Independent Auditor's Report

To the Board of Trustees
Sunrise Detoxification Center, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sunrise Detoxification Center, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

The following description of the Sunrise Detoxification Center, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a volume submitter defined contribution profit sharing plan (“Volume Submitter Plan”) established effective January 1, 2012 and includes all the employees of Sunrise Detoxification Center, LLC or any affiliate who has adopted the Plan (collectively, the “Company” or “Employer”), who are age 18 years and older and have completed one consecutive month of service. Effective January 1, 2022, the Plan was restated to a Non-Standardized Pre-Approved Profit Sharing/401(k) Plan Non-Standardized Plan. In September 2022, the Plan was restated again and adopted a ADP, Inc. (“ADP”) Non-Standardized Plan.

The Plan is subject to the provisions of ERISA. The Board of Trustees is responsible for oversight of the Plan. Management of the Company determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees. Effective September 1, 2022, the Plan started the trustee transition from Nationwide Trust Company (“Nationwide”) to Reliance Trust Company (“Reliance”), which ultimately was completed on October 4, 2022. At the same time, ADP became the record keeper.

Effective September 1, 2022, the Plan was amended to increase the required service for eligibility from the completion of one consecutive month of service to the completion of three consecutive months and 250 hours of service.

Contributions

Each year participants may contribute an amount up to 100% of their pretax annual compensation, as defined in the Plan agreement. Effective September 1, 2022, the Plan was amended and decreased this contribution limitation from 100% of participants’ pretax annual compensation to 90% of their pretax annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”). Participants direct the investment of their contributions, Employer matching contributions and rollovers into various investment options offered by the Plan. The Plan accepts Roth elective deferrals made on behalf of participants.

Each year, the Company will make a matching contributions for all participating employees equal to 100% of the employee contributions that is not in excess of 1.5% of the participant’s compensation. Effective May 1, 2021, the Company amended its matching contribution formula by increasing the Company match amount to equal 100% of the employee contributions that is not in excess of 6%. Effective January 1, 2022, the Company amended and decreased its matching contribution formula to equal up to 100% of the participant’s compensation not to exceed 2.5% of participating employee compensation.

For the years ended December 31, 2022 and 2021, the Company made matching contributions of \$371,252 and \$707,453, respectively. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations. The Plan also provides for discretionary profit sharing contributions at the option of the Company. The Company did not make any profit sharing contributions for the years ended December 31, 2022 and 2021.

Note 1 – Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, and Company matching contributions, as well as an allocation of (a) the Company's discretionary profit sharing contribution, if any, (b) Plan earnings and losses, and (c) Plan administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Allocation of the Employer's discretionary profit sharing contribution is based on the ratio of the participant's compensation to total eligible compensation, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting of the Company's matching contributions, and discretionary profit sharing contributions are based on years of continuous service. However, if an active participant dies prior to attaining the normal retirement age, the participant's account becomes 100 percent vested.

A participant's vested interest in their matching contributions shall be determined in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Interest</u>
Less than 1	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 or more	100%

A participant's vested interest in their discretionary profit sharing contributions shall be determined in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Interest</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Forfeited Accounts

Forfeitures of non-vested accounts are used to reduce Plan expenses and/or contributions by the Company. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$106,917 and \$25,356, respectively. For the years ended December 31, 2022 and 2021, forfeitures of \$12,088 and \$3,867, respectively, were used to reduce Company contributions.

Payment of Benefits

On termination of service, including death, disability or retirement, a participant with a vested interest over \$5,000 may elect to receive either installment payments, partial withdrawals, or a lump-sum amount equal to the value of the participant's vested interest in his or her account. The participant becomes 100% vested in all accounts upon death, disability, or normal retirement.

Notes to Financial Statements
December 31, 2022 and 2021

Note 1 – Description of Plan (continued)

If the vested interest is \$5,000 or less, the account will be distributed in a single-sum payment or by direct rollover to an IRA or eligible retirement plan, even if the participant does not consent. Distributions are subject to the applicable provisions of the Plan agreement.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates of 4.25% to 7.25%, which is commensurate with the local prevailing rates. The loans must be repaid over a period not to exceed five years or ten years for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable are reclassified as distributions upon the occurrence of a distributable event based upon the terms of the Plan agreement.

Excess Participant Contributions Payable

The Plan failed the discrimination tests for the years ended December 31, 2022 and 2021. The amounts payable to participants for contributions in excess of amounts allowed by the IRS totaled \$9,995 and \$19,295 for 2022 and 2021, respectively, and are recorded as liabilities at December 31, 2022 and 2021, respectively. The Plan reimbursed the 2022 and 2021 excess contributions to the applicable participants in March 2023 and July 2022, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Company determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and custodians.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Defaulted loans recorded as benefit payments amounted to \$44,332 and \$18,765 for the years ended December 31, 2022 and 2021, respectively.

