This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of Menominee Tribal Retirement and 401(k) Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, LLC, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity Management Trust Company, LLC, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of Oct 16, 2022, the following representations made to you during your audits.

Financial Statements

1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 4, 2023, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.

2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplementary schedule referred to above is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

3) We acknowledge our responsibility for administering the plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

5) We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

- a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- c) The certification meets the 29 CFR 2520.103-5 requirements.
- d) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.

6) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

7) The methods, significant assumptions, and data used in making accounting estimates and their related disclosures, including those measured at fair value, are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.

8) Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.

9) No events have occurred subsequent to the date of the financial statements for which U.S. GAAP requires adjustments or disclosure.

10) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

11) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.

12) Material concentrations have been properly disclosed in accordance with U.S. GAAP.

13) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

14) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.

15) The supplementary schedule or financial statements disclose the following, as applicable:

- a) All non-exempt party-in-interest transactions as defined in ERISA Section 3(14) and regulations under the section.
- b) Investments or loans in default or considered to be uncollectible.
- c) Reportable transactions as defined in ERISA Section 103(b)(3)(H) and regulations under that section.

Information Provided

16) We have provided you with:

- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
- b) A substantially complete draft of Form 5500.
- c) Additional information that you have requested from us for the purpose of the audits.
- d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
- e) Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

17) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

18) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

19) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

- a) Management,
- b) Employees who have significant roles in internal control, or
- c) Others where the fraud could have a material effect on the financial statements.

20) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

21) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

22) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

23) We have disclosed to you the names of the Plan's related parties and parties in interest and all the related party and party-in-interest relationships and transactions, including any side agreements, of which we are aware.

24) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

25) We have no—

a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

b) Intentions to terminate the Plan.

26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

27) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

28) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are disclosed in the notes to the financial statements as Note 4. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

29) All required amendments to and filings of plan documents with the appropriate agencies have been made.

30) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

31) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

32) The Plan has complied with the fidelity bonding requirements of ERISA.

33) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

34) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

35) We acknowledge our responsibility for presenting the supplemental information, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

36) We have obtained the SOC 1 reports from our service organizations. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the years ended December 31, 2021 and 2020.

37) In regard to the preparation of the financial statements and related footnote disclosure services performed by you, we have—

- a) Assumed all management responsibilities.
- b) Designated an individual within senior management who has suitable skill, knowledge, or experience to oversee the services.
- c) Evaluated the adequacy and results of the services performed.
- d) Accepted responsibility for the results of the services.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Menominee Tribal Retirement and 401(k) Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Menominee Tribal Retirement and 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions of Fidelity Management Trust, LLC, as of December 31, 2022, and for the period from May 1, 2022 to December 31, 2022, and The Standard Trust Company, LLC as of December 31, 2021 and for the period from January 1, 2022 to April 30, 2022 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of Plan

The following brief description of Menominee Tribal Retirement and 401(k) Savings Plan (Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan is a voluntary, defined contribution plan established by Menominee Tribal Enterprises (Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Substantially all employees, as defined in the plan document, who have completed at least 6 months of service and are age 21 or older are eligible to participate in the plan. Upon enrollment in the plan, a participant may direct company and participant contributions to any combination of available investment options offered by the Plan. The Investment Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participant contributions can be made in the form of pretax contributions or after-tax Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Plan includes an auto enrollment feature whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or make an alternative deferral rate election. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. In addition, the Plan permits Company discretionary matching contributions, as determined by the Company's board of directors. The Company discretionary matching contribution was 100% of participant contributions up to 4% of the participant's eligible compensation for the years ended December 31, 2022 and 2021. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts and Rollovers

Each participant's account is credited with the participant's contributions, rollover contributions, Company contributions, and an allocation of plan earnings thereon (net of administrative expenses). Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's eligible compensation, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

Vesting

Participants are immediately vested in their participant and rollover contributions plus earnings thereon. Company discretionary matching contributions and earnings thereon vest based on years of service as defined in the plan document. A participant is 100% vested in Company discretionary matching contributions and related earnings following three years of service. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the plan document, are considered 100% vested.

Payment of Benefits

On termination of service due to death, total disability or retirement, participants or their beneficiaries are entitled to receive the entire amount credited to their account as of that date. The Plan provides for normal retirement at age 65. Participants may take an in-service withdrawal upon reaching the age of 59-1/2 provided they are 100% vested in the Plan. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the plan document.

