INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators of
First Western Bank & Trust 401(k)
Minot, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of First Western Bank & Trust 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First Western Bank & Trust 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First Western Bank & Trust 401(k) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Western Bank & Trust 401(k)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Western Bank & Trust 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Western Bank & Trust 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIRST WESTERN BANK & TRUST 401(K)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the First Western Bank & Trust 401(k) (Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a safe-harbor defined contribution plan covering all employees of First Western Bank & Trust (the Company) who are age twenty-one or older and have worked for the company for at least two consecutive months beginning January 1, 2021. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by the Company's trust department. The Company's trust department also served as the trustee of the Plan, maintained the records of the participant data, and held the Plan assets until December 1, 2022. Effective December 2, 2022, the trustee and recordkeeper for the plan changed to Matrix Trust Company and EPIC Advisors, respectively.

Contributions

Participants may contribute any percentage of their income, but they are restricted by the annual IRS limits. The Plan allows participants to allocate contributions between pretax and after tax (Roth 401(k)) deferrals. For the year ended December 31, 2021, the Company provided a safe harbor matching contribution equivalent to 100% of the participant's elective deferrals that did not exceed 4%. A plan amendment effective January 1, 2022, increased this safe harbor matching contribution to 5%. The Plan also provides for a discretionary profit-sharing feature, which requires one year of service to be eligible for this contribution.

Participants may make rollover contributions for amounts representing distributions from other qualified defined benefit plans, defined contribution plans, or individual retirement accounts.

Participant's Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contribution, and profit-sharing contribution, if any. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The Plan allows for participant-directed investment programs for which separate funds are maintained.

For the profit-sharing feature, the employer contributions are discretionary. When contributions are made, they are allocated among employees of the Company based on a level of compensation.

Participants' Investment Options

Participants must direct their salary deferral contributions and Company safe harbor matching and discretionary profit-sharing contributions, if any, to selected investments as offered by the Plan. Participants may change their investment options throughout the year by contacting the First Western Bank & Trust or EPIC Advisors.

FIRST WESTERN BANK & TRUST 401(K)
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants

Participants may borrow from their fund accounts in any amount greater than \$1,000 up to a maximum of \$50,000 or 50 percent of the participant's vested account balance, for a term not to exceed five years (fifteen years in cases where the loan proceeds are used to purchase the participant's principal residence). All loans shall bear an interest rate equal to the prime rate, as stated in the Wall Street Journal, plus 1%. Principal and interest are paid ratably during the year through payroll deductions and credited to the participant's account. All outstanding balances are due in their entirety upon the occurrence of a distributable event.

Vesting

Participants are immediately vested in their voluntary contributions and employer safe harbor matching contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account, a series of equal payments over a set period of time that does not exceed the participant's life expectancy, or a combination of lump-sum and installment payments. If the vested amount does not exceed \$1,000, the participant will receive a lump-sum distribution. Hardship distributions and in-service retirement distributions are also permitted for participants who have not separated from service. Participants must have attained age 59 ½ to qualify for in-service distributions. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 72.

Forfeitures

The non-vested portion of a paid participant's balance is used to reduce the employer's safe harbor matching contribution. At December 31, 2022 and 2021, there were unallocated assets, which consisted of forfeited non-vested accounts of \$497 and \$699, respectively. Forfeitures of \$202 and \$1,996 were used to offset employer contributions during the years ended December 31, 2022 and 2021, respectively.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America, ("GAAP"), as codified by the Financial Accounting Standards Board.

FIRST WESTERN BANK & TRUST 401(K)
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustees of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and is reflected in the statement of changes in net assets available for Plan benefits.

Payment of Benefits

Benefits to participants are recorded when paid.

Plan Expenses

The investment funds in the Plan are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements. Certain administrative expenses that are paid by the Company are not reflected in the accompanying financial statements.

Participants that are separated from service with the Company, but still maintain a balance in the Plan, are charged a quarterly fee against their funds in the Plan, which has been reflected as plan expenses on the statement of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021, respectively.

FIRST WESTERN BANK & TRUST 401(K)
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

Income Taxes

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The following information, included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees, First Western Bank & Trust and Matrix Trust Company.

<u>December 31, 2022</u>	<u>First Western Bank & Trust</u>	<u>Matrix Trust Company</u>

NOTE 4 FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means;
 - If the asset or liability has a specified (contractual) term the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Money market funds: Valued at cost plus any earned or accrued interest.

Certificates of deposit: Valued at cost plus any earned or accrued interest.

Mutual funds (including money market mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 32,426,609	\$ -	\$ -	\$ 32,426,609
Total assets at fair value	<u>\$ 32,426,609</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 32,426,609</u>

Assets at Fair Value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 772,821	\$ -	\$ -	\$ 772,821

NOTE 5 INCOME TAX STATUS

The Plan adopted a Non-Standardized Plan sponsored by EPIC Advisors. The non-standardized plan has received an opinion letter dated June 30, 2020, from the Internal Revenue Service as to the Plan's qualified status. The non-standardized plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken a significant uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 6 EXEMPT TRANSACTIONS WITH PARTY-IN-INTEREST

First Western Bank and Trust served as the Plan Sponsor, recordkeeper, and trustee for the Plan until December 1, 2022, when the recordkeeper and trustee changed to EPIC Advisors and Matrix Trust Company, respectively. The Plan held First Western Bank & Trust certificates of deposit and First Western Bank & Trust Money Market Funds as of December 31, 2021. These investments were sold during the transition to Matrix Trust Company during the year ended December 31, 2022.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2022 AND 2021

Participants that are separated from service with the Company, but still maintain a balance in the Plan are charged a quarterly fee by First Western Bank and Trust against their funds in the Plan. These fees totaled \$17,761 and \$24,589 for the years ended December 31, 2022 and 2021, respectively. Fees paid to EPIC Advisors for the year ended December 31, 2022 totaled \$2,249.

NOTE 7 PLAN TERMINATION AND AMENDMENTS

First Western Bank & Trust has the right to amend the Plan if it determines it is necessary or desirable to do so. Further, although the Company intends to continue the Plan, it reserves the right to terminate it. Any termination of the Plan is subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 8 RISKS AND UNCERTAINTIES

Participants direct the investment of their accounts into various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 SUBSEQUENT EVENTS

No significant events have occurred subsequent to the Plan's year end. Subsequent events have been evaluated through October 16, 2023, which is the date these financial statements were available to be issued.
