Report of Independent Auditors

To the Plan Administrator of
PTC Alliance LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PTC Alliance LLC 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section:

1. The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

2. The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

1. Exercise professional judgment and maintain professional skepticism throughout the audit.
2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
5. Conclude whether, in our judgment, that there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits do not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

1. The form and content of the supplemental schedules, other than the information in the supplemental schedules that is agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
2. The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Description of the Plan

The following description of the PTC Alliance LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of PTC Alliance LLC (the “Company”) excluding union, leased, and temporary and seasonal employees whose regularly scheduled service is less than 1,000 hours of service. The Plan Administrator of the Company controls and manages the operation and administration of the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may direct contributions to the Plan based on a percentage of their annual compensation on a tax-deferred basis subject to certain limitations.

Employees become eligible participants on the first day of the month coinciding with or next following their date of hire. An eligible participant may elect to contribute any whole percentage amount up to 100% of pretax compensation. In addition, in any calendar year in which a participant is age 50 or above, an additional “catch-up contribution” (limited to \$6,500 in 2022 and in 2021) may be made. The Company makes a safe harbor matching contribution for all eligible employees equal to 100% of the elective deferral contributions up to 3% of the participant’s compensation plus 50% of the elective deferral contributions up to 6% of the participant’s compensation.

Eligible employees will automatically be enrolled in the Plan. Their contribution will initially be set at 3% of their eligible compensation, unless the eligible employee elects a different percentage or elects to cease making deferral contributions. Effective January 1, 2017, these employees will be subject to an automatic annual increase of 1%.

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants in the Plan are vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts prior to January 1, 2014 is based on years of continuous service. Salaried participant's matching contributions vest ratably over three years of continuous service. Hourly participants vest ratably over six years of continuous service. Earlier vesting occurs upon reaching normal or early retirement age, death, or disability.

Benefits

Upon termination of service due to death, disability, or retirement, or if a participant's vested account balance is \$5,000 or less, they will receive a lump-sum payment. If the participant's vested account balance is greater than \$1,000 and does not exceed \$5,000, and the participant does not elect either to receive or to rollover the vested account, then the participant's vested account shall be paid as an automatic rollover into an individual retirement account designated by the Plan Administrator.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. Only one loan may be outstanding to a borrower at any time and generally each loan is to be repaid over a period not to exceed five years. The loans bear interest at rates that range from 4.25% to 8.50% which are commensurate with local prevailing rates at the time of issuance, as determined by the Plan's custodian. Principal and interest payments are made through payroll deductions.

All loan fees, such as service fees and late payment fees, are charged directly to the participant as a distribution.

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

Forfeitures

Forfeited balances of terminated participants' nonvested accounts may be applied to pay administrative expenses or be applied to reduce future Company contributions. As of December 31, 2022 and 2021, the forfeited balances available were not significant. Forfeitures used to offset administrative expenses were \$3,499 and \$2,536 for the years ended December 31, 2022 and 2021, respectively.

Plan Termination

Although the Company has not expressed any intent to do so, it reserves the right to amend, modify, suspend, or terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants would become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting. The participants will be entitled to receive the net plan assets directly associated with their individual vested account balance.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

Investment Valuation

Investments of the Plan include mutual funds and a collective trust. Shares of the various mutual funds held by the Plan are valued by the custodian at the quoted net asset values (“NAV”) of those shares, which are based on the fair values of the underlying net assets of the mutual funds. The Plan’s interest in the collective trust is valued based on information reported by the custodian using the audited financial statements of the collective trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Benefit Payments

Benefit distributions are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Company except for loan origination fees associated with notes receivable from participants, withdrawal fees associated with benefit payments, 12B-1 fees, and investment advisory fees.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2023, the date the financial statements were available to be issued.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

Effective January 1, 2023, the Metal-Matic, Inc. 401(k) Plan and Metal-Matic, Inc. Salaried Employees Profit Sharing Plan and all their participants were merged into the Plan. Transfers into the Plan were approximately \$39,000,000.

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

3. Fair Value Measurements

The Plan measures its investments at fair value on a recurring basis in accordance with accounting principles generally accepted in the United States of America. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework that authoritative guidance establishes for measuring fair value includes a hierarchy used to classify the inputs used in measuring fair value. The hierarchy prioritizes the inputs used in determining valuations into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The levels of the fair value hierarchy are as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible to the Plan for identical assets. These generally provide the most reliable evidence and are used to measure fair value whenever applicable.

Level 2 – Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.

Level 3 – Inputs to the valuation methodology are unobservable inputs and significant to the fair value measurement.

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

- Registered investment companies are valued at Level 1.
- Common collective trust is based upon the units of the collective trust funds held by the Plan at year end times the respective unit value. The collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the fund manager, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business fashion. The Plan's investment in the funds is not subject to any withdrawal restrictions, and distributions may be taken at any time. The Plan has no unfunded commitments relating to the funds at December 31, 2022 or 2021. The objective of the fund is to provide investors with a moderate level of stable income without principal volatility.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 21,777,770	\$ -	\$ -	\$ 21,777,770
Total assets in the fair value hierarchy	21,777,770	-	-	21,777,770
Investments measured at net asset value (a)	-	-	-	3,798,590
Total investments at fair value	\$ 21,777,770	\$ -	\$ -	\$ 25,576,360

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 27,335,850	\$ -	\$ -	\$ 27,335,850
Total assets in the fair value hierarchy	27,335,850	-	-	27,335,850
Investments measured at net asset value (a)	-	-	-	3,971,076
Total investments at fair value	\$ 27,335,850	\$ -	\$ -	\$ 31,306,926

(a) In accordance with Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Related Party and Party-In-Interest Transactions

The Plan's assets are administered under contracts with Principal Trust Company and Wells Fargo Bank, N.A. (the "custodians"), parties-in-interest as defined by ERISA. Contributions are held and managed by the custodians, who invest cash received. The custodians invest investment income and make distributions. Administrative expenses of the custodians are paid by the Company.

During July 2019, Principal Trust Company purchased Wells Fargo Bank, N.A.'s retirement plan business. Investments transferred during May of 2021.

During 2022 and 2021, the Plan received a net transfer of \$173,873 and \$15,073, respectively, from the PTC Alliance LLC Union Retirement Savings Plan due to changes in employee position or location.

Participants may borrow from their fund accounts and, therefore, these transactions also qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan.

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

5. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

6. Information Certified by Custodians

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2502.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, the custodians of the Plan have certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and the supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reported in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021. The Plan's independent auditors' did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

PTC Alliance LLC 401(k) Plan

Notes to Financial Statements (continued)

8. Reconciliation of Financial Statements to Form 5500

The Department of Labor regulations [Reg. 2520.103-1(b)(3)] require the notes to the financial statements to explain any variances from accounting principles generally accepted in the United States of America or differences between the information reported in the statements and in the Schedule H. There were no material differences between the financial statements and the Form 5500.

9. Delinquent Participant Contributions

For the year ended December 31, 2022, the Company did not remit a number of participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances are identified on the schedule of delinquent participant contributions.

During 2022, the Plan Sponsor took corrective action upon discovery of this issue. The Company calculated lost earnings from the delinquent contributions and credited the account of each affected participant.
