## Report of Independent Auditor

To the Benefits Committee  
The Bionetics Corporation 401(k) Savings Plan  
Yorktown, Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Bionetics Corporation 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule of Participant Delinquent Contributions – Form 5500, Schedule H, Part IV, Line 4a for the year ended December 31, 2022, and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**THE BIONETICS CORPORATION**  
**401(k) SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2022 AND 2021*

---

**Note 1—Description of the Plan**

The following brief description of The Bionetics Corporation 401(k) Savings Plan (the “Plan”) provides only general information. Reference should be made to the Plan Agreement for a more complete description of the Plan’s provisions.

*General* – The Plan is a defined contribution plan available to any employee of The Bionetics Corporation (the “Company”), who is not participating in a collective bargaining agreement. The Plan is also available to any employee of Bionetics Photo Services, who is not participating in a collective bargaining agreement. All employees, except those hired as casual labor employees, are immediately eligible and subject to automatic enrollment at a 3% deferral rate unless they positively elect not to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), and was established January 1, 1987, and was most recently amended January 1, 2021.

*Administration* – The Company is the Plan sponsor and Plan administrator. Certain administrative functions are performed by employees of the Company. These employees do not receive compensation from the Plan. The Benefit Committee outsourced the recordkeeping function of the Plan to Transamerica Retirement Solutions, LLC and State Street Bank and Trust Company (the “Trustee”) holds the assets of the Plan.

*Contributions* – Participants may make pre-tax contributions to the Plan in any percent of their base wages to the Plan, up to the maximum permitted by law subject to certain Internal Revenue Code (“IRC”) limitations. The maximum contribution limit for 2022 was \$20,500. Participants who are 50 years or older during the Plan year may make additional pretax contributions referred to as catch-up contributions. The limit on catch-up contributions for 2022 was \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan has an automatic contribution arrangement where an initial 3% will be required, and annually, an increase of 1% will occur, up to a maximum of 9%. Participants direct their investment of their contributions into the various investment options offered by the Plan. Annual contributions to the Plan by the Company at a rate of 50% of the first 2% of the Participant’s compensation contributed, and 30% of the next 7% of the Participant’s compensation contributed. Company contributions are invested as directed by the participants.

*Participant Accounts* – Participant accounts are adjusted daily for contributions, withdrawals, interest, dividends, and adjustments to reflect changes in the market value of investments. Participant accounts may also be charged with an allocation of certain administrative expenses. Investment earnings allocations are prorated to individual participant accounts based on end of day account balances.

*Vesting* – All employee contributions, rollover contributions, and earnings thereon are 100% vested. Employer-matching contributions and earnings thereon are fully vested after one year of service.

*Forfeitures* – The portion of a participant’s account attributable to employer contributions which is forfeited by a participant as a result of termination of participation in the Plan will be used to reduce the Company’s contributions or Plan’s administrative expenses. Forfeited amounts available as of December 31, 2022 and 2021 were \$7,092 and \$14,112, respectively. For the year ended December 31, 2022, \$12,395 of forfeited accounts were used to pay Plan expenses.

*Notes Receivable from Participants* – Each participant may borrow from their fund accounts between \$1,000 and the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or may exceed five years for the purchase of a primary residence. The loans are collateralized by the balance in the participant’s account and bear interest at a fixed rate established on the date of the loan at prime plus 1% (4.25% to 7.25% on current loans outstanding as of December 31, 2022). Principal and interest are paid ratably through monthly payroll deductions.

**401(k) SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2022 AND 2021

---

**Note 1—Description of the Plan (continued)**

*Payment of Benefits* – On termination of service due to death, retirement, or permanent disability, the participant or beneficiary is entitled to receive the vested interest in his or her account. Participants that have reached age 70½ may be required to take certain minimum distributions, which are paid in annual installments, which shall not extend beyond the participant's life expectancy. Participants may also withdraw all or any part of their vested account balance after having attained age 55 and five years of service, 59½, or incurred a hardship in accordance with the Plan.

*Investment Options* – Upon enrollment in the Plan, a participant may direct contributions in any of the investment options. Participants may change their investment options daily.

**Note 2—Summary of significant accounting policies**

*Basis of Presentation* – The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

*Use of Estimates* – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition* – Investments in the Plan are reported at fair value, except for the investment contract with insurance company, which is reported at contract value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to the fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

*Payment of Benefits* – Benefits paid to participants are recorded when paid.

*Administrative Expenses* – Certain expenses of maintaining the Plan are paid by the Company and are, therefore, excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

**NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2022 AND 2021

---

**Note 2—Summary of significant accounting policies (continued)**

*Fair Value Measurements* – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset and liability, in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

*Level 1* – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

*Level 2* – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

*Level 3* – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

*Mutual Funds* – These public investment vehicles are valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is classified within Level 1 of the valuation hierarchy based on the underlying assets of the account, which are traded on an active market.

*Money Market Fund* – This investment is a public investment vehicle valued using NAV provided by the administrator of the fund. The underlying assets are generally comprised of short-term securities representing high quality, liquid debt, and monetary assets. The Trustee establishes the market and quotes the price, on a daily basis, that is available to market participants, which is a market approach to valuation. The money market fund is classified within Level 2 of the valuation hierarchy.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

**Note 3—Information certified by the Plan’s Trustee (unaudited)**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

- Investments, at fair value, investments, at contract value, cash, and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, dividends and interest, and interest on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022.

The Plan’s independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

**Note 4—Fair value measurements**

The Plan’s financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

**THE BIONETICS CORPORATION**  
**401(k) SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2022 AND 2021*

---

**Note 5—Investment contract with insurance company**

The Plan is invested in the New York Life Guaranteed Interest Account (“GIA”), which consists of a guaranteed investment contract issued by New York Life Insurance Company (“NYL”). Contributions to the GIA are held in the NYL general account.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The account is included in the financial statements at contract value as reported to the Plan by NYL.

Because the GIA is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by NYL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a bi-annual basis for resetting, but will typically fall within a range of 1.00% and 3.00%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-off of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

**Note 6—Party-in-interest transactions**

Certain Plan investments are managed by Transamerica Retirement Solutions, LLC and State Street Bank and Trust Company. Transamerica Retirement Solutions, LLC is the third party administrator of the Plan and State Street Bank and Trust Company is the Trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan totaled \$84,282 for the year ended December 31, 2022 to Transamerica Retirement Solutions, LLC and State Street Bank and Trust Company.

Notes receivable from participants also qualify as party-in-interest transactions.

**Note 7—Plan termination**

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in accordance with the provisions of the Plan.

**THE BIONETICS CORPORATION**  
**401(k) SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2022 AND 2021*

---

**Note 8—Tax status**

The IRS informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust constitutes a qualified plan and trust under the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan's management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

**Note 9—Prohibited transactions**

During the years ended December 31, 2022 and 2021, the Company inadvertently failed to segregate and remit in a timely manner certain participant contributions (salary reduction amounts) from its assets within the required time period as specified by DOL Reg. 2510.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction according to the provisions of ERISA and the IRC. The Company made the deposit after the required time frame, and remitted lost earnings associated with the 2021 Plan year late remittances in 2022, and will remit lost earnings associated with the 2022 Plan year late remittances in 2023.

**Note 10—Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Note 11—Subsequent events**

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through September 1, 2023, the date these financial statements were available to be issued.
