INDEPENDENT AUDITOR'S REPORT

To the Benefits Plan Administrative Committee of
Albert Einstein Healthcare Network Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Albert Einstein Healthcare Network Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Albert Einstein Healthcare Network Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the 2022 Audit of the Financial Statements section of our report. We are required to be independent of the Albert Einstein Healthcare Network Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Albert Einstein Healthcare Network Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Albert Einstein Healthcare Network Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Albert Einstein Healthcare Network Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplementary Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

An unmodified opinion was expressed on the financial statements of the Albert Einstein Healthcare Network Retirement Savings Plan for the year ended December 31, 2021 on December 23, 2022.

Albert Einstein Healthcare Network Retirement Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Albert Einstein Healthcare Network Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on April 1, 1995 (amended and restated effective January 28, 2021), established by the Albert Einstein Healthcare Network (the "Sponsor" or "Network"). The Plan meets the requirements of Section 403(b) of the Internal Revenue Code ("IRC") of 1986, as amended, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective September 14, 2018, the Network and Jefferson Health entered into a binding definitive agreement to merge, subject to state and regulatory clearances. Effective October 4, 2021, the Network and Thomas Jefferson University ("TJU") closed on their definitive agreement whereby TJU became the sole corporate member of the Network.

The assets of the Plan are maintained by Fidelity Management Trust Company ("FMTC"), Empower Annuity Insurance Company ("Empower"), Prudential Bank & Trust, FSB ("Prudential"), The Variable Annuity Life Insurance Company ("VALIC"), and Equitable Financial Life Insurance Company ("Equitable") (collectively, the "Custodians" of the Plan). The transactions are executed by the Plan's recordkeepers, FMTC, Empower, Prudential, VALIC and Equitable.

During 2022 and 2021, assets of \$127,337 and \$25,288 were transferred in from the Einstein Medical Center Montgomery Retirement Savings Plan, respectively.

Eligibility

All employees of the Sponsor, except employees that are eligible to participate in another plan of the employer that is a 401(k) plan, 403(b) plan or governmental 457(b) plan or leased employees, are eligible to participate in the Plan immediately upon hire and without age restrictions.

Contributions

Contributions to the Plan include pre-tax salary reduction contributions authorized by participants, Roth after-tax salary reduction contributions authorized by participants, matching contributions made by the Sponsor, and rollovers from participants from another qualified plan.

Participants may elect to contribute any percentage of their annual eligible compensation to their Plan accounts on a before-tax basis, subject to limitations established by the Internal Revenue Service ("IRS") and Roth after-tax contributions. Participants who have attained age 50 before the end of the plan year and made the maximum amount of elective deferrals for the year are eligible to make "age 50 catch-up contributions". Eligible participants are automatically enrolled in the Plan at a 5% deferral rate on employee's compensation. The Plan also has an auto escalation feature of an increase of 1% annually, up to a maximum of 10% of compensation, with respect to pre-tax elective deferrals and Roth after-tax contributions.

Albert Einstein Healthcare Network Retirement Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

The amount of the Sponsor's matching contribution is determined by its board of trustees. For the Plan years ended December 31, 2022 and 2021, the Sponsor provided for a fixed matching contribution equal to 20% of the participant's elective deferrals that do not exceed 4% of the participant's first \$50,000 of eligible compensation contributed to the Plan, subject to certain limitations. Maximum Sponsor matching contribution is \$400 per plan year and catch-up contributions shall not be eligible for employer contributions. Participants who earn more than \$100,000 annually are not eligible for the Sponsor's matching contribution. The participant must have completed 1,000 hours of service and be employed at year end to receive the Sponsor's matching contribution.

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, related matching contribution, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect from among the investment vehicles offered by the Plan to which contributions are directed on their behalf.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Effective July 1, 2017, any participant credited with an hour of service on or after July 1, 2017 will become 100% vested, regardless of their years of vesting service. Prior to July 1, 2017, participants became fully vested in the employer's matching and discretionary contribution portion of their accounts plus actual earnings after three years of service.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, participants may choose to receive the value of the vested interest in their account as a lump-sum distribution or an alternate method of payment depending upon the participant's election as prescribed by law. Participants with vested interest in their account under \$5,000 are subject to a mandatory distribution. Hardship withdrawals are also permitted, if certain criteria are met.

Rollovers

The Plan allows eligible participants to make rollover contributions from other qualified plans.

Forfeited Accounts

Forfeitures of non-vested employer contributions are used to reduce future employer contributions. For 2022 and 2021 the Plan used approximately \$0 and \$100,000, respectively, of forfeitures to reduce employer contributions. At December 31, 2022 and 2021, the forfeiture balance was \$38,730 and \$15,970, respectively.

Notes Receivable from Participants

At the discretion of, and subject to terms as set forth in the Plan, loans may be made to the participant of up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's total vested balance. In general repayment must be made over a period not to exceed five years, except for loans used to purchase a principal residence, in which case the repayment period may not exceed twenty years. Interest and principal repayments are credited directly to the borrower's respective account and are repaid in bi-weekly installments by payroll deductions for participant loans with active custodians. Inactive custodians send participants a quarterly invoice and participants submit their payments accordingly. Interest applicable to loans is specified by the Custodians as defined by the Plan, at the date the loan is approved. At December 31, 2022 and 2021, interest rates on outstanding loans ranged from 2.00% to 7.25%.

Albert Einstein Healthcare Network Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

If a participant fails to make a payment when the loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements include the fully benefit-responsive investment contracts and their related activity on a contract value basis (see Note 5).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of expenses during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments consists of realized gains or losses and unrealized appreciation or depreciation of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted participant loans are reclassified as distributions based upon the terms of the Plan document.

Payments of Benefits

Benefit payments are recorded when paid.

