## **Independent Auditor's Report**

To the Plan Administrator  
One Diversified Systems, LLC 401(k) Plan  
Kenilworth, NJ

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of One Diversified Systems, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of One Diversified Systems, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of One Diversified Systems, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about One Diversified Systems, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of One Diversified Systems, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about One Diversified Systems, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Supplemental Schedule Required by ERISA***

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of One Diversified Systems, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 14, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to Financial Statements

---

### Note 1: Description of Plan

The following description of the One Diversified Systems, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan was effective January 1, 1994. Effective January 1, 2015, the Plan was amended and restated to bring the Plan into compliance with the Pension Protection Act of 2006 ("PPA") and other legislative and regulatory changes, specifically the 6-year pre-approved plan restatement for Volume Submitter plans.

### Participation

Eligible employees of Diversified Video Systems, Diversified Media Group, Skyweb Digital Media, LLC, DiamondLyte, LLC, Technical Innovation, and The Systems Group, LLC (collectively "One Diversified" or the "Company") may participate in the Plan as of the entry date. During 2021, employees from Sensory Technologies, acquired by the Company, were able to transfer account balances into the Plan which resulted in \$6,311,640 of additional assets into the Plan. The entry date is considered the first day of the calendar quarter that is, or next follows, the date on which all applicable age and service requirements are satisfied. For elective salary deferrals, a participant becomes eligible on the participant's hire date. For the Company matching and profit sharing contributions, if any, a participant becomes eligible after completing 1,000 hours in a 12-month period and attaining age 21.

### Contributions

A participant may elect to defer a percentage of compensation up to the limits allowed by the Internal Revenue Service (IRS). The Plan allows participants to make pre-tax and/or Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2018, the Plan implemented an automatic contribution arrangement in which employees hired on or after January 1, 2018 will be automatically enrolled at a deferral rate of 3% of eligible compensation. The employer can make discretionary matching and profit sharing contributions to the Plan. For the year ended December 31, 2021, the Company made a discretionary matching contribution of 1.09% of eligible compensation.

Contributions are credited to individual accounts of each participant. The Plan allows participants to direct the investment of their contributions and the Company's contributions into various investment options.

### Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of Plan earnings or losses, expenses and the market value adjustments to Plan investments. Allocations are based on participant earnings or account balances, as defined.

### Vesting

Each participant is fully vested in the amount in his or her account attributed to any elective salary deferral contributions to the Plan. The portion of a participant's account balance attributed to the employer's discretionary contributions becomes vested at the rate of 20% per year over five years starting in the first year. Consequently, a participant is fully vested after five years.

### **Note 1: Description of Plan** (Continued)

#### **Notes Receivable from Participants**

Participants may borrow a total of the lesser of 50% of their vested account balance (\$1,000 minimum) or \$50,000. A maximum of two outstanding notes are permitted at one time per participant. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates were in the range of 3.25% and 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions.

#### **Payment of Benefits**

At retirement, a participant shall be entitled to receive the vested amount in his or her separate account. The Plan provides that distributions at retirement be made at the participant's option, either in one of several annuity options or in a lump-sum distribution. A participant's normal retirement age is 59-1/2 or the fifth anniversary from the date participation commenced, if later. Early retirement is not permitted.

Upon the death of a participant, the participant's account balance will be 100% vested and will be used to provide his or her beneficiary with a death benefit.

Upon termination, a participant shall be entitled to his or her vested interest in the amount credited to his or her account.

#### **Forfeitures**

The portion of a participant's account balance which is not vested upon termination of employment will be forfeited and may be used in future periods to pay for administrative expenses or employer contributions.

Forfeitures amounting to \$162,705 and \$89,173 at December 31, 2021 and 2020, respectively, were available for reduction of future administrative expenses or employer contributions. For the year ended December 31, 2021, \$191,150 of forfeitures were used to reduce employer contributions.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance

#### **Basis of Accounting** (Continued)

with accounting principles generally accepted in the United States (GAAP).

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amount of additions to and deductions from net assets during the reporting period. Actual results could differ from these estimates.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Notes Receivable From Participants**

Loans to participants are reported at their unpaid principal balances plus accrued interest. No allowance for uncollectible accounts was recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

#### **Plan Expenses**

Certain Plan expenses are paid by the Plan Sponsor. However, investment transaction fees are paid by the Plan.

#### **Expense Offset Arrangements**

Fees incurred by the Plan for investment management services or recordkeeping are included in the net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

### **Note 2: Summary of Significant Accounting Policies** (Continued)

#### **Subsequent Events**

The Plan has evaluated subsequent events through June 23, 2023, which is the date the financial statements were available to be issued.

The Plan sponsor approved the decision to merge the Plan with a related plan, HB Communications 401(k) Plan, into the existing plan at the beginning of the subsequent year, January 1, 2022.

#### **Excess Contributions Payable**

The Plan distributed excess contributions of \$39,378 to the applicable participants during 2021. The excess contributions were related to the Sensory Technologies plan that merged into the Plan on January 1, 2021. There were no excess contributions for the year ended December 31, 2021.

### **Note 3: Information Prepared and Certified by the Trustee**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan.

### **Note 4: Fair Value Measurements**

FASB's Accounting Standards Codification, ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.

# One Diversified Systems, LLC 401(k) Plan

## Notes to Financial Statements

---

### Note 4: Fair Value Measurements (Continued)

- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trust Funds:* Valued at the net asset value (NAV) of units of a bank common trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. This practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate full redemption of the common trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

### Note 4: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

### Note 5: Tax Status

The Plan adopted a non-standardized prototype profit sharing plan sponsored by Automatic Data Processing, which received an Opinion Letter from the Internal Revenue Service. The plan has been amended since the date of the letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

### Note 6: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Reliance Trust Company, the Trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants are also considered party-in-interest transactions exempt from the prohibited transactions rules.

## Notes to Financial Statements

---

### **Note 7: Risks and Uncertainties and Concentration of Investments**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2021 and 2020, one investment security represented 12% of Plan net assets.

### **Note 8: Plan Termination**

Although it has not expressed any intent to do so, the Company, and each participating employer, has the right under the Plan to discontinue its contributions at any time and to terminate its participation in the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

### **Note 9: Prohibited Transactions**

Under DOL Reg. 2510.3-102(b), the Plan is required to remit the employee contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Plan's general assets, but no later than the fifteenth business day of the month following the date that participant contributions are withheld by the Plan. As reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain contributions for payrolls during the plan year ended December 31, 2021, totaling \$46,561, were remitted outside the 15-day requirement were remitted in excess of the 15-day requirement. These transactions constitute a prohibited transaction as defined by ERISA.