Note 2 – Summary of Significant Accounting Policies (continued)

Payments of Benefits

Benefits are recorded when paid by the Plan.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company as provided by the Plan agreement. Certain administrative expenses of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 3 – Information Prepared and Certified by Reliance and Nationwide

Certain information related to investments and reductions in notes receivable from participants is disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2022 and 2021 and net appreciation (depreciation) in the fair value of investments, interest for the years then ended, was obtained and derived from information supplied to the Plan administrator and certified as complete and accurate by Nationwide and Reliance, the trustees of the Plan. Reliance held the Plan's investment assets and executed investment transactions as of December 31, 2022, and for the period of October 4, 2022 to December 31, 2022, and Nationwide held the Plan's investment assets and executed investment transactions as of and for the year ended December 31, 2021, and for the period January 1, 2022 to October 3, 2022.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Reliance from October 4, 2022 to December 31, 2022:

Note 3 – Information Prepared and Certified by Reliance and Nationwide (continued)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Nationwide from January 1, 2021 to October 3, 2022:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds	\$ -	\$ 6,231,086
Notes receivable from participants	\$ -	\$ 141,260
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	\$ (1,394,469)	\$ 783,533
Interest income on notes receivable from participants	\$ 3,950	\$ 5,379

The assets of the Plan are invested at the direction of the participants in various investment funds at December 31, 2022 and 2021.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements
December 31, 2022 and 2021

Note 4 – Fair Value Measurements (continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund Invesco Stable Asset (“Stable Value Fund”): The Stable Value Fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Stable Value Fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value at December 31, 2022 and 2021:

Investments at Fair Value at December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,937,208	\$ -	\$ -	\$ 4,937,208
Investments measured at NAV (a)				161,817
Total investments at fair value				<u>\$ 5,099,025</u>

Investments at Fair Value at December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,231,086	\$ -	\$ -	\$ 6,231,086

- (a) In accordance with ASU 2015–07, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Notes to Financial Statements
December 31, 2022 and 2021

Note 4 – Fair Value Measurements (continued)

The following table summarizes the investments for which fair value is measured using NAV per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments whereas the redemption notice period is applicable to the Plan.

Fair Value Estimated Using Net Assets Value per Share December 31, 2022				
Description	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable Value Fund	\$ 161,817	\$ -	Daily	Daily

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their Employer contributions.

Note 6 – Tax Status

The ADP Non-Standardized Plan received a favorable opinion letter dated October 6, 2020, in which the IRS stated that the ADP Non-Standardized Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself and has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and thus believes that the Plan is qualified and the related trust is tax exempt. The Volume Submitter Plan obtained its latest determination letter March 16, 2010, in which the IRS stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable sections of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The trustee of the Plan has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, no uncertain positions are taken or are expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Related Party Transactions

Certain Plan investments are managed by Nationwide and Reliance, the custodians and trustees for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid by revenue sharing, rather than direct payment.

Sunrise Detoxification Center, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 7 – Related Party Transactions (continued)

The Plan made direct payments to Nationwide of \$58,481 and ADP of \$4,209 for the year ended December 31, 2022 and made directed payments to Nationwide of \$69,640 for the year ended December 31, 2021; which were not covered by revenue sharing. The Employer pays directly any other fees related to the Plan's operations.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

For the year ended December 31, 2021, the Plan did not maintain adequate fidelity bond coverage. Failure to have adequate fidelity bond coverage places the Plan at a risk for potential losses that would otherwise have been covered by having adequate fidelity bond coverage. The Plan maintained fidelity bond insurance of \$400,000 which was less than 10% of the beginning of the year plan assets. Management increased the Plan's fidelity bond coverage in September 2022 to \$500,000.

High inflation and interest rates, as well as other changes in economic and political events, resulted in increased volatility in financial markets. Because the values of the Plan's investments have and will fluctuate in response to these changing market conditions, the impact of this situation on the Plan (and the Company) and its future results and financial position is not presently determinable.

Note 9 – Untimely Participant Contributions

During the years ended December 31, 2022 and 2020, the Company failed to remit to the Plan's trustee certain participant contributions totaling \$274,769 and \$38,123, respectively, within the period prescribed by Department of Labor regulations. Management believes that the lost earnings due to the untimely remittances are not material to the Plan's financial statements. The Company intends to self-correct the 2022 and 2020 untimely participant contributions totaling \$312,892 and reimburse the Plan for lost interest in 2023.

Note 10 – Subsequent Events

The Plan has evaluated subsequent events for potential recognition or disclosure in the financial statements through October 16, 2023, the date the financial statements were available to be issued.

On April 28, 2023, the Company switched its third party administrator and trustee to Transamerica Retirement Services. Accordingly, all Plan assets were transferred as of this date.