Albert Einstein Healthcare Network Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Administrative Expenses

All reasonable administrative expenses and custodian fees necessary to operate and administer the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Administrative expenses paid by the Sponsor are excluded from these financial statements. Custodians may charge a participant's account for the expense associated with a specific optional feature elected by that participant. Investment related expenses are included in net appreciation (depreciation) in fair value of investments and are not readily determinable. Certain other professional expenses of the Plan are offset through income generated from revenue sharing agreements.

3. INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2022, and therefore, as permitted, no auditing procedures were performed by the independent auditor with respect to the information certified by FMTC, Empower, AIG Retirement Services as representative for VALIC and Equitable, except for comparing the certified investment information to information included in the Plan's financial statements and supplemental schedule. The certifying entities have certified to the completeness and accuracy of the investments and notes receivable from participants reported in the accompanying statement of net assets available for benefits as of December 31, 2022 and the supplementary Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and notes receivable activity reported in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment of estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Albert Einstein Healthcare Network Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The shares of registered investment companies held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Pooled separate accounts are valued at the NAV or equivalent based on units of the pooled separate accounts. The NAV, as provided by the custodians, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV.

Self-directed Brokerage Accounts: Brokerage self-directed investments primarily consist of mutual funds that are valued at readily determinable quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 486,509,707	\$ -	\$ -	\$ 486,509,707
Self-directed brokerage accounts	18,343,464	-	-	18,343,464
Pooled separate accounts (*)	-	-	-	14,740,939
	<u>\$ 504,853,171</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 519,594,110</u>
	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 585,642,106	\$ -	\$ -	\$ 585,642,106
Self-directed brokerage accounts	23,742,280	-	-	23,742,280
Pooled separate accounts (*)	-	-	-	20,948,117
	<u>\$ 609,384,386</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 630,332,503</u>

(*) In accordance with fair value measurement guidance, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statements of net assets available for benefits.

Albert Einstein Healthcare Network Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following table sets forth disclosures for the fair value measurement of investments in certain entities that calculate NAV per share (or its equivalent) as of December 31, 2022 and 2021.

<u>Investment Type</u>	<u>Fair Value</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>December 31,</u>	<u>2021</u>			
	<u>2022</u>		<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Pooled separate accounts	\$ 14,740,939	\$ 20,948,117	\$ -	Daily	Daily

These investment vehicles are generally redeemable at NAV under agreements with the underlying investment vehicles and have no funding commitments. However, it is possible that these redemption rights may be restricted by these investment vehicles in the future in accordance with underlying agreements. Due to the nature of the investments held by the investment vehicles, changes in market conditions and the economic environment may significantly impact the NAV of the investment vehicles, and consequently, the fair value of the Plan's interest in the investment vehicles. Furthermore, changes in the liquidity provisions of the funds may significantly impact the fair value of the Plan's interest in the investment vehicles.

5. INVESTMENT CONTRACTS

At December 31, 2022 and 2021, the Plan holds traditional investment contracts through insurance company group annuity contracts of \$28,631,689 and \$27,383,053, respectively. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

With a traditional investment contract, the Plan owns only the contract itself. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers. Participants do not have contracts; instead, they have a beneficial interest in the group annuity contract of the Plan. There are not any specific securities in the general accounts of the insurance company that back the liabilities of these annuity contracts. The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specific period of time as outlined in the group annuity contracts. The contract issuers are contractually obligated to repay the principal and interest at a specified rate that is guaranteed to the Plan. The interest credited to the participants is generally reset quarterly. Inputs used to determine the crediting interest rate include each contract's portfolio market value, current yield to maturity, duration, and market value relative to contract value. Minimum interest rates range from 1% to 3%.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk or the contract issuer or otherwise.

Albert Einstein Healthcare Network Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Sponsor or other Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The insurance company group annuity contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks; such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual fund companies, pooled separate accounts and group annuity contracts managed by FMTC, Empower, Prudential, VALIC, and Equitable, the Custodians of the Plan. Accordingly, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investments.

FMTC or its affiliates generate income to the Plan through revenue sharing agreements. More specifically, FMTC or its affiliates may receive revenue from mutual fund service providers for services FMTC or its affiliates provide to the mutual funds. This revenue may be used to offset certain amounts owed to FMTC or its affiliates for administrative services to the Plan. If the revenue received by FMTC or its affiliates from such mutual fund service providers exceeds the amount owed as agreed to by FMTC and the Plan for administrative services, FMTC or its affiliates remit the excess to the Plan. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the years ended December 31, 2022 and 2021, the related amounts deposited into the Plan were approximately \$158,200 and \$159,400, respectively. As of December 31, 2022 and 2021, the Plan has \$122,193 and \$62,362, respectively, of such amounts in unallocated accounts. During 2022 and 2021, the Plan used \$100,000 and \$96,600, respectively, of the amounts deposited to pay administrative expenses of the Plan. The Plan or Plan Sponsor may make a payment to FMTC or its affiliates for administrative expenses not covered by revenue sharing.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated or upon complete discontinuance of contributions, the rights of the participants in the Plan at the date of termination or discontinuance shall be nonforfeitable.

Albert Einstein Healthcare Network Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

9. TAX STATUS

The Plan has adopted the Fidelity Workplace Services LLC 403(b) volume submitter plan. On August 7, 2017, Internal Revenue Service ("IRS") stated in an advisory letter that the volume submitter adopted by the Plan, as then designed, was in compliance with the applicable requirements of the IRC and therefore, the related trust is exempt from taxation. The Plan administrator believes that the Plan has been designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events occurring through October 16, 2023, the date the financial statements were available to be issued. Based on this evaluation, the Plan administrator has determined that no subsequent events have occurred which require adjustment to or disclosure in the financial statements.
