Independent Auditors' Report

To the Plan Administrator of
Dweck Properties 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Dweck Properties 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2022, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Dweck Properties 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dweck Properties 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dweck Properties 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dweck Properties 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with of the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - modified cash basis as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Statement of Net Assets Available for Benefits

Management is responsible for the accompanying statement of net assets available for the benefits of the Plan as of December 31, 2021, and the related notes to the financial statement in accordance with the modified cash basis of accounting. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor we were required to perform any procedures to verify accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

Modified Cash Basis

December 31, 2022 (Audited) and December 31, 2021 (Compiled)

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Dweck Properties 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan, which was originally adopted with an effective date of January 1, 2021, and subsequently amended and reinstated effective on January 1, 2022. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code ("IRC"), covering all regular (not temporary) employees of Dweck Property Management, LLC ("Dweck") or (the "Company"). The Plan excludes from participation those who are union employees, certain nonresident aliens, and leased employees. The anniversary date for the Plan is January 1 of each year, and a plan year is the 12-month period commencing January 1 and ending December 31 of each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Assets of the Plan are held by Newport Trust Company, the Plan's trustee ("Newport" or the "Trustee").

Eligibility - Employees are eligible to participate in the Plan upon 90 consecutive days of employment and attainment of age twenty-one. The age and service requirements were waived for any eligible employee employed on or before February 1, 2021.

Contributions - The Plan is funded by the employees' contributions, which are equal to the total salary reduction elections of all participants. Participants may elect to defer up to 100 percent of their annual compensation subject to statutory limitations. Maximum contribution limits are adjusted annually by the Internal Revenue Service ("IRS"). Catch-up contributions, as defined in the Plan, are permitted for eligible participants age 50 or older. Participants may also contribute amounts representing distributions from other qualified plans and individual retirement accounts. The Plan also includes a Roth elective deferral option, whereby participants may elect to contribute after-tax dollars of their compensation, subject to statutory limitations.

The Company makes safe-harbor matching contributions equal to 100 percent of the first 3 percent of compensation that a participant contributes to the Plan, plus 50 percent of the next 2 percent of compensation that a participant contributes to the Plan. The Company may also make discretionary matching and profit-sharing contributions to the Plan. For the year ended December 31, 2022, the Company did not make any discretionary matching or profit-sharing contributions.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution and any matching contributions and allocations of (a) plan earnings and (b) administrative expenses. Allocations are based on participant compensation, participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Elections - Participants may direct the investment of their contributions and any matching contributions into various investment options offered by the Plan. Participants may change their investment elections and their total contribution percentage via an automated system at any time.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their contributions and safe-harbor matching contributions plus earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contribution portion plus actual earnings thereon is based on years of continuous service as follows:

Years of Service	Vesting Percentage
Less than 1 year	0%
1	25%
2	50%
3	75%
4 or more	100%

Forfeitures - The Company maintains a separate forfeiture account with Newport. When an employee terminates prior to full vesting, the Plan's cumulative unvested discretionary matching and profit-sharing contributions made on behalf of the participant, as well as earnings thereon, are transferred to the Plan's forfeiture account. Forfeitures occur at the earlier of the last day of the Plan year in which the participant incurs five consecutive one-year breaks in service, or the distribution of the entire vested portion of the participant's account.

Under the terms of the Plan, forfeitures may be used to reduce employer contributions or plan expenses. Employer contributions and plan expenses were not reduced by forfeitures during the year ended December 31, 2022 and the forfeiture account did not have a balance as of December 31, 2022 and 2021.

Payment of Benefits - On termination of service due to severance from employment, death, disability, attaining age 59 ½ years, or retirement, a participant with a vested balance of less than \$5,000 will receive a lump-sum distribution. Participants or their beneficiaries who have balances greater than \$5,000 may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account, or partial withdrawals or installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account automatically as a lump-sum distribution. Hardship distributions are permitted, provided that the withdrawal is to satisfy a heavy financial need. In-service withdrawals are also allowed for participants who are at least 59 ½ years old and can only be made from accounts which are 100 percent vested.

