Independent Auditor's Report

To The Administrative Committee and Plan Participants of the
Cache Valley Bank Employee 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cache Valley Bank Employee 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cache Valley Bank Employee 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the banks or similar institutions or insurance carriers in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained a certification from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to in the first paragraph of this report related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cache Valley Bank Employee 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cache Valley Bank Employee 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cache Valley Bank Employee 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cache Valley Bank Employee 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedules Required by ERISA

The supplementary schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Cache Valley Bank Employee 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 – Plan Description

The following brief description of the Cache Valley Bank (the Bank) Employee 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General – Cache Valley Bank established the Plan effective as of January 1, 1995 and the Plan was amended and restated effective August 30, 2021. The Plan is a defined contribution plan covering eligible employees of the Bank who have reached age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Entry Date – Employees may enter the Plan on the first day of the month coinciding with or next following the date the eligibility requirements are met (currently age 21 or older).

Contributions – Each year, participants may elect to contribute up to the maximum amount of compensation allowed by Code Sections 402(g) and 414(v) not to exceed the limits of Code Sections 401(k), 404, and 415 (for 2022 the limit is \$20,500). This amount is indexed periodically for changes in the cost-of-living index. This limit applies to all employee 401(k) contributions made during a tax year to any 401(k) plans maintained by a present or former employer. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Bank does not currently make matching contributions for employee deferrals, but matching contributions may be made in any specific dollar amount and/or any specific percentage at the Bank's discretion and are therefore subject to change. The Plan also allows for profit sharing contributions at the Bank's discretion and the Bank elected to make a \$1,080,000 profit sharing contribution for the year ended December 31, 2022. Profit sharing contributions are allocated to participants using the ratio of each participant's compensation divided by the total compensation for all participants eligible for profit sharing. Participants are eligible for profit sharing if they have met the initial eligibility requirements (age 21 or older) and are not part of excluded employee groups as defined in the Plan document. Employee deferral amounts are funded each pay period and profit sharing contributions are typically funded annually.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of (a) the Bank's contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Bank's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A year of service requires completion of 1,000 hours of service. A participant is 100% vested after six years of credited service for matching and profit sharing contributions (with 20% vesting each year beginning with two years of service under a six-year graded vesting schedule).

Notes to Financial Statements (Continued)

December 31, 2022 and 2021

Note 1 – Plan Description (Continued)

Investment Options – Upon enrollment in the Plan, a participant may direct contributions in selected investment options. Participants may change their investment options at any time.

Payment of Benefits and Withdrawals – On termination of service due to death, disability, retirement, or other reasons, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A terminated employee with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between \$1,000 and \$5,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination, upon attainment of age 59 ½, or hardship as defined in the Plan document.

Forfeited Accounts – Forfeited accounts are used to reduce future employer contributions and plan expenses. Forfeited non-vested accounts total \$148,948 and \$100,306 as of December 31, 2022 and 2021, respectively. During 2022, \$47,451 of non-vested participant funds were forfeited and \$1,191 was earned.

Note 2 – Summary of Significant Accounting Policies

Date of Management's Review – Subsequent events were evaluated through October 16, 2023, which is the date the financial statements were available to be issued.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting – The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Realized gains and losses from security transactions are reported on the average cost method. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable – Amounts payable to participants totaling \$7,708 and \$0 as of December 31, 2022 and 2021, respectively, for contributions due to ineligible participants entering the plan, are recorded as excess contributions payable with a corresponding decrease to participant contributions. Ineligible contributions were corrected by distributing the excess contributions.

Notes to Financial Statements (Continued)

December 31, 2022 and 2021

Note 2 – Summary of Significant Accounting Policies (Continued)

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain administrative expenses of maintaining the Plan are paid by the Bank and are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

Note 3 – Plan Termination

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

If the Plan terminates, benefits are not insured by the Pension Benefit Guaranty Corporation (PBGC). Under the law, PBGC insurance does not cover the type of plans called defined contribution plans. This Plan is a defined contribution plan and, therefore, is not covered.

Note 4 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 5 – Information Prepared and Certified By Custodians

The following information included in the accompanying financial statements and supplementary schedules was obtained from data that has been prepared and was certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, which are the custodians of plan assets.

