plan amendment was executed on May 26, 2021 which was effective on July 1, 2021. The Plan signed a restated adoption agreement with Transamerica on the same day the Plan was amended to make changes to an existing automatic elective deferral feature under the Plan, increasing the maximum automatic percentage from 10% to 15%.

- B. **Custodians** — The Plan utilizes two custodians, Newport Trust Company (“Newport”), and State Street Bank and Trust Company (“State Street”) to hold assets of the Plan.
- C. **Eligibility** — All employees hired to work at least 1,000 hours per year are considered eligible to contribute their own money immediately upon their date of hire. The Plan includes an auto-enrollment provision whereby all newly eligible employees will become automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation which is automatically escalated by 1% per year up to 15%.

Eligible employees, who have completed three months of service, may begin receiving Employer matching contributions. There is no age limitation for participation in the Plan.

- D. **Contributions** — An employee who makes elective deferrals must complete a form electing an amount to be deducted each pay period. The Plan permits employees age 50 or older to make additional employee contributions up to the limit allowed under the Internal Revenue Service (“IRS”) rules. The Plan accepts eligible rollover distributions from another employer’s 403(b), governmental 457(b), qualified retirement, pension, profit-sharing plan or an individual IRA Rollover account.

The Sponsor matches 100% of employee elective deferrals and Roth contributions of up to the lesser of six percent or the amount allowed under the IRS rules. The Sponsor may make a discretionary nonelective contribution to the participants each Plan year. There was no employer discretionary contribution at December 31, 2022 and 2021. The Sponsor will make matching contributions on behalf of a participant who dies or incurs a disability while performing qualified military service.

- E. **Participant Accounts** — Each participant’s account is credited with the participant’s contribution and (a) the Sponsor’s contribution and (b) Plan earnings (reduced by fees). The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- F. **Vesting and Forfeitures** — The participant’s own contributions and Employer contributions are always fully and immediately vested. As all contributions for the participant are fully vested, there are no forfeitures in the Plan.

AMERICAN NATIONAL STANDARDS INSTITUTE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (Continued)

- G. **Notes Receivable from Participants** — A participant may request a loan based on the vested value of their individual account. Loans are subject to federal laws and Plan requirements. Loans may not exceed the lesser of \$50,000 or 50% of the value of the individual's vested account or be less than \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 7.00%. The loan interest rate is based on the rate available for similar loans from commercial lending institutions and is payable in installments over periods ranging from one to five years. Participant residential loans are payable in installments over periods ranging from one to 30 years. Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.
- H. **Payment of Benefits** — On termination of service due to severance of employment, death, disability, retirement, qualified reservist distribution or termination of the Plan, a participant, or their beneficiary in the case of death, may elect to receive a lump-sum amount equal to the value of the participant's vested account balance, or an annuity subject to the funding vehicle.
- I. **Hardship Distributions** — A participant is eligible for a hardship withdrawal if the participant has obtained all other currently available distributions under this Plan and it is deemed to be an immediate or heavy financial need of the participant for qualified medical expenses, purchase of a principal residence, qualified education expenses, to prevent eviction or foreclosure from a principal residence, burial or funeral costs of parents, spouse, children or dependents, and qualified expenses for the repair of a principal residence. The Plan was amended on January 1, 2019, permitting Safe Harbor Hardship withdrawals.
- J. **Administrative Expenses** — The Sponsor pays certain minor expenses related to the Plan. The administrative expenses charged by State Street and Newport are netted against investment income and amounted to approximately \$242,000 and \$277,000 for the years ended December 31, 2022 and 2021, respectively. Transamerica is the recordkeeper for the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** — The financial statements of the Plan are prepared on the accrual basis of accounting.
- B. **Use of Estimates** — The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Cash Reserve Account** — The cash reserve account is maintained and utilized by Transamerica for the deposits in excess of Employer contributions.
- D. **Investment Valuation and Income Recognition** — Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.
- Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- E. **Notes Receivable from Participants** — Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.
- F. **Other Income** — Other income represents servicing credits applied to the accounts of the participants. It results from Plan Sponsor deciding to pay Plan expenses, internal rate of return is projected to be greater than expected, or no outside payments or commissions are required.

