BICKFORD SENIOR LIVING 401(k) RETIREMENT TRUST

FINANCIAL STATEMENTS AND
INDEPENDENT AUDITORS' REPORT
DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of the Bickford Senior Living 401(k) Retirement Trust
Olathe, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Bickford Senior Living 401(k) Retirement Trust (the "Plan"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and the supplemental Schedule of Assets as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BICKFORD SENIOR LIVING 401(k) RETIREMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Bickford Senior Living 401(k) Retirement Trust (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution savings plan established by The Eby Group, Inc. (the "Company"). The following employers are also included as participating employers in the Plan:

- EBCO Construction Group, LLC
- Eby Realty Group, LLC
- Bickford Senior Living Group, LLC
- EDP, Inc.
- Sycamore Street, LLC
- KTS Group LLC dba Valumed Pharmacy

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan has adopted the Third Cycle Restatement of the Minnesota Life Insurance Company Defined Contribution Pre-Approved Plan effective April 1, 2022, with substantially similar provisions to the previous Plan's agreement.

Minnesota Life Insurance Company ("Minnesota Life") serves as custodian and Securian Financial Group's Participant Recordkeeping System ("Securian") serves as recordkeeper of the Plan. Employees of the Company serve as the Plan's trustees.

Eligibility – An individual is eligible to participate in the Plan after completing two months of service and reaching 21 years of age. Employees may enter the Plan on the first day of each month after meeting the eligibility requirements. The Plan is not open to union employee, non-resident aliens and employees who are classified as "PRNs".

Contributions – Participants may elect to contribute up to 75% of their annual compensation subject to certain Internal Revenue Code ("IRC") limitations. In addition, participants over age 50 are permitted to make catch-up contributions, as defined in the Plan.

Company contributions are discretionary and are based on a percentage of employee pretax contributions. For 2022, the Company matched 50% of employee pretax contributions, up to the first 6% contributed by the participant.

Participant Accounts – Each participant's account is credited with the participant's and Company's contributions, and allocations of Plan earnings (losses), and is charged with the participant's withdrawals and distributions and an allocation of Plan administrative expenses. Allocations are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – The Plan offers pooled separate accounts and a guaranteed interest account as investment options for participants.

Vesting – Participants' contributions are fully vested at all times. Participants become 100% vested in Company contributions as follows:

For employees hired prior to 1/1/09		For employees hired on or after 1/1/09	
<u>Years of Service</u>	<u>Vesting %</u>	<u>Years of Service</u>	<u>Vesting %</u>
Less than 1	20%	Less than 1	0%
1	40%	1	20%
2	60%	2	40%
3	80%	3	60%
4	100%	4	80%
		5	100%

In the event of permanent disability, death, reaching normal retirement age, or termination of the Plan, the Company contributions will become fully vested.

Forfeitures – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeiture amounts are used to reduce future employer contributions. During 2022, forfeitures of approximately \$68,900 were used to reduce employer matching contributions and pay Plan expenses. As of December 31, 2022 and 2021, there are approximately \$49,500 and \$50,300, respectively, in forfeitures available that can be used to reduce employer contributions.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000, up to the lesser of \$50,000 or 50% of their vested account balance. All loans (except for those made for purchase of a primary residence) must be repaid within five years. Loans bear interest at prime rate plus 1%. A participant may only have one loan outstanding at any time. A participant's loan shall become due and payable upon failure to make a principal and/or interest payment, as provided in the loan agreement. The balance in the participant's account secures the loan.

Payment of Benefits – Upon termination of service, a participant may elect to receive a distribution of all or any portion of their vested account balance in a single lump sum payment or rollover payment. Effective January 1, 2020, for mandatory distributions greater than \$.01 but not exceeding \$5,000, the vested account balance will be rolled over into an individual retirement account, unless otherwise directed by the participant. Prior to January 1, 2020, the mandatory distribution threshold was \$1,000.

In-Service Withdrawals – Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to the participant's account balance that is 100% vested.

Participants who have obtained the age of 59 ½ are allowed to receive a distribution of all or any portion of their vested account balances in a single sum payment.

Administrative Expenses – The Plan pays the majority of the expenses from Plan assets. During 2022, the Plan paid expenses paid for professional and contractor administrator fees totaling \$23,701. The Company may pay other professional fees associated with the Plan.

Termination of the Plan – Although the Company has not expressed any intent to do so, it has the right under the Plan to amend or terminate the Plan at any time subject to the provisions set forth in the Plan and under ERISA. In the event of Plan termination, participants become fully vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions – Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in the pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for doubtful accounts is considered necessary.

Excess Refundable Contributions – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants subsequent to year-end.

Payment of Benefits – Benefit payments are reported in the year paid.

Date of Management's Review – Subsequent events have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Pooled Separate Accounts – Valued at the net asset value ("NAV") provided by the administrator of the fund. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets (i.e., common stock, mutual funds, short term securities) owned by the fund, less its liabilities, and then divided by the number of shares outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investments are reported at fair value as follows at December 31, 2022 and 2021:

	Fair Value Measurements Using:			
	Level 1	Level 2	Level 3	Total
December 31, 2022:				
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				11,504,953
Investments at fair value				<u>\$ 11,504,953</u>
December 31, 2021:				
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				15,119,114
Investments at fair value				<u>\$ 15,119,114</u>

- (a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. These investments are valued daily, can be redeemed daily with no restrictions, and without prior notice. There are no unfunded commitments.

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan provides the Minnesota Life Guaranteed Return Account, a fully benefit-responsive investment contract issued by Minnesota Life, as an investment option for participants. The objective of this investment option is to guarantee principal and provide a stated interest crediting rate backed by Minnesota Life. The contract is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Minnesota Life is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is determined on a quarterly basis, as designated by Minnesota Life. The investment contract may be subject to a market value adjustment should the Plan discontinue the contract, as prescribed in the contract. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Minnesota Life may not terminate the contract at any amount less than contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

6. INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life Insurance Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

- Investments, at fair value
- Investments, at contract value
- Notes receivable from participants and related interest income
- Interest income
- Net depreciation in fair value of investments
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments are units of pooled separate accounts and a guaranteed return account managed by Minnesota Life. Minnesota Life is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest. The Plan has a number of service providers, and such providers are parties in interest under ERISA. Notes receivable from participants are party-in-interest transactions.

8. TAX STATUS

The Company adopted the Third Cycle Restatement of the Minnesota Life Insurance Company Defined Contribution Pre-Approved Plan which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. PROHIBITED TRANSACTIONS

During 2021, employee deferrals and loan payments of \$104,673 were not remitted to the trust on a timely basis (as defined by the Department of Labor "DOL") by the Plan Sponsor. The Plan Sponsor subsequently remitted all such deferrals to the trust. The Company has calculated lost earnings on these untimely contributions, and remitted the related excise tax to the IRS in 2022. These transactions are prohibited according to the provisions of the DOL.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	\$ 12,357,093	\$ 15,699,826
Excess refundable contributions	21,180	
Net assets available for benefits per the Form 5500	<u>\$ 12,378,273</u>	<u>\$ 15,699,826</u>

The following is a reconciliation of net decrease per the financial statements to net loss per the Form 5500 for the year ended December 31, 2022:

Net decrease per the financial statements	\$ (3,342,733)
Excess refundable contributions - current year	21,180
Net loss per the Form 5500	<u>\$ (3,321,553)</u>

11. SUBSEQUENT EVENTS

The Plan's assets were transferred in May 2023 to John Hancock Trust Company ("John Hancock"). John Hancock serves as trustee and custodian and assumed the recordkeeping responsibilities. In conjunction with the transfer, the Company adopted a new plan agreement effective May 12, 2023, with similar provisions to the previous Plan's agreement.
