INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants
ATSG, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of ATSG, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the Financial Statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the 2022 Financial Statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of ATSG, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ATSG, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the ATSG, Inc. 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with the ATSG, Inc. 401(k) Plan provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ATSG, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ATSG, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by a predecessor auditor. They performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. The report dated September 27, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with the modified cash basis of accounting, and (b) the information in the 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

INVESTMENT OPTIONS (CONTINUED)

The Pension Protection Act created the Qualified Default Investment Alternative (“QDIA”) which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the Blackrock Global Allocation Fund as the QDIA.

VESTING

Participants are 100% vested in their voluntary employee contributions (including rollover contributions) and earnings related to those contributions.

Vesting in the Company’s matching contributions plus earnings thereon is based on the years of service according to the vesting table below:

<u>Years of Service</u>	<u>Vested Percent</u>

3	100%

Participants are credited with a year of service for each twelve-month period from the date of employment until the date they terminate employment.

FORFEITED ACCOUNTS

Forfeitures, as defined in the Plan Agreement, when not used to pay administrative costs of the Plan, will be used to reduce employer contributions. NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

Upon termination of service, death or disability, the participant's benefit under the Plan is payable in either in a lump sum equal to the value of the participant's vested interest in his or her account, or annual installments in accordance with the Plan agreement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as lump sum distribution.

HARDSHIP WITHDRAWALS

The Plan provides for hardship withdrawals not to exceed an amount required to meet the immediate need created by the hardship, and then only to the extent such immediate need cannot be satisfied by other sources reasonably available to the participant. Permissible circumstances for hardship withdrawals include medical expenses not reimbursed by insurance, purchase of a principal residence, amounts necessary to prevent foreclosure or eviction from the participant's principal residence, post-secondary education for the next 12 months, burial or funeral costs, expenses and losses incurred for the repair of damage to the principal residence and such other circumstances as the Plan Administrator may determine. The minimum amount allowed for hardship withdrawals under the Plan is \$500.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred.

ATSG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution is recorded. For the years ended December 31, 2022, there were \$2,189, of deemed distributions. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

MANAGEMENT FEES AND OPERATING EXPENSES

Management fees and operating expenses charged to the Plan for specific investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in net appreciation (depreciation) in the fair value of such investments.

INCOME RECOGNITION

Net appreciation (depreciation) in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold, as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of investments are recorded on a trade-date basis. Interest on notes receivable from participants is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements.

SUBSEQUENT EVENTS

The financial statements were approved by management and available for issuance on October 16, 2023. Management has evaluated subsequent events through this date.

Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS (CONTINUED)

The SECURE Act 2.0 of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP defines fair value, provides guidance for measuring fair value and requires certain disclosures. GAAP discusses valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flow), and the cost approach (cost to replace the service capacity of an asset or replacement cost). GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs that reflect the Company's own assumptions.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

MUTUAL FUNDS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission and are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are categorized as Level 1

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

MUTUAL FUNDS (CONTINUED)

The following tables summarizes investment assets measured at fair value at December 31, 2022 and 2021:

December 31, 2022	Investments, at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,352,453	\$ --	\$ --	\$ 18,352,453

December 31, 2021	Investments, at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,767,140	\$ --	\$ --	\$ 16,767,140

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays the salaries of these individuals and also pays other administrative expenses. Certain fees, to the extent not paid by the Company, are paid by the Plan. The Plan paid administrative fees related to the TPA and record keeper of \$4,550 for the year ended December 31, 2022.

In addition, Merrill provided investment advisory services to the Plan. Fees paid by the Plan for investment advisory services were \$44,922 for the year ended December 31, 2022.

ATSG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 6 - TAX STATUS

The Company adopted a pre-approved prototype plan offered by the Plan's Custodian. The IRS has determined that the prototype plan, in a letter dated October 6, 2020, is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends and interest for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian. This information has not been audited by the Plan's independent auditors.

NOTE 8 - RISKS AND UNCERTAINTIES, AND CONCENTRATION

The Plan invests in various investment securities, which, in general, are exposed to various risks such as interest rate, market risk, credit and overall volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Two funds each represented more than 10% of the total investments held at December 31, 2022 and 2021.

Re: Required communications between Marcum and Those Charged with Governance

In accordance with auditing standards generally accepted in the United States of America (“GAAS”), Marcum LLP (“Marcum” or the “Firm”), as auditors of ATSG, Inc. 401(k) Plan (the “Plan”), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the “Those Charged with Governance”). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditors’ Responsibility under U.S. Generally Accepted Auditing Standards

Marcum is responsible to communicate the auditors’ responsibilities under GAAS.

We have audited the financial statements of ATSG, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022 and we issued our report thereon dated October 16, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (“GAAP”). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated August 17, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Other Information in Documents Containing Audited Financial Statements

Those Charged with Governance should be informed as to the auditors' responsibility for other information in documents containing audited financial statements, as well as any procedures performed and the results.

Our responsibility does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate any other information in documents containing our audit report. However, we are required to read the other information included in the Plan's Form 5500 as prescribed by AU-C 720, "Other Information in Documents Containing Audited Financial Statements," and to conclude whether there is any material inconsistency or material misstatement with the information presented in the Plan's financial statements. With respect to our audit of the Plan's financial statements, we are aware of no such material inconsistencies or material misstatements included in the other information contained in the documents with the audited financial statements.