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of Plan (Continued)

Payment of Benefits (Continued)

Participants whose employment with the Company is terminated before retirement for any reason other than death or total disability shall be entitled to the total of the vested balance in their accounts.

Any amount payable under the Plan because of retirement, death, total disability, or termination is to be paid to the participant or beneficiary using one of several available benefit distribution methods. If a participant's account balance is less than \$5,000 prior to the time distributions are to commence, a lump-sum distribution will be made.

Forfeited Accounts

Plan forfeitures arise as a result of participants who terminate service from the Company before becoming 100% vested in the Company's discretionary matching contributions and related earnings. As of December 31, 2021, forfeited nonvested accounts had no balance. There was a balance of \$10,469 as of December 31, 2022. Forfeited nonvested accounts are used to reduce future Company discretionary matching contributions. For the years ended December 31, 2022 and 2021, Company discretionary matching contributions were reduced by \$20,938 and \$21,435, respectively, from forfeited nonvested accounts.

Administration

The Company is the administrator of the Plan and has appointed Fidelity Management Trust Company as custodian and recordkeeper. The custodian is responsible for investing and safekeeping all of the assets of the Plan.

Note 2 - Summary of Significant Accounting Policies

This summary of significant accounting policies of Menominee Tribal Retirement and 401(k) Savings Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the plan committee who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to generally accepted accounting principles.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the plan committee to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the gains and losses on investments bought and sold, as well as held, during the year.

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements
December 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Plan for investment management and other administrative services are included under administrative expenses on the statements of changes in net assets available for benefits. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Note 3 - Income Taxes

The Company adopted a volume submitter plan offered by the custodian. The volume submitter plan received an opinion letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan committee believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 - Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described on the following page:

- | | |
|---------|--|
| Level 1 | Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date. |
| Level 2 | Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

MENOMINEE TRIBAL RETIREMENT AND 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 4 - Fair Value Measurements (Continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (level 1 inputs).

Pooled Separate Accounts: Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although they are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 4,510,774	\$ -	\$ -

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Pooled Separate Accounts	\$ 5,995,945	\$ -	\$ -

Note 5 - Party-in-Interest Transactions

Certain Plan investments are managed by the custodian of the Plan and; therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan to Fidelity Management Trust Company and Standard Insurance Company for administrative services amounted to \$23,721 and \$21,485 for the years ended December 31, 2022 and 2021, respectively, and are included under administrative expenses on the statements of changes in net assets available for benefits. Additional investment fees paid to the custodian are included in net appreciation/depreciation in the fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Certain administrative features of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Fidelity Management Trust Company provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Fidelity Management Trust Company. Fidelity Management Trust Company receives revenue from mutual fund service providers for services Fidelity Management Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Management Trust Company for its administrative services to the Plan.

If the revenue received by Fidelity Management Trust Company and Standard Insurance Company from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity Management Trust Company and Standard Insurance Company remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During 2022 and 2021, there were no excess amounts. The Plan or Company may make a payment to Fidelity Management Trust Company and Standard Insurance Company for administrative expenses not covered by revenue sharing.

Notes to Financial Statements

December 31, 2022 and 2021

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company discretionary matching contributions and related earnings.

Note 7 - Information Certified by the Plan's Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation/depreciation in fair value of investments, interest and dividends for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate.

Note 8 - Reconciliation of Financial Statements to Form 5500

Differences between these financial statements and information combined in schedule H, items I and II of Form 5500 were identified for both years and are due to different classifications among various detail accounts. These balances agree in total.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities through pooled separate accounts. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Subsequent Events

The Plan has evaluated subsequent events through _____, 2023, the date the financial statements were available to be issued.

To the Plan Administrator
Menominee Tribal Retirement and 401(k) Savings Plan
Neopit, Wisconsin

We have audited the financial statements of Menominee Tribal Retirement and 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022 and have issued our report thereon dated _____, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 5, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Menominee Tribal Retirement and 401(k) Savings Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no sensitive disclosure affecting the financial statements.

The financial statement disclosures are neutral, consistent and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no such misstatements noted during our audit.

