INDEPENDENT AUDITOR'S REPORT

To the Audit Committee of the Board of Trustees of
Delta Dental of New Jersey, Inc. and Participants of
Delta Dental of New Jersey, Inc. 401(k) and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the financial statements of Delta Dental of New Jersey, Inc. 401(k) and Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021 and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audits of Delta Dental of New Jersey, Inc. 401(k) and Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Delta Dental of New Jersey, Inc. 401(k) and Profit-Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Delta Dental of New Jersey, Inc. 401(k) and Profit-Sharing Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Delta Dental of New Jersey, Inc. 401(k) and Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Delta Dental of New Jersey, Inc. 401(k) and Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Delta Dental of New Jersey, Inc. 401(k) and Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for complete information.

General

The Plan is a defined contribution retirement plan, covering all eligible employees of Delta Dental of New Jersey, Inc. (the "Company" or the "Employer"), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Employees age 21 and over are eligible to contribute to the Plan on the first day of the month following three full months of service and to participate in the employer match portion of the Plan on the first day of the month following one year of service (1,000 hours).

Eligible participants may elect to defer up to 60% on a pretax basis or up to 100% on a post-tax basis of their eligible compensation, subject to certain limits and the Employer's right to reject contributions that might adversely affect the Plan's non-discrimination tests. Employee contributions to the Plan are withheld from each payroll and directly remitted to the Plan's custodian, Fidelity Management Trust Company (the "Trustee"), where the funds are held in trust on behalf of the participant. Total pretax deferral contributions in any taxable year are subject to the limitations established by the Internal Revenue Code ("IRC") §(401)(a)(17). The limitation in 2022 was \$20,500 and was \$19,500 in 2021, with catch-up contributions of an additional \$6,500 available in 2022 and 2021, for participants who have attained the age of 50 prior to the end of the Plan year.

The Plan provides for an automatic enrollment feature whereby all eligible employees will have 4% deferred from eligible compensation as defined in the Plan document unless that participant elects to opt out of automatic enrollment. The Plan also provides for non-discretionary employer safe harbor matching contributions made by the Company in an amount equal to 100% of an employee's deferral contributions based on the participant's eligible annual compensation subject to a maximum of 4% of eligible compensation as defined.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 1. DESCRIPTION OF THE PLAN (continued)

In addition, the Employer may make qualified non-elective contributions to non-highly compensated employees when required to meet the requirements of the IRC nondiscrimination tests. No non-elective contributions were made during 2022 and 2021. Total contributions are further subject to Internal Revenue Service ("IRS") limitations as periodically amended.

Participants' Accounts

Plan participants are 100% vested at all times in the account value of their voluntary contributions, the employer matching contributions and their portion of the Plan's earnings. The allocation of the Plan's earnings and administrative expenses is pro rata on the basis of participants' accounts. In the event a participant's employment with the Company is terminated, the participant's account balance may be withdrawn or rolled over into another qualified plan. All investments in the Plan are participant directed. Participants may change their investment options on any normal business day. Participants' contributions may be invested in a variety of funds.

Notes Receivable from Participants

The Plan provides that participants are eligible to borrow funds up to a maximum of 50% of their account balance or \$50,000, whichever is less. A note must be for a minimum of \$1,000 and up to two loans may be outstanding at any time to a participant. Notes are granted in accordance with IRS regulations and Plan provisions. The interest rate for the outstanding notes is determined at the commencement of the year based on an interest rate determined by the Plan administrator. Repayment of outstanding note principal and interest is made via payroll deductions on an after-tax basis. Interest is credited to the individual participant's account. Interest rates on notes receivable ranged from 3.25% to 7.00% at December 31, 2022 and from 3.25% to 5.50% at December 31, 2021.

Benefit Payments and Withdrawals

Distribution of a participant's account balance may be made upon request due to disability, death, retirement or termination of employment. Distribution of vested account balances may be deferred to a later date, subject to minimum distribution requirements as established by IRC. Balances of \$5,000 or less but greater than \$1,000 will be distributed to an individual retirement account ("IRA") or annuity for the benefit of the participant. Balances of \$1,000 or less will be distributed in the form of a lump-sum payment. The balances available at the time of distribution will be reduced by the principal amount of any outstanding note receivable. Participants may also request in-service distributions upon attaining age 59 ½ or due to certain hardships.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates in the Financial Statements

The preparation of financial statements in conformity with GAAP requires the Plan’s management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. In the event of default, the balance of the note receivable is deemed to be a distribution to the participant.

