## **Report of Independent Certified Public Accountants**

To the Participants and Plan Administrator,  
L. Kang, Inc., 401(k) Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of L. Kang, Inc., 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Benefits (Modified Cash Basis) as of December 31, 2022 and 2021, and the related Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Reliance Trust Company, the Trustee of the Plan, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Notes 3, 4, and 5 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by Reliance Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Other Matter - Basis of Accounting***

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months from the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

### ***Auditor's Responsibilities for the Audit of the Financial Statements (continued)***

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at end of Year)*, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

***Other Matter - Supplemental Schedule Required by ERISA (continued)***

In forming our opinion on the supplemental schedule, we evaluate whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Reliance Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

L. Kang, Inc. (the “Company”) established the L. Kang, Inc., 401(k) Plan (the “Plan”) on January 1, 2015, for the exclusive benefit of all eligible employees and their beneficiaries. The following description of the Plan provides general information only. For a more complete description of the Plan’s provisions, Participants should refer to the Plan Agreement and Summary Plan Description.

General

The Plan is a defined contribution plan covering employees of the Company who are at least 18 years of age and have completed 1,000 hours of service within one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 90% of their eligible compensation or \$20,500 and \$19,500 for the calendar years ended December 31, 2022 and 2021, respectively, adjusted annually for the cost of living, plus an additional \$6,500 for employees age 50 and over for the calendar years ended December 31, 2022 and 2021. Such contributions are non-forfeitable and are credited to the individual account of the participant. The Company contributes a matching contribution equal to 100% of the first 1% of compensation deferred. The matching contributions were \$48,457 during the year ended December 31, 2022.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies as investment options for participants.

Additional profit-sharing amounts may be contributed at the option of the Company’s Management. Company contributions are subject to certain limitations.

Participant accounts

Each participant’s account is credited with the participant’s contributions and the Company’s matching or profit-sharing contributions; plus, an allocation based on each participant’s compensation and account balance of the Company’s profit-sharing contribution, forfeitures of terminated participants’ nonvested benefits, and the Plan’s net earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting

Employer profit-sharing and matching contributions vest 20% for each year of service after two years and are 100% vested after six years of service. The employees’ salary deferral and voluntary contribution accounts are always 100% vested.

Participant loans

Participants may borrow from their fund accounts, upon the approval of the Plan’s administrative committee, up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance, which is the amount limited under the Internal Revenue Code (“IRC”). Loans bear interest at 2% above the prime interest rate and carry a maximum maturity of five years. In cases where loans are used to acquire principal residences, the maturity may exceed five years. The full amount in each participant’s account is payable upon severance, normal retirement, disability, death, or termination of the Plan by the Company.

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Payment of benefits

The full amount in each participant's account is payable upon severance, normal retirement, disability, death, or termination of the Plan by the Company. Participants may elect to receive the entire value of their accounts in a lump sum or to another employer's tax qualified plan. Roth elective deferrals or Roth rollover contributions may only be rolled over to a Roth IRA or to a plan that provides for Roth contributions. Participants may withdraw all or a portion of their contributions upon a showing of financial hardship and compliance with other restrictions in the Plan.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Forfeitures are used to pay plan administrative expenses and reduce Company contributions. Forfeitures in the amount of \$3,261 were used to reduce Company contributions during the year ended December 31, 2022. There were no unused forfeitures during the years ended December 31, 2022 and 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies, consistently applied in the preparation of the accompanying financial statements are as follows:

Basis of accounting

The financial statements of the Plan have been prepared on the cash-basis of accounting, modified to record assets or liabilities with respect to cash transactions and events that provide a benefit or result in an obligation that covers a period greater than the period in which the cash transaction or event occurred. The modifications result in the recording of investments and related short-term term obligations on the Statement of Net Assets Available for Benefits (Modified Cash Basis).

This method of accounting represents a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). The modified cash basis of accounting differs from U.S. GAAP primarily because certain income and related assets (such as contributions not yet collected and other accrued assets and income) have been recognized when received rather than when earned and certain expenses and related liabilities (such as distributions not yet paid and other accrued liabilities and expenses) have been recognized when paid rather than when the obligations were incurred.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

Investments in registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments in common collective trust funds are valued based upon the redemption price of units held by the Plan, which is based on the current fair value of the common collective trust funds' underlying assets. Unit values are determined by the financial institution sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

The Plan holds the right to liquidate its positions in these common collective trust funds at any time, subject to a reasonable notification period. No unfunded commitments existed with respect to these common collective trust funds at December 31, 2022.

Participants loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent participant loans are deemed distributed if there is a failure to make regular loan repayments for more than one quarter in accordance with the IRC. No allowance for credit losses has been recorded as of December 31, 2022.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Plan is sponsored and administered by the Company. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. All administrative expenses are the responsibility of the Plan; however, the Company at its discretion may pay such expenses. On December 31, 2022 and 2021, the trustee of the Plan is Reliance Trust Company and ADP is the recordkeeper.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan has certified the completeness and accuracy of all investments reflected in the accompanying Statements of Net Assets Available for Plan Benefits (Modified Cash Basis) as of December 31, 2022 and 2021, and the related investment activity reflected in the accompanying Statement of Changes in Net Assets Available for Plan Benefits (Modified Cash Basis) for the year ended December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited)

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

*Registered investment companies:* Registered investment companies consist of mutual funds. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These securities are classified as Level 1.

*Common collective trusts:* The common collective trusts are valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited, continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

|                                           | Level 1             | Level 2     | Level 3     | Measured at<br>NAV | Total               |

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. Fees paid for recordkeeping services to ADP amounted to \$19,320 and \$1,503 for the years ended December 31, 2022 and 2021, respectively.

NOTE 6 – PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan ("full termination") subject to the provisions of ERISA. In the event of plan termination, termination with respect to a group or class of participants ("partial plan termination") or a partial discontinuance of contributions, the unvested portion of Company contributions for participants subject to such full termination, partial termination, or partial discontinuance will become fully vested and nonforfeitable.

NOTES TO THE FINANCIAL STATEMENTS  
(Modified Cash Basis) (continued)

December 31, 2022 and 2021

NOTE 7 – TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the Company by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan’s policy to recognize interest accrued related to underpayment of income taxes in interest expense and penalties in administrative expenses. The Plan has no uncertain tax positions as of December 31, 2022 and 2021.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statement of Net Assets Available for Benefits (Modified Cash Basis).

NOTE 9 – SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2022, financial statements for subsequent events through October 13, 2023, the date the financial statements were available to be issued and was not aware of any subsequent events that would require additional recognition or disclosure in the financial statements.
