Independent Auditors' Report

To the Plan Administrator
BEVERLY HILLS PROPERTIES 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Beverly Hills Properties 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements (the Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with the auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BEVERLY HILLS PROPERTIES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Beverly Hills Properties 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established by Beverly Hills Properties (the Employer) on January 1, 2013. The Plan is administered by the Employer and certain members of management. The Plan covers all permanent, part-time, and full-time employees of the Employer. Employees become eligible when they have completed three months of service. The Plan entry date is the first day of the month following the eligibility of employee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees who elect to participate in the Plan may contribute from 1 to 90 percent of their annual compensation subject to certain limitations as prescribed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions or rollovers from other qualified defined benefit or defined contribution plans.

The Employer has adopted a 401(k) Safe Harbor provision to satisfy certain IRC requirements and eliminate the need for the Plan to perform certain annual nondiscrimination tests. Under the provision, the Employer has elected to make matching contributions to all participants equal to 100 percent on the first 3 percent and 50 percent on the next 2 percent of participant compensation deferred. The participants are immediately fully vested in these contributions.

The participant and Employer matching contributions are allocated into various investment options offered by the Plan as the participants direct.

Participant Accounts

Each participant's account is credited with the participant's contribution and share of the Employer contributions and Plan earnings net of certain investment and management fees. Allocations are based on participants' earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to the lesser of $50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12 month period, or 50 percent of their vested account balance. Loans are secured by the balance in the participant's account and bear a reasonable rate of interest, which is commensurate with local prevailing rates as determined by the plan administrator.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Withdrawals

The government places certain restrictions on withdrawals in order to retain the special tax-saving benefits associated with the Plan. The Plan allows withdrawals at retirement, disability, separation of service, or upon death. A withdrawal from a participant's account may be permitted if the participant has a financial hardship, subject to Internal Revenue Service (IRS) regulations. A participant's right to make deferrals will be suspended for six months after the receipt of a hardship withdrawal.

Vesting

Participants are immediately vested in their contributions and Employer safe harbor matching contributions, plus accumulated earnings thereon.

Benefit Payments

Upon termination of service due to retirement or permanent disability, a participant may elect to receive cash in one lump-sum payment or in installments equal to the value of the participant's vested interest in his or her account. If the vested benefits are $5,000 or less, the participant will automatically receive a lump-sum cash distribution. If vested benefits exceed $5,000, the participant may elect to keep their account in the Plan and maintain their account in any of the Plan investment options.

Forfeited Amounts

There were no forfeitures for the Plan year ended December 31, 2022.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

Coronavirus Aid Relief and Economic Security Act

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES" Act) was enacted on March 27, 2020. The CARES Act, among other benefits, provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan agreement. The Plan Administrator has adopted certain relief provisions included in the CARES Act including those related to hardship distributions, temporary suspension of the required minimum distributions, and participant loan deferment. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments and Valuation Techniques

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Mutual funds are valued at quoted market price which represents the net asset value of shares.

Net appreciation and depreciation in fair value of investments includes realized and unrealized gains and losses in investments sold or held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income from investments is recorded on the cash basis, which approximates the accrual method of accounting. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Expenses

Non-investment costs, primarily accounting and administrative expenses of the Plan are paid for by the Employer, which is a party-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions. Loan servicing costs and certain administrative fees are paid by the Plan or charged against Plan investment activities and are included in the statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active and inactive markets, inputs other than quoted prices that are observable for the asset or liability for substantially the full term of the financial instrument, and inputs that are derived from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

There have been no changes in methodologies used at December 31, 2022 and 2021.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of the Plan year ended:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,221,953	$ -	$ -	$ 4,221,953
Total investments at fair value	$ 4,221,953	$ -	$ -	$ 4,221,953

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,590,141	$ -	$ -	$ 4,590,141
Total investments at fair value	$ 4,590,141	$ -	$ -	$ 4,590,141

NOTE 4 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 5 - INFORMATION CERTIFIED BY TRUSTEES (unaudited)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and the notes receivable from participants reflected on the accompanying financial statements and supplemental schedule. The following is a summary of the information prepared and certified to by the trustee and furnished to the plan administrator as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

- Investments and notes receivable from participants as indicated on the Statements of Net Assets Available for Benefits and Note 3;
- Investment activity and information as indicated on the Statement of Changes in Net Assets Available for Benefits; and
- Supplemental Schedule of Assets (Held at End of Year).

NOTE 6 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	$ 4,329,355	$ 4,749,393
Participant contribution receivable	(22,252)	(23,687)
Employer contribution receivable	(6,379)	(11,474)
Net assets available for benefits per Schedule H of Form 5500	$ 4,300,724	$ 4,714,232

NOTE 6 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (continued)

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	$ (420,037)
Participant contribution receivable - prior year	23,687
Participant contribution receivable - current year	(22,252)
Employer contribution receivable - prior year	11,474
Employer contribution receivable - current year	(6,379)
Net decrease in net assets available for benefits per Schedule H of Form 5500	$ (413,507)

NOTE 7 - TAX STATUS

The Plan adopted a prototype 401(k) profit sharing plan (Prototype Plan) and conforms the operations of the Plan to the Prototype Plan. The Plan obtained its latest determination letter on July 8, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Employer believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 8 - SUBSEQUENT EVENT

The date to which events occurring after December 31, 2022 have been evaluated for possible adjustment to the financial statements or disclosure is October 13, 2023, the date on which the financial statements were issued.