Reportable Finding

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter whether or not resolved to our satisfaction, that could be significant to the financial statement or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Internal Control Over Financial Reporting

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Menominee Tribal Retirement and 401(k) Savings Plan (Plan) as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered Menominee Tribal Retirement and 401(k) Savings Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be a material weakness.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal controls to be a significant deficiency.

Financial Accounting and Reporting - One of the components of internal control over financial reporting is that staff of the Company be sufficiently knowledgeable to prepare the Plan's financial statements including the footnotes in accordance with generally accepted accounting principles (GAAP). The personnel do not have the advanced training in GAAP to prepare the financial statements including the related notes in accordance with GAAP. Consequently, during our audit, we assisted with the preparation of the Plan's financial statements and related notes. This matter is common in many small companies since they do not have the resources to devote to this area of internal control.

Other Matters

In addition, we felt the other matters described in the following paragraphs were important to the operation of the Menominee Tribal Retirement and 401(k) Savings Plan. These matters may involve internal controls, general operations, recommendation for the adoption of policies or other such items that we feel will enhance the Plan.

Impacts of the Secure Act on Your Plan (per 12/31/20 letter)

The passage of the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 included various changes that may impact your Plan as summarized in the following paragraphs.

Long-Term Part-Time Employees

One of the provisions impacts long-term part-time employees, those who work at least 500 hours for three consecutive years starting January 1, 2021 will be able to make deferrals into a retirement plan starting in 2024, unless a plan age requirement is not met. The SECURE Act does not require an employer match on these deferrals if the plan document has service requirements that exclude part-time employees from the match. However, there is another complicating factor relating to vesting. We recommend the Organization ensures its system is properly tracking hours and years of service for these long-term part-time employees starting January 1, 2021 to be easily able to determine eligibility for 2024 and vesting.

Penalty-Free Withdrawals for Birth or Adoption of Child

Employees are now allowed to withdraw up to \$5,000 for one year following the birth or adoption of a child without paying the usual 10% early-withdrawal penalty. Married couples can withdraw \$5,000 from each of their own accounts, penalty-free. The participant can also put the money back into his or her retirement account at a later date with recontributed amounts treated as rollover and not included in taxable income.

Penalty-Free Withdrawals for Birth or Adoption of Child

Employees are now allowed to withdraw up to \$5,000 for one year following the birth or adoption of a child without paying the usual 10% early-withdrawal penalty. Married couples can withdraw \$5,000 from each of their own accounts, penalty-free. The participant can also put the money back into his or her retirement account at a later date with recontributed amounts treated as rollover and not included in taxable income.

Annuity Information and Options Expanded

Currently 401(k) plan statements provide an account balance, which does not provide insight into the participant's monthly distributions upon retirement. To help participants better understand what their monthly retirement income might be, plan administrators are now required to provide annual "lifetime income disclosure statements" to participants to show potential monthly distributions if the total balance was used to purchase an annuity.

Auto-Enrollment Enhanced

The maximum amount of an employee's compensation that can be automatically deferred under a plan with an automatic enrollment safe harbor was increased from 10% to 15%, beginning after the employee's first plan year. This provision was effective for plan years beginning after December 31, 2019.

Age for Required Minimum Distributions

The age at which individuals participating in a qualified retirement plan must commence required minimum distributions was increased from 70 ½ to 72. Plans are not required to make mandatory distributions until the year after the year in which a participant attains age 72. This provision was effective for distributions required to be made after December 31, 2019 for plan participants who reached the age 70 ½ after December 31, 2019.

Update Your Plan Document

The Organization will need to ensure it updates its plan document by December 31, 2022 for provisions noted above.

Status (12/31/2022)

The Company updated its plan document for the provisions noted above.

Current Year Observation

Impacts of the Secure Act 2.0 on Your Plan

The passage of the SECURE 2.0 of 2022 included multiple required plan updates as well as optional plan changes that are effective at various dates from now through 2025. We would recommend the Plan work closely with your third-party administrator and others to ensure compliance with the mandatory plan changes and those items which may benefit the plan and plan participants.

Closing

We thank you for allowing us to be of service to Menominee Tribal Retirement and 401(k) Savings Plan. We received complete cooperation and appreciate your consideration of our comments and your implementation of suggestions.