Notes Receivable from Participants - Loans to plan participants are permitted. Participants may borrow funds from their participant accounts up to a maximum amount equal to the lesser of \$50,000 or 50 percent of their vested account balances. Loans must be repaid in five years. A participant is permitted to have one outstanding loan at a time.

The loans are collateralized by the balance in the participant's vested interest in the Plan and bear interest at 2 percent over the prime interest rate. Principal and interest payments are paid by the participant.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan utilizes a modified cash basis of accounting for financial reporting purposes, whereby additions are recognized when received and deductions are recognized when paid, except that investments include adjustments to fair value at the end of the plan year and participant loans are reflected as notes receivable from participants. This method of accounting differs from accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires that additions are recognized when earned and deductions other than benefit payments are recognized when incurred.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of Estimates - The preparation of financial statements on the modified cash basis requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in various investment funds and a common collective trust. Investments in general are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Investments Valuation and Income Recognition - Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 3 for discussion of fair value measurements.

Net depreciation in fair value of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments, and certain fees. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value as of the beginning of the period or the cost of the investment if purchased during the year. Fees included in net depreciation of investments represent fees charged by the trustee for services provided in connection with recordkeeping and investment management.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Interest income earned on notes receivable from participants for the year ended December 31, 2022 was \$2,913.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

Payment of Participant Benefits - Benefits paid to participants are recorded when the cash is disbursed.

Administrative Expenses - All administrative expenses may be paid out of the Plan, unless paid by the Company.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2023, the date the accompanying financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets.
- b. Quoted prices for identical or similar assets or liabilities in inactive markets.
- c. Inputs other than quoted prices that are observable for the asset or liability.
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable and significant inputs for the asset or liability.

The Plan's valuation methodology used to measure the fair values of mutual funds (which includes fixed income, U.S. equities, and international equities) were derived from quoted market prices as substantially all of these instruments have active markets and are classified within Level 1 of the valuation hierarchy.

The fair value of the collective investment trust has been measured using the Net Asset Value ("NAV") provided by the administrator of the fund under the practical expedient approach. The NAV is based on the assets of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The investments underlying the collective trust fund include stable value investment contracts, fixed income instruments which underlie stable value contracts, and money market instruments. Participant transactions (purchases and sales) may occur daily. The investment has a redemption notice period of 12 months at the Plan level. There are no other redemption restrictions and no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers between levels during the year ended December 31, 2022 and 2021.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The table below presents the Plan's investments measured at fair value on a recurring basis as of December 31, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	As of December 31, 2022 (Audited)			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,118,212	\$ -	\$ -	\$ 3,118,212
Collective trust fund (a)	-	-	-	15,667
Total				\$ 3,133,879

Investments measured at fair value on a recurring basis as of December 31, 2021:

	As of December 31, 2021 (Compiled)			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,885,908	\$ -	\$ -	\$ 2,885,908
Collective trust fund (a)	-	-	-	3,031
Total				\$ 2,888,939

- (a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Trustee has certified that certain information related to investments and notes receivable from participants included in the accompanying financial statements and supplemental schedule is complete and accurate.

The following table summarizes the information included in the Plan's financial statements, which was prepared by the Trustee for the years ended December 31, 2022 and 2021, and furnished to Dweck. Dweck has obtained a certification from the Trustee that such information is complete and accurate.

	2022	2021
Investments, at fair value	\$ 3,133,879	\$ 2,888,939
Notes receivable from participants	62,604	40,796

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE - CONTINUED

For the year ended December 31, 2022, the Trustee has also certified to the completeness and accuracy of the activity related to the investment income as follows:

Investment income (loss):	
Net depreciation in fair value of investments	\$ (594,812)
Interest and dividends	87,470
Total investment loss	(507,342)
Interest, notes receivable from participants	
	\$ 2,913

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined that the prototype profit sharing plan adopted by the Plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC") and has informed the plan administrator of such in a letter dated November 30, 2020. Although the Plan has been amended since the date of this opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified as tax exempt. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision for income taxes has been included in the Plan's modified cash basis financial statements.