Notes to Financial Statements (Continued)

December 31, 2022 and 2021

Note 6 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

FASB Accounting Standards Codification 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Mutual Funds – Mutual funds are valued at fair value based on quoted prices in active markets for the shares held by the Plan at year-end.

Fixed Annuities – The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. Inputs are generally considered obtainable/observable through the review of existing contracts and readily available financial information on the websites of the issuing financial institutions.

Collective Trust Funds – Collective trust funds are valued using net asset value as a practical expedient. Investments that are measured using the net asset value (NAV) per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy.

Notes to Financial Statements (Continued)

December 31, 2022 and 2021

Note 6 – Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2022 and 2021:

		Fair Value Measurements Using		
	Fair Value	Level 1	Level 2	Level 3
<u>December 31, 2022</u>				
Mutual Funds	\$ 8,516,168	\$ 8,516,168	\$ -	\$ -
Fixed Annuities	3,307,046	-	3,307,046	-
Total	\$ 11,823,214	\$ 8,516,168	\$ 3,307,046	\$ -

		Fair Value Measurements Using		
	Fair Value	Level 1	Level 2	Level 3
<u>December 31, 2021</u>				
Mutual Funds	\$ 11,772,279	\$ 11,772,279	\$ -	\$ -
Fixed Annuities	3,441,652	-	3,441,652	-
Total	\$ 15,213,931	\$ 11,772,279	\$ 3,441,652	\$ -

Transfers Between Levels – The availability of observable market data is monitored to assess the appropriate classifications of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Plan management evaluates the transfers between levels based upon the nature of the financial instruments and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022, there were no transfers in or out of level 3.

The following table sets forth the disclosure for the fair value measurement of investments in certain entities that calculate NAV per share as a practical expedient as of December 31, 2022 and 2021:

	Fair Value December 31, 2022	Fair Value December 31, 2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Trust Funds	\$ 2,610,205	\$ 342,807	\$ -	Daily	Daily

Notes to Financial Statements (Continued)

December 31, 2022 and 2021

Note 7 – Tax Status

The Plan uses a prototype plan document sponsored by Great-West Trust Company, LLC which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating that the prototype document satisfies the applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. No provision for income tax has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, three tax years remain subject to examination by tax jurisdictions.

Note 8 – Exempt Party-in-Interest Transactions

Party-in-interest balances include the Plan's investments in Empower Annuity Insurance Company of America and Empower Trust Company, LLC mutual funds and contracts, which totaled \$3,632,558 and \$3,879,896 as of December 31, 2022 and 2021, respectively. These balances, the associated earnings, and administrative expenses of \$50,549 paid by the Plan to the custodians of plan assets and trustee for the year ended December 31, 2022, are considered exempt party-in-interest transactions.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

The Form 5500 for the Plan is prepared on a cash basis, therefore, employer contributions receivable and other liabilities are not reflected in the balance of net assets available for benefits and are not reflected as an adjustment to the contribution income received from the employer and participants.

The reconciliation of the financial statements to the Schedule H of Form 5500 on a line-by-line basis is as follows:

	<u>Financial Statements</u>	<u>Schedule H</u>	<u>Difference</u>
<u>Part I Asset and Liability Statement (a) Beginning of Year</u>			
Line 1b(1) Employer Contribution Receivable	\$ 1,000,000	\$ -	\$ 1,000,000

Notes to Financial Statements (Continued)

December 31, 2022 and 2021

Note 10 – Guaranteed General Account Contract with Insurance Company

The Plan entered into group funding guaranteed general account contracts with Empower Annuity Insurance Company of America. The accounts are credited with daily interest earnings subject to minimum contractual guarantees. The guaranteed general account contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against the contracts for credit risk of the contract issuer or otherwise. The fair value of the contracts at December 31, 2022 and 2021 is \$3,307,046 and \$3,441,652 respectively. The crediting interest rate is 1.05% and 0.90% as of December 31, 2022 and 2021, respectively.

Certain events may limit the ability of the Plan to transact at fair value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Bank or other Bank events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at fair value with plan participants are probable of occurring.

Note 11 – Nonexempt Party-in-Interest Transactions

During the years ended December 31, 2022 and 2021, the Company remitted participant contributions of \$169,750 and \$205,622, respectively, to the custodians of plan assets later than required by Department of Labor (DOL) Regulation 2510.3-102 and as of December 31, 2022 the amounts have not been corrected.