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. **Payment of Benefits** — Benefits are recorded when paid.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As participants are fully vested in their accounts, there would be no forfeitures in the event the Plan is terminated.

NOTE 4 – INVESTMENTS AND NOTES RECEIVABLE – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES/CUSTODIANS AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by State Street and Newport as custodians of the Plan as of and for the years ended December 31, 2022 and 2021, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

Newport held the Plan's investment assets and executed investment transactions as of December 31, 2022 and 2021 and for the years then ended. State Street held the Plan's investment assets and executed investment transactions as of December 31, 2022 and 2021 and for the years then ended as an additional custodian.

The Plan assets included investments as follows as of December 31:

	<u>2022</u>	<u>2021</u>
Investments – at fair value	\$ 45,016,499	\$ 49,426,503
Total investments	<u>\$ 45,016,499</u>	<u>\$ 49,426,503</u>

Investments of the Plan are subject to market volatility conditions that could substantially change their carrying values in the near term.

Dividend income was \$793,084 and \$1,066,741 for the years ended December 31, 2022 and 2021, respectively.

Net investment income from the guaranteed investment accounts was \$58,452 and \$53,172 for the years ended December 31, 2022 and 2021, respectively. For the years ended December 31, 2022 and 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) (depreciated) appreciated in value by \$(8,489,498) and \$4,824,219, respectively.

Notes receivable from participants of \$642,668 and \$756,722 as of December 31, 2022 and 2021, respectively, and interest income on notes receivable from participants of \$24,093 and \$27,054 for the years ended December 31, 2022 and 2021, respectively, have also been certified by the custodians.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "Fair Value Measurements," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted

AMERICAN NATIONAL STANDARDS INSTITUTE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund custodians. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed Income Fund:

This is a Stable Value Group Annuity Income Fund issued by Prudential Retirement Insurance and Annuity Company ("PRIAC"). The amounts contributed to the contract are deposited in the PRIAC's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity income fund are insurance claims supported by the full faith and credit of PRIAC. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchase and sales) may occur daily. The Stable Value Group Annuity Income Fund includes a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined in the Stable Value Group Annuity Income Fund. The Stable Value Group Annuity Income Fund purchases insurance contracts which aim to provide price stability on a day-to-day basis. Because stable value funds insurance contracts usually prevent any fluctuations in the funds prices, these funds are insulated from interest-rate volatility and their duration is effectively zero. There are no significant redemption requirements.

Financial assets carried at fair value at December 31, 2022 are classified in the table as follows:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 38,520,525	\$ 38,520,525
Stable value fund reported at NAV		<u>6,495,974</u>
Total Investments		<u>\$ 45,016,499</u>

Financial assets carried at fair value at December 31, 2021 are classified in the table as follows:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 43,938,018	\$ 43,938,018

AMERICAN NATIONAL STANDARDS INSTITUTE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 6 – RELATED-PARTY TRANSACTIONS (PARTY-IN-INTEREST)

Certain Plan investments as of December 31, 2022 and 2021 are shares of mutual funds and a qualified fixed investment contract managed by Newport and State Street. State Street is a second custodian of the Plan which includes Vanguard funds; therefore, these transactions qualify as party-in-interest transactions. Transamerica is the recordkeeper of the Plan. Certain fees incurred by the Plan for administrative services for the years ended December 31, 2022 and 2021 were paid by the Plan Sponsor.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – INCOME TAX STATUS

On March 31, 2017, the IRS stated that volume submitter adopted by the Plan, as then designed, qualifies under Internal Revenue Code ("IRC") Section 401(a). The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a (liability) or asset or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.