Investment Valuation and Income Recognition

Investments are reported at fair value determined on the last reported sales price on the last trading day of the period, the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net (depreciation)/appreciation includes realized and unrealized gains and losses on investments bought and sold as well as held during the year and are reported in net (depreciation)/appreciation in fair value of investments on the accompanying statements of changes in net assets available for benefits.

Benefit Payments and Withdrawals

Participant benefit payments are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative and Investment Expenses

All significant administrative expenses associated with the Plan are paid by the Company. Investment related fees are reflected as an offset of net investment income and are not readily determinable.

New Accounting Pronouncements

The Plan is not aware of any new accounting standards that were required to be adopted in 2022, or yet to be adopted, that would significantly impact the Plan's 2022 or prospective financial statements.

NOTE 3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA and therefore, no auditing procedures were performed by the independent public accountant as permitted. The assets of the Plan are held by the Trustee. Accordingly, as permitted under such election, the Trustee has certified the completeness and accuracy of all investments and related investment activity, and notes receivable from participants and the related interest income on the notes receivable from participants, included in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with information reported in the financial statements.

NOTE 4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurement and Disclosures*, establishes a framework for measuring fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

DELTA DENTAL OF NEW JERSEY, INC.
401(k) and PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

Level 1 — Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities. A quoted price for an identical asset or liability in an active market provides the most reliable fair value measure and, whenever available, should be used to measure fair value, provided that (1) the market is the principal (or most advantageous) market and (2) the entity has the ability to access the principal (or most advantageous) market.

Level 2 — Valuations based on information (other than quoted prices included within Level 1) that is observable for the asset and liability, either directly or indirectly. This includes quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active and observable inputs other than quoted prices, such as interest rates and yield curves.

Level 3 — Valuations based on inputs that are unobservable and significant to the overall fair value measurement. The Plan's management is responsible for determining the fair value of its investment portfolio by utilizing market driven fair value measurements obtained from active markets where available, by considering other observable and unobservable inputs and by employing valuation techniques which make use of current market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There were no transfers between levels 1, 2 and 3 during the years ended December 31, 2022 and 2021.

Registered Investment Companies: Registered investment companies held by the Plan are investments registered with the Securities and Exchange Commission and are valued at the registered investment company's net asset value ("NAV") as reported by the fund. These investments are required to publish their NAV and to transact at that price. The NAV is based on the value of the underlying assets owned by the fund minus its liabilities and then divided by the number of shares outstanding calculated at the close of business on the New York Stock Exchange. The investments held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

Common Collective Trust: The common collective trust fund fair values are determined by the respective fund managers using NAV as a practical expedient. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. There were no unfunded commitments, redemption restrictions or redemption frequency limitations at December 31, 2022 and 2021. Common collective trust funds can be redeemed daily.

Money Market Funds: Valued at quoted prices in an active market, which represents NAV's of shares held by the Plan at year-end and are classified as Level 1.

Investments at December 31, by fair value hierarchy level are as follows:

	2022			
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 43,717,024	\$ 43,717,024	\$ -	\$ -

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5. TAX STATUS

The Plan administrator has adopted a volume submitter plan and trust agreement that received a favorable IRS advisory letter dated June 30, 2020 (“advisory letter”). Although the Plan has been amended since receiving the advisory letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes the Plan is qualified and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. Furthermore, there is no tax related interest or penalties included in the periods presented in the financial statements.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and interest in a common collective trust managed by Fidelity, the Trustee as defined in the Plan, and therefore, these transactions qualify as party-in-interest transactions. Participant notes receivable are also considered party-in-interest transactions. These transactions are exempt from the prohibited transactions rules.

NOTE 7. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees; however, the Company has the right under the Plan to terminate the Plan at any time upon resolution by its Board of Trustees, subject to the provisions of ERISA.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. RECONCILIATION TO FORM 5500

Differences between the financial statements and the Form 5500 relate to the Trustee reporting Plan activity on the cash basis (versus accrual basis) for Form 5500. The following is a reconciliation of the financial statements to Form 5500 as of and for the years ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per financial statements	\$49,648,173	\$64,937,841
Employer contributions receivable	(113,254)	(126,705)
Net assets available for benefits per Form 5500	<u>\$49,534,919</u>	<u>\$64,811,136</u>
 Total contributions per financial statements	 \$3,360,273	 \$3,255,436
Employer contributions receivable, current year	(113,254)	(126,705)
Employer contributions receivable, prior year	126,705	177,751
Total contributions per Form 5500	<u>\$3,373,724</u>	<u>\$3,306,482</u>

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the financial statement date through the date of October 9, 2023, which is the date the financial statements were available to be issued. Based on this evaluation, the Plan's administrator has determined there are no subsequent events requiring disclosure in the financial statements.
