## **Independent Auditor's Report**

To the Participants and Administrator of  
Apkudo, Inc. 401(k) Profit Sharing Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2022 Financial Statements***

We have performed an audit of the financial statements of Apkudo, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the 2022 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – 2022 Supplemental Schedule Required by ERISA***

The supplemental schedule of the Plan, as listed in the accompanying index, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Report on the 2021 Compilation of Financial Statement***

Plan management is responsible for the accompanying 2021 financial statement of the Apkudo, Inc. 401(k) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on this financial statement.

If a participant is eligible to make contributions and reaches age 50 before the end of the Plan year, the participant may make catch-up pre-tax contributions totaling \$6,500. Aggregate limits as prescribed by the Internal Revenue Service (IRS) during 2022 were \$20,500 for participants under the age of fifty and \$27,000 for participants age fifty and older.

The Plan Sponsor is required to make a safe harbor matching contribution equal to 100% of salary deferrals up to 3% of each participant's Plan compensation, plus 50% of the participant's salary deferrals between 3% and 5%, for a maximum match of 4% of the participant's eligible compensation. During 2022, the Plan Sponsor made safe harbor matching contributions of \$411,149.

The Plan Sponsor may match, subject to limitations under the IRC, participants' pre-tax and Roth contributions of all participants in the Plan regardless of service completed during the Plan Year or employment status on the last day of the Plan Year. The Plan Sponsor may also make a discretionary non-elective contribution to all eligible participants who complete at least 500 hours of service during the Plan year except for participants terminated due to death, disability, or retirement. During 2022, the Plan Sponsor did not make any discretionary matching or non-elective contributions.

##### **Participant Accounts**

Each participant account is credited with pre-tax, Roth and rollover contributions made by the participant, the participant's portion of the Plan Sponsor's safe harbor match, discretionary matching contributions (if any), discretionary non-elective contributions (if any), and an allocation of the Plan's earnings or losses. Earnings, expenses, and gains and losses on investments are allocated based on account balances, as defined in the Plan Document.

##### **Administration**

Reliance Trust Company (Reliance or the Trustee) serves as Trustee of the Plan. The Trustee receives all contributions made under the Plan, holds plan assets and pays benefits to participants as directed by the Plan administrator, and assists in the administration of the Plan.

The Company serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. The Plan administrator engaged Automatic Data Processing, Inc (ADP), as a third-party administrator, to assist in the administration of the Plan (Note 7).

### **Administrative Expenses**

Administrative expenses of the Plan are paid out of the assets of the Plan unless paid by the Plan Sponsor, as defined in the Plan Document. These expenses include, but are not limited to, legal and accounting fees. However, individual transaction fees for withdrawals or notes receivable from participants are paid from the participant's account. A proportionate share of fees and expenses paid by the Plan are charged to each participant's account, as defined in the Plan Document.

### **Investment Options**

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options, including certain options for which the Trustee serves as an investment advisor, selected by the Plan administrator.

### **Vesting**

Participants are immediately vested in their contributions and the Plan Sponsor's safe harbor matching contributions plus actual earnings thereon. Participants' vesting in the Plan Sponsor's discretionary non-elective contributions, and income earned thereon, is based on years of service during which an employee completes at least 1,000 hours of service during the Plan year with the Plan Sponsor. The vesting percentages are as follows:

| <b>Years of Service</b> | <b>Percentage</b> |
|-------------------------|-------------------|
| 1                       | 25%               |
| 2                       | 50%               |
| 3                       | 75%               |
| 4 or more               | 100%              |

Participants also become 100% vested upon termination of the Plan, on reaching the normal retirement age of 65, or upon disability or death while an employee of the Plan Sponsor.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Document. Participants may borrow from their retirement accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable terms may not exceed five years, unless the loan is for the purchase of a primary residence for which longer payment term is permitted. Notes receivable from participants are limited to one outstanding note at a time, secured by the balance in the participant's account, and bear interest at a rate which is comparable to the rate a bank would charge on a similar loan. Interest rates charged on notes receivable from participants range from 5.25% to 7.50%. Generally, the principal and interest are repaid ratably through payroll deductions.

## **Benefits Paid to Participants and Withdrawals**

Upon normal retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution, installment payments, or partial withdrawals.

Participants withdrawing from the Plan due to termination of employment with the Plan Sponsor or attaining age 59 1/2, other than due to retirement, death or disability, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution. In general, if the participant's account balance, as defined in the Plan Agreement, is greater than \$5,000 (the involuntary cash-out amount), the account may not be distributed without the participant's consent. In addition, hardship withdrawals are only allowed on all accounts eligible for hardship (401(k) portion is net of earnings). Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to IRS penalties, unless transferred to another qualified Plan or individual retirement account.

## **Forfeitures**

Forfeitures of terminated employees' non-vested accounts are used to pay administrative expenses of the Plan or to reduce Plan Sponsor contributions. As of December 31, 2022, forfeitures of non-vested accounts totaled \$10.

## **Note 2: Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### **Investment Valuation**

The Plan's investments are reported at fair value, as reported by the Trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on a daily basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of the investments represents the change in fair value during the year, including realized and unrealized gains and losses.

### **Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

## Benefit Payments

Benefit payments to participants are recorded upon distribution.

### Note 3: Information Prepared and Certified by the Trustee of the Plan (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee, except for comparing such information to the information included in the Plan's financial statements and supplemental information:

|                                                                   | 2022         | 2021         |

### Note 4: Fair Value Measurements

The accounting standard for fair value measurements provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

- Level 1: Quoted prices for identical instruments in active markets at the measurement date. Investments that are listed on a United States securities exchange are valued at their last sales price on the largest United States securities exchange on which such securities have traded.
- Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active and model-derived valuation in which all significant inputs and significant value drivers are observable in active markets at the date and for the anticipated term of the instrument.
- Level 3: Valuation derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Mutual funds are valued at quoted market prices as provided by the Trustee. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of the mutual funds represents the change in fair value during the year, including realized and unrealized gains and losses.

*Common collective trusts:* The common collective trusts are stated at fair value as determined by the issuer of the common collective trusts based on the fair market value of the underlying investments, which are valued at the net asset value (NAV) of units of the common collective trusts.

The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the trusts will sell the investment for an amount different from the reported NAV. There are no unfunded commitments with respect to these investments and participant-directed purchases and redemptions may occur daily.

The methods described above may produce fair value calculations that may not be indicative for net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value:

Investments at fair value as of December 31, 2022:

|                              | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |

Investments at fair value as of December 31, 2021:

|                              | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |
|------------------------------|---------------------|----------------|----------------|---------------------|
| Mutual funds                 | \$ 2,306,915        | \$ -           | \$ -           | \$ 2,306,915        |
| Common collective trusts (a) | -                   | -              | -              | 347,630             |
| Investments at fair value    | <u>\$ 2,306,915</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 2,654,545</u> |

(a) In accordance with Subtopic Accounting Standards Codification 820-10, these investments were measured at NAV per share (or its equivalent) as a practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

## Note 5: Income Tax Status

The Plan Sponsor has adopted a prototype plan sponsored by ADP. The Plan obtained its latest determination letter on October 6, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Trustee believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

## Note 6: Reconciliation of Financial Statements to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements is as follows:

## **Note 7: Party-in-Interest Transactions**

The Trustee performs services for, sells products to, and manages and maintains certain investments of the Plan for which fees are charged to the Plan. In addition, the Plan incurs expenses for services provided by parties-in-interest related to investment consulting, accounting, legal and plan administration. Party-in-interest transactions also include notes receivable from participants. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

## **Note 8: Plan Termination**

Although it has expressed no intent to do so, the Company reserves the right to change or terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the value of each participant's account as of the date of termination shall immediately become non-forfeitable and fully vested.

## **Note 9: Subsequent Events**

The Plan has evaluated for subsequent events between the statement of net assets available for benefits date of December 31, 2022, and the report date, the date the financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
