We have performed audits of the financial statements of CordeValle 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **CORDEVALLE 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

#### **A. Description of the Plan**

##### **General**

The following description of the CordeValle 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan description for a complete description of the Plan’s provisions. The Plan was adopted on January 1, 2000, and was most recently amended and restated effective April 1, 2023 (Note J). The Plan is sponsored by CordeValle L.P (the “Company”). The Plan is a defined contribution 401(k) plan and is subject to the provisions of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”). The CordeValle Investment Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance. The Company’s corporate offices are in San Martin, California.

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Effective January 1, 2021, the Plan was amended and restated. Pursuant to the restatement, the following plan provisions were updated: (a) the plan name was changed from the Rosewood CordeValle 401(k) Plan to the CordeValle 401(k) Plan; (b) the Plan sponsor was changed from Rosewood Hotels and Resorts, L.L.C. to CordeValle L.P; (c) the Plan began allowing discretionary employer profit-sharing and matching contributions which have the same eligibility requirements as safe harbor matching contributions; (d) the definition of eligible compensation was modified to exclude commission pay and include allowances, deferred compensation, severance pay, and benefits paid pursuant to any welfare plan; (e) the definition of covered employees was modified to exclude all collectively-bargained employees; (f) service crediting for employment with previously affiliated companies was removed; and (g) the definition of disability was modified.

##### **Eligibility**

The Plan allows employees to enroll in the Plan the first day of the month after the employee has completed 60 days of service and attainment of age 21. Certain classes of employees are excluded from participation in the Plan. Those exclusions include the following: (a) leased employees, (b) certain employees covered by a collective bargaining agreement, and (c) employees who are non-resident aliens.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **A. Description of the Plan – continued**

##### **Contributions**

Each year participants may contribute up to 100% of annual compensation as defined in the Plan on a pre-tax and/or after-tax basis. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified plans. Newly eligible employees are automatically enrolled on the first day of the month after meeting the Plan's eligibility requirements. Such employees will be deemed to have elected to contribute the automatic enrollment percentage, which is currently 3% of eligible compensation, unless elected otherwise, which automatically increases annually by 1%, not to exceed 10% of eligible compensation. This automatic increase deferral feature also applies to all other contributing participants with a deferral percentage of less than 6%, unless otherwise elected.

The Company will make safe harbor matching contributions for participants who have completed one year of eligible service and attainment of age 21 (as defined in the Plan), equal to 100% of the first 3% of the pre-tax or Roth salary deferral contributions, plus 50% of the next 2% of the pre-tax or Roth salary deferral contributions.

The Company may also make discretionary non-elective contributions to eligible employees as determined annually by the 401(k) Committee of the Plan. During the year ended December 31, 2022, the Company contributed \$65,953 in discretionary non-elective contributions to the Plan. There were no discretionary non-elective contributions contributed to the Plan during the year ended December 31, 2021.

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan.

##### **Participant Accounts**

Each participant's account is credited with the participant's contributions, safe harbor matching contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### A. Description of the Plan – continued

##### Vesting

Participants are vested immediately in their voluntary contributions and rollover contributions, plus actual earnings thereon. All safe harbor employer matching contributions are immediately 100% vested.

Vesting in the Company discretionary contribution portion of accounts, plus actual earnings thereon is as follows for contributions made prior to January 1, 2021:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year, but less than 2 years	50%
2 years, but less than 3 years	75%
3 years	100%

Vesting in the Company discretionary contribution portion of accounts, plus actual earnings thereon is as follows for contributions made after January 1, 2021:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year, but less than 2 years	20%
2 years, but less than 3 years	40%
3 years, but less than 4 year	60%
4 years, but less than 5 year	80%
5 years	100%

In the event of disability, early retirement, or death, the participant will become fully vested.

##### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) 50% of the vested account balance or (b) \$50,000 reduced by the highest outstanding loan balance during the twelve-month period prior to the date of the new loan. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. For the years ended December 31, 2022 and 2021, interest rates on outstanding loans ranged from 4.25% to 8.00% and 4.25% to 6.50%, respectively. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **A. Description of the Plan – continued**

##### **Benefit Payments**

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) related to burial or funeral expenses for the participant's deceased parent, spouse, children, primary beneficiary, or dependents; (6) related to casualty losses to the participant's principal residence; or (7) certain disaster events and casualty losses not associated with disasters.