3. Planned Scope and Timing of the Audit

The auditor should communicate an overview of the planned scope and timing of the audit. This communication may assist Those Charged with Governance in better understanding the consequences of the auditor's work for their oversight activities, discussing with the auditor issues of risk and materiality, and identifying any areas in which they may request the auditor to undertake additional procedures. Such communication may also assist the auditor in better understanding the Plan and its environment. Nevertheless, the auditor maintains sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- The allocation of responsibilities between Those Charged with Governance and management.*
- The Plan's objectives and strategies, and the related business risks that may result in material misstatements.*
- Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.*
- Significant communications with regulators.*
- Other matters you believe are relevant to the audit of the financial statements.*
- The attitudes, awareness, and actions of Those Charged with Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.*
- The actions of Those Charged with Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.*
- The actions of Those Charged with Governance in response to previous communications with the auditor.*

4. Qualitative Aspects of the Plan's Significant Accounting Policies

The auditor should discuss the auditors' judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting, including the ramifications of alternative methods. The auditor should also discuss the initial selection of, and changes in, significant accounting policies, including the application of new accounting pronouncements. The discussion should be open and frank and generally should include such matters as consistency of the Plan's accounting policies and their application, and the clarity and completeness of the Plan's financial statements, which include related disclosures. The discussion should include items that have a significant impact on the representational faithfulness, verifiability and neutrality of the accounting information included in the financial statements. Particular emphasis should be placed on those policies and principles that are deemed critical. Critical accounting policies are those that are the most important to the portrayal of the Plan's financial condition and results and require management's most difficult, subjective or complex judgments.

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by ATSG, Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

There are no specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

5. Management Judgments and Significant Accounting Estimates

Those Charged with Governance should be informed about the process used by management in formulating particularly sensitive accounting estimates and about the basis for the auditor's conclusions regarding the reasonableness of those estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements is the estimated fair market values of the Plan's investments which has been certified by the Custodian.

6. Financial Statement Disclosures

Those Charged with Governance should be informed about sensitive or otherwise significant financial statement disclosures. GAAP mandates many specific disclosures, and also requires that a complete set of financial statements include all other disclosure necessary to assure the financial statements are not misleading. The determination of appropriate disclosure requires significant judgment by management.

The most sensitive disclosures affecting the Plan's financial statements are the disclosures of fair value measurements of the Plan's investments. Refer to Note 2 in the financial statements.

The financial statement disclosures are neutral, consistent and clear.

7. Significant Difficulties Encountered During the Audit

Serious difficulties encountered in dealing with management that related to the performance of the audit are required to be brought to the attention of Those Charged with Governance.

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

8. Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, which could be significant to the Plan's financial statements or the auditors' report. However, a disagreement does not include a difference of opinion based on incomplete facts or preliminary information that is later resolved.

There were no such disagreements.

9. Management Consultations with Other Accountants

When the auditor is aware that management has consulted with other accountants about significant accounting or auditing matters, the auditors' views about the subject of the consultation should be communicated to Those Charged with Governance.

To our knowledge, no such consultations were made by management.

10. Form 5500 Procedures

In accordance with AU-C 703, we are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements.

We identified no material inconsistencies in performing and completing our audit.

11. Other Audit Findings or Issues

The auditor should communicate any issues arising from the audit that are, in the auditors' professional judgment, significant and relevant to Those Charged with Governance regarding their oversight of the financial reporting process. In addition, the auditor should communicate to Those Charged with Governance any significant issues that were discussed or were the subject of correspondence with management.

There are no other audit findings or issues.

12. Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in

the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

13. Fraud or violations of Laws and Regulations

Those Charged with Governance should be adequately informed of fraud or violations of laws and regulations coming to the auditor's attention during the course of the audit.

There were no fraud or violations of laws and regulations that came to our attention during the course of our audit.

14. Communicated Internal Control and Reportable Finding Matters

Our consideration of internal control was for the limited purpose described in item # 1 above and would not necessarily identify all deficiencies in internal control that might be material weaknesses, significant deficiencies or reportable findings and therefore, there can be no assurance that all material weaknesses, significant deficiencies or reportable findings have been identified.

A reportable finding exists when it is determined that the plan is not operating in accordance with the plan instrument or other specified criteria or indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditors' professional judgment, are of sufficient importance to merit management's attention.

A control deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal control to be a significant deficiency and reportable finding:

- **Retention of Records**

During our audit, we noticed that the Plan did not maintain complete personnel files for employees selected for testing. Supporting documentation for employees selected for testing should be readily available within the Plan. We strongly recommend that a better system of documentation retention and file maintenance be implemented. A good record maintenance and retention system will not only improve the efficiency of

the audit process, it will also aid in strengthening internal controls over the Plan and financial reporting. Document maintenance and retention is critically important to the accuracy of financial reporting over the Plan.

- **Management Review of Plan Activity Reports**

Generally, a plan sponsor must review the activity of the Plan to ensure all reported transactions are complete and accurate. We recommend implementing a policy to document Plan management's review of the transactions of the Plan to ensure Plan management is performing their fiduciary responsibility as it relates to the Plan.

- **2021 Employee Contribution Receivable**

The plan sponsor must review the year end pay periods to ensure there are no receivables required in the financial statements of the Plan. We noted that the employee contribution receivable for December 2021 was not recorded in the Plan's financial statements. We recommend implementing a policy to ensure that employee deferrals are recorded timely in the Plan's financial statements.

15. Independence

In order to issue an auditors' report, Marcum must be independent from the Plan in accordance with professional standards. The auditor may choose to communicate circumstances or relationships, such as financial interests, business or family relationships or nonaudit services provided or expected to be provided, that in the auditors' judgment may reasonably be thought to bear on independence, and that the auditor gave significant consideration to in reaching the conclusion that independence has not been impaired.

There are no matters identified that impair our independence.

This report is intended solely for the information and use of the individuals charged with governance, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

A handwritten signature in black ink that reads "Marcum LLP". The script is cursive and fluid, with the letters "M", "L", and "P" being particularly prominent.
