INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Appen Butler Hill, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Appen Butler Hill, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier ("qualified institution") in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules (a) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2022 and (b) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

APPEN BUTLER HILL, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

1. Description of Plan

The following description of the Appen Butler Hill, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted by Appen Butler Hill, Inc. (the "Company," "Administrator," and "Plan Sponsor") on January 1, 2003 and was most recently amended and restated effective January 1, 2020. The Plan is defined as a contribution retirement plan of the profit-sharing type containing a cash or deferred arrangement described in Internal Revenue Code ("IRC") Section 401(a). All employees of the Company, except union employees and nonresident aliens, are eligible to participate in the Plan providing they are at least age 21. Certain classes of employees, as defined by the Plan document, are excluded from participating in the Plan. Participants may enter the Plan on the first day of the calendar quarter following date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and certain provisions of the IRC.

Plan Administration

The Company is the Administrator of the Plan. As Administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan (including the authority and responsibility to invest, manage, and control the assets of the Plan specifically allocated to the trustee). Reliance Trust Company is the appointed trustee of the Plan in 2022 and 2021, and acted at the direction of the Plan Administrator.

Contributions

Employees who elect to participate in the Plan may contribute 90% of their salary up to the limits imposed by Section 402(g) and 415 of the IRC. Participants who have attained age 50 before the end of a calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor may make discretionary matching employer contributions based on a discretionary percentage of a participant's compensation or a discretionary dollar amount as determined by the Plan Sponsor. Additionally, the Plan allows for non-elective profit-sharing contributions at the discretion of the Plan Sponsor. Participants must be employed at the end of the Plan year in order to receive any qualified non-elective employer contributions. For the year ended December 31, 2022, the Company made matching employer contributions of \$549,847 which was paid subsequent to December 31, 2022, as well as \$263,666 of qualified non-elective employer contributions for 2022, of which \$238,242 was paid subsequent to December 31, 2022, for a total employer contribution receivable balance of \$788,089 as of December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, any employer contributions, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant's account balance. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

1. Description of Plan, continued

Vesting

Participant contributions, rollovers and net earnings on these contributions are fully vested when made or earned.

Discretionary employer matching contributions and non-elective profit-sharing contributions, if any, as well as all earnings on these contributions vest 20% per year after the second year of service and are fully vested after six years.

Participants who reach early retirement age 55 and have six years of service are deemed to be fully vested.

The Company underwent some restructuring in 2022 that resulted in some participants being terminated which triggered a partial plan termination. Participants who were terminated as a result of the restructuring became 100% vested.

Forfeitures

Forfeitures that occur during a Plan year are used to pay administrative expenses and to reduce future employer contributions. As of December 31, 2022 and 2021, the forfeiture account totaled \$7,194 and \$178,595, respectively. During 2022, there were \$254,089 forfeitures utilized.

Notes Receivable from Participants

Participants are allowed to borrow from their account up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall be no more than five years, except for loans used to purchase a primary residence, which can be longer than five years. Loans shall bear a reasonable rate of interest, commensurate with what would be charged by a lending institution providing similar loans, as determined by the Plan Administrator at the time the loan originates. Payments on loans shall be repaid through automatic deductions through regular payroll. Interest rates on loans ranged from 4.25% to 8.50% per annum as of December 31, 2022.

Payments of Benefits

When participants leave the Company upon retirement or for any other reason, those participants (or their beneficiaries) may receive their benefits in a single lump sum amount equal to the value of the participant's vested interest in their accounts.

The Plan allows for in-service withdrawals at age 59½ and for certain heavy financial need (hardship), as defined by the Plan document.

In order to receive distributions, participants (or their beneficiaries) are required to file the appropriate forms with the Plan Administrator. Account values will be determined as of the day the distribution is made.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, death or termination of employment. The participant may elect, at the time, to have all or a portion paid directly to an eligible retirement plan specified by the participant. The Plan allows for automatic lump-sum distributions of participant vested account balances that do not exceed \$1,000. In the event of a mandatory distribution greater than \$1,000 but less than \$5,000, for which the participant does not elect to have such a distribution directly, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan Administrator.

1. Description of Plan, continued

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds and common/collective trusts offered by the Plan. Participants may change their investment options as of the first day of each month.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities, and changes in net assets available for benefits. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

All investments are recorded at fair value based upon active market values determined by investment advisors as required under ERISA regulations. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 4 for discussion of fair value.

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the valuation period. In accordance with the policy of stating investments at fair value, net realized and unrealized appreciation for the year are reflected in the statement of changes in net assets available for benefits. Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefit payments are recorded when paid.

Information Certified by the Trustee

Reliance Trust Company has prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, and net realized and unrealized gains and losses on investments, and interest and dividend income, which was used to prepare the accompanying financial statements and supplemental schedules.

3. Certified Information

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the trustee, as of December 31, 2022 and 2021 and for the year ended December 31, 2022:

	2022	2021
Mutual funds	\$ 15,252,306	\$ 16,213,490
Common/collective trusts	\$ 418,732	\$ 487,107
Participant notes receivable	\$ 63,036	\$ 46,260
Interest and dividends	\$ 440,857	N/A
Net investment gain from common/collective trusts	\$ 7,732	N/A
Interest on notes receivable from participants	\$ 1,810	N/A
Net depreciation in fair value of mutual funds	\$ (3,150,664)	N/A

4. Fair Value Measurements

Accounting standards for fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under these accounting standards are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

APPEN BUTLER HILL, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

4. Fair Value Measurements, continued

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual term), the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,252,306	\$ -	\$ -	\$ 15,252,306
Common/collective trusts:				
Invesco Stable Asset Fund				418,732
				<u>\$ 15,671,038</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,213,490	\$ -	\$ -	\$ 16,213,490
Common/collective trusts:				
Invesco Stable Asset Fund				487,107
				<u>\$ 16,700,597</u>

The Plan's valuation methodology used to measure the fair values of mutual funds was derived from quoted market prices, as all of these instruments have active markets.

Common/collective trusts are valued at the net asset value ("NAV") of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. In accordance with Accounting Standards Codification 820-10, this investment has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements, continued

Fair Value of Investments in Entities That Use NAV

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2022 and 2021.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Invesco Stable Asset Fund	\$ 418,732	N/A	Daily	30 days

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Invesco Stable Asset Fund	\$ 487,107	N/A	Daily	30 days

5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by the trustee of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

6. Tax Status

The Plan has adopted a prototype plan document that has received an opinion letter from the Internal Revenue Service dated October 6, 2020. The Plan document has been amended since receiving that opinion letter. However, the Plan Administrator and Plan Sponsor believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC, and that the trust, which forms a part of the Plan, is exempt from income tax. Accordingly, no provision has been made for federal and state income taxes.

7. Plan Termination

The Company has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Company reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in any non-vested employer contributions. Distributions will be made to participants as outlined in the Plan's provisions.

APPEN BUTLER HILL, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

8. Risks and Uncertainties

The Plan provides for various investment securities, which are exposed to various risks such as interest rate, market fluctuation and credit risks. The fair value of investments and securities are sensitive to changes in economic conditions, delinquencies, and defaults, and may be adversely affected by shifts in the market perception of the issuers. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

As of December 31, 2022 and 2021, approximately 62% of net assets were held in five funds and 50% of net assets were held in three funds, respectively.

9. Delinquent Participant Contributions

The Plan Sponsor failed to timely remit certain participant contributions aggregating to \$30,341 in accordance with the Plan's policy and Department of Labor's regulations as listed in the Schedule H, Line 4a - Schedule of Delinquent Participant Contributions. The Company is in the process of calculating lost earnings and correcting these contributions.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2022 and 2021 to the Form 5500:

	2022	2021
Net assets available for benefits per financial statements	\$ 16,613,914	\$ 16,703,079

11. Subsequent Events

Effective January 1, 2023, the Company provides for safe harbor matching contributions such that Company matching contributions are made at a rate of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation.

Effective July 1, 2023, the Company name and Plan name changed to Appen AI Inc. and Appen AI Inc. Retirement Plan, respectively.

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through October 16, 2023, the date which these financial statements were available to be issued. Management concluded that, other than noted above, no material subsequent events have occurred since December 31, 2022 that require recognition or disclosure in such financial statements.