##### **Forfeitures**

Forfeited balances of terminated participants' non-vested accounts are used to offset employer contributions and administrative expenses for the year. As of December 31, 2022 and 2021, forfeited non-vested amounts available to offset future Company contributions and Plan expenses were approximately \$8,500 and \$2,400, respectively. Forfeitures used to offset Company contributions during the years ended December 31, 2022 and 2021 were approximately \$1,100 and \$0, respectively.

##### **Investment Options**

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

##### **Plan Expenses**

The costs of administering the Plan are shared by the Company and the participants. In addition, some of the costs of administering the Plan may be paid from plan assets. Any plan administration fees that are actually deducted from participant accounts will be disclosed within the quarterly plan benefit statements. Any plan administration fees are in addition to any expenses of the underlying investment options available under the Plan. Administrative expenses relative to the Plan that are paid by the Company are excluded from these financial statements.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **B. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

##### **Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

##### **Contributions**

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

##### **Investment Valuation and Income**

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan’s valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

##### **Notes Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

##### **Payment of Benefits**

Benefits are recorded when paid.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- The money market fund is valued based on the short-term cash component as of the measurement date and classified within Level 1 of the valuation hierarchy.
- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.
- Common collective trusts – stable value funds are measured using the fair value reported by the Plan's third-party trustee and are classified within Level 2 of the valuation hierarchy. The common collective trusts are composed primarily of fully benefit-responsive investment contracts and are valued at the daily published Net Asset Value ("NAV") of \$1.00 per unit of the common collective trusts. There are no significant restrictions on redeeming these investments at NAV.
- The Plan's investments in common and collective trusts include the T. Rowe Price Retirement Dated Trusts Series ("Dated Trusts"), which hold fully benefit-responsive investment contracts. The Plan uses NAV (or equivalent) as a practical expedient to determine the fair value of the common and collective trust funds. The NAV's for the Dated Trusts are based on the fair value of the underlying investments held by the fund less their liabilities. The beneficial interest of each participant is represented by units. Redemption for the Dated Trusts is permitted daily with no other restrictions or notice periods and there are no unfunded commitments.

**CORDEVALLE 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**C. Fair Value Measurements – continued**

The following tables detail the Plan’s investments at fair value by level, within the fair value hierarchy, as of December 31, 2022 and 2021.

	<b>2022</b>		
	<b>Level 1</b>	<b>Level 2</b>	<b>Total</b>
Money market fund	\$ 8,519	\$ -	\$ 8,519
Common collective trusts – stable value funds	-	29,336	29,336
Mutual funds	532,116	-	532,116
<b>Total investments in fair value hierarchy</b>	<b>\$ 540,635</b>	<b>\$ 29,336</b>	<b>569,971</b>
Investments measured at NAV <sup>(a)</sup>			7,071,426
			<b>\$ 7,641,397</b>
	<b>2021</b>		
	<b>Level 1</b>	<b>Level 2</b>	<b>Total</b>
Money market fund	\$ 2,446	\$ -	\$ 2,446
Common collective trust – stable value funds	-	31,588	31,588
Mutual funds	660,170	-	660,170
<b>Total investments in fair value hierarchy</b>	<b>\$ 662,616</b>	<b>\$ 31,588</b>	<b>694,204</b>
Investments measured at NAV <sup>(a)</sup>			8,043,488
			<b>\$ 8,737,692</b>

<sup>(a)</sup> In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### C. Fair Value Measurements – continued

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Dated Trusts	\$ 7,071,426	N/A	Daily	90 days

  

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Dated Trusts	\$ 8,043,488	N/A	Daily	90 days

#### D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net realized and unrealized (losses) gains on investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Company, the trustee of the Plan.

#### E. Tax Status

Effective January 1, 2021, the Plan adopted the T. Rowe Price Retirement Plan Services, Inc. Pre-Approved Defined Contribution Plan which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated August 19, 2020. This advisory letter states that the form of the volume submitter plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **E. Tax Status – continued**

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **F. Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participants' accounts will become 100% vested.

#### **G. Parties-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Certain Plan investments are managed by the trustee. Investments managed by the trustee are considered party-in-interest transactions. Transactions in such investments, as well as notes receivable from participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA which are exempt from the prohibited transaction rules.

## CORDEVALLE 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022 and 2021, per the accompanying financial statements to the Form 5500:
