INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Hillandale Gettysburg LP Employee Savings & Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hillandale Gettysburg LP Employee Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hillandale Gettysburg LP's Employee Savings & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hillandale Gettysburg LP Employee Savings & Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hillandale Gettysburg LP Employee Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hillandale Gettysburg LP Employee Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hillandale Gettysburg LP Employee Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Hillandale Gettysburg LP Employee Savings and Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Hillandale Gettysburg LP, and its related companies Hillandale Farms Conn, LLC., Hillandale Farms Ohio, LLC and Hillandale Farms Ohio, East, LLC (collectively, the "Company") who have completed six months of service and are age 21 or older. Effective July 2022, an eligible employee cannot be a resident from Puerto Rico or a nonresident alien. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective November 1, 2022 the Plan was amended to reduce the service time for eligibility to one month.

Effective October 25, 2022, the Retirement Savings 401(k) Plan for Hillandale Farms Companies transferred all assets of the Retirement Savings 401(k) Plan for Hillandale Farms Companies, an employee benefit plan, into the Plan in the amount of \$6,878,583. All funds are 100% vested and prior years of service is credited to the participant's account.

Contributions - Participants may contribute up to 50% of pre-tax and after-tax compensation, as defined in the Plan document, up to the annual limitation allowed by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company matches a safe harbor contribution of 100% of participant deferrals on the first 4% of the participants' base compensation as defined in the Plan document. The Company may also make a non-elective contribution to all eligible employees as defined in the Plan document. The Company did not make a non-elective contribution in 2022.

All participants who have attained age 50 before the close of the Plan year are eligible to make additional elective deferrals in accordance with, and subject to the limitations of, IRC Section 414(v).

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions and (b) Plan income and losses from investments. Income and losses are allocated to the participant's account at the end of each day. The allocation of each participant's income or losses for each day is based on the participant's account balance at the beginning of that day.

Investment Options - Participants may invest their voluntary contributions, rollover contributions and the Company's contributions plus actual earnings thereon into any of the investment options offered by the Plan. The participants may change their investment election for new contributions and existing balances daily.

**HILLANDALE GETTYSBURG LP
EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

Vesting - Participants are immediately vested in their voluntary contributions, rollover contributions and Company safe-harbor matching contributions plus actual earnings thereon. The Company's non-elective contributions are vested according to the following schedule:

<u>Period of Service</u>	<u>Percent Vested</u>
Less than 2 years	0%
At least 2 years, but less than 3 years	20%
At least 3 years, but less than 4 years	40%
At least 4 years, but less than 5 years	60%
At least 5 years, but less than 6 years	80%
6 or more years	100%

When a participant withdraws from the Plan, prior to becoming fully invested, the non-vested portion of the participant's account is forfeited and is used to reduce future employer contributions or to reduce administrative expenses, if any.

Payment of Benefits - A participant who has attained age 59½, has become disabled or has incurred a hardship (as defined in the Plan document) may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service or death.

Notes Receivable from Participants - The Plan document allows participants to borrow, subject to certain restrictions, against their vested account balance at the request of the participant. A participant may not borrow less than \$500, nor may a participant borrow more than the lesser of \$50,000 or 50% of any participant's current vested interest in his/her account.

Notes are repayable over a specified period not to exceed five years. If, however, the note is to be used for the purchase of a participant's principal residence, the note is repayable over a specified period not to exceed 30 years. Participants are allowed only one note at a time. The note will bear interest at a fixed rate on the date the note is granted, which is determined by the prime rate as published by The Wall Street Journal on the 14th of each month, plus two percentage points. The interest rate is effective for any notes processed as of the 16th day of the month. Notes are secured by the vested balance in the participant's account and are repaid through payroll deductions.

Plan Administration Expenses - Expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Forfeited Accounts - Forfeitures are used to reduce future employer contributions and administrative expenses incurred during the operation of the Plan, in accordance with the Plan's provisions.

HILLANDALE GETTYSBURG LP
EMPLOYEE SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net Appreciation or Depreciation in Fair Value of Investments - The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains and losses from sales of investments and the unrealized appreciation or depreciation on those investments.

Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent notes receivable from participants are recorded as a deemed distribution based upon the terms of the Plan document.

Payments of Benefits - Benefits are recorded when paid.

3. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation or depreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a

**HILLANDALE GETTYSBURG LP
EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The Plan invests in a variety of pooled separate accounts. Pooled separate accounts are presented at net asset value. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to require a 30 day notification in order to ensure that security liquidations will be carried out in an orderly business manner.

**HILLANDALE GETTYSBURG LP
EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

The Plan's investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2022 and 2021:

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at the statements of net assets available for benefits.

The following table summarizes the investment for which fair value is measured using net asset value per share practical expedient as of December 31, 2022 and 2021, respectively.

EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

6. TAX STATUS

The restated prototype plan from which the Plan was drafted has received a favorable determination from the IRS dated July 8, 2014. Effective July 2022, the non-standardized plan from which the Plan was drafted was restated and received a favorable determination letter from the IRS dated October 6, 2020. The Plan has been amended since receiving its determination letter. The plan administrator believes that the Plan, as amended, is designed to operate in accordance with all applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the IRC.

Accounting principles generally accepted in the United States of America requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee as defined by the Plan document. Transactions with the Trustee qualify as party-in-interest transactions. Any fees for investment management services are included in net appreciation or depreciation in fair value of the investments.

8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants will become fully vested and non-forfeitable, and assets will be allocated to each participant based on his/her respective account balance after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

10. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events in accordance with ASC Topic 855, Subsequent Events, through October 16, 2023, which is the date the financial statements were available to be issued. During its evaluation, the following subsequent event item was identified.

Effective April 1, 2023, the Plan signed a new amended and restated Plan Document in conjunction with its change of third party administrator to TransAmerica. All assets of the plan, in the amount of \$29,489,830, were transferred from ADP to TransAmerica as of May 31, 2023.

The new plan changed eligibility requirements from 1 month of service to sixty days of service. The Plan now also allows for additional discretionary matching of employee contributions. The amended plan also allows for distributions to be taken as insurance contracts, annuity contracts and participant loans.
