INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
McClymonds Supply & Transit Company, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of McClymonds Supply & Transit Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of McClymonds Supply & Transit Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of

[1]

The CPA. Never Underestimate The Value.®

McClymonds Supply & Transit Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McClymonds Supply & Transit Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McClymonds Supply & Transit Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McClymonds Supply & Transit Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1—DESCRIPTION OF PLAN

The following description of the McClymonds Supply & Transit Company, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan was established by McClymonds Supply & Transit Company, Inc., along with its affiliates, West Penn Aggregates, Inc., Muddy Creek Leasing, Inc. and Colona Transfer, L.P. (collectively, the “Company”) on January 1, 1997 to encourage and assist employees in adopting a regular savings program to provide for their retirement. The Plan is a participant-directed defined contribution profit sharing plan for eligible non-union employees of the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Merger - On April 29, 2022, the Board of Directors of McClymonds Supply & Transit Company, Inc., a controlling party of DTA, LP, approved the merger of Don Martin Trucking 401(k) Plan into the McClymonds Supply & Transit Company, Inc. 401(k) Plan. As a result, assets in the amount of \$1,980,224 were transferred into the Plan from Don Martin Trucking 401(k) Plan, effective June 6, 2022.

Additionally, Three Rivers Aggregates, LLC 401(k) Savings Plan merged into McClymonds Supply & Transit Company, Inc. 401(k) Plan. As a result, assets in the amount of \$1,404,300 were transferred into the Plan from Three Rivers Aggregates, LLC 401(k) Savings Plan, effective June 14, 2022.

Total assets transferred into the Plan during the year totaled \$3,384,524.

Eligibility – Effective January 1, 2011, the Plan was amended to modify the eligibility requirements to require employees to attain the age of 18 and complete 500 hours of service in a six-month period to participate in the plan. Also, to be eligible for employer matching and profit-sharing contributions, employees are required to attain the age of 21 and complete 500 hours of service in a six-month period. Eligible individuals are permitted to enter the Plan on the first day of each plan quarter coincident with or next following the date on which he/she achieves the above eligibility requirements.

Contributions – Participants may elect to contribute up to 100% of his or her eligible compensation, subject to IRS dollar limitations. The Plan includes an automatic contribution provision for employees hired after December 31, 2014. If a participant fails to elect an alternative contribution amount or fails to elect not to contribute, the Company will automatically defer 3% of the participant’s compensation beginning on the participant’s eligibility date. Participants who are enrolled in automatic contributions will receive a 0.5% increase in contribution deferral percentage every year, up to a maximum of 5% of compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations as defined in the Plan agreement and as limited by statute.

The Plan provides for a discretionary employer matching contribution, which was equal to 25% of the first 5% of each participant’s elective deferral in 2022 and 2021. In addition, the Company may make discretionary profit-sharing contributions to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of the Company’s contributions and Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Vesting – Participants are immediately vested in their voluntary contributions and actual earnings thereon. Participants became vested in the Company's discretionary contributions in accordance with the following vesting schedule:

<u>Periods of Service</u>	<u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants attaining the age of 65 while employed by the Company and those who have died or become disabled before termination of employment are 100% vested.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Such loans are made, and repayment terms are established, in accordance with regulatory provisions. Terms range from one to five years, or longer if the proceeds are used for the purchase of a primary residence. Each note is secured by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. During 2022, interest rates ranged between 4.25% and 8.00%. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits – Participants are eligible to receive distributions upon retirement, disability, or termination of employment with the Company. Distributions can also be approved for immediate financial hardships. Payment is in the form of a lump-sum payout of the participant's vested account balance or via installments.

Forfeited Accounts – Forfeitures of employer contributions may be used to pay administrative costs of the Plan or employer contributions thereto, and any remaining amounts may be allocated to participants in proportion to their compensation for the year. Forfeitures available for use by the Plan were \$114,471 and \$113,046 as of December 31, 2022 and 2021, respectively. During the years ended December 31, 2022 and 2021, respectively, forfeitures in the amount of \$30,231 and \$37,137 were used to reduce the Company's contributions.

Plan Expenses and Costs – Certain administrative expenses are paid for by the Company, while others are paid for by the Plan. Expenses that are paid by the Company are excluded from these financial statements.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Net appreciation or depreciation in fair value of investments includes realized gains and losses on investments sold during the year as well as the current year change in unrealized appreciation and depreciation of investments held at the end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded as earned.

All investments are considered to be participant-directed.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The plan has adopted a prototype non-standardized profit-sharing plan document with a cash or deferral arrangement sponsored by SDAdvantage Retirement Solutions LP. The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2022 and 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 3—INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The trustee of the Plan has certified that certain information disclosed in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31, 2022 and 2021, in accordance with DOL Regulation 2520.103-5. Such information includes the composition, cost and current value of all investments held as of December 31, 2022 and 2021, as reported

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.

NOTES TO FINANCIAL STATEMENTS

in the statements of net assets available for benefits and supplemental schedule, and the interest, dividends, and net appreciation (depreciation) in fair value of investments, as reported in the statements of changes in net assets available for benefits for the years then ended.

NOTE 4—FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted Prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund which represents the net asset value of the investments held by the fund at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the plan are considered to be actively traded.

Collective Trust Funds: The MetLife Stable Value Fund is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The fund invests primarily in the MetLife Group Annuity Contract 25053, which consists of separately managed investment portfolios directed by Reliance Trust Company. This fund is a bank collective trust fund for which Reliance Trust Company serves as the trustee and investment manager. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 30 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

participant redemption restrictions on these investments; the redemption period notice is only applicable to the Plan. The collective trust's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. There are no unfunded commitments, and the redemption frequency is daily.

The Clearbridge Large Cap Growth Fund is designed to seek long-term capital growth. It is valued in the same fashion as the mutual funds described above.

The BlackRock Equity Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the S&P 500 Index. The Fund is invested solely in the BlackRock Equity Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock Mid Cap Equity Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the S&P Midcap 400 Index. The Fund is invested solely in the BlackRock Mid Cap Equity Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock MSCI ACWI ex-U.S. Index Fund is designed to achieve investment results that correspond generally to the price and yield performance, before fees and expenses, of the MSCI ACWI ex-U.S. Net Dividend Return Index. The Fund is invested solely in the BlackRock MSCI ACWI ex-U.S. Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock Russell 2000 Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the Russell 2000 Index. The Fund is invested solely in the BlackRock Russell 2000 Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock U.S. Debt Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the Bloomberg Barclays Capital U.S. Aggregate Bond Index. The Fund is invested solely in the BlackRock U.S. Debt Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The Wilmington Trust flexPATH Emerging Markets Fund seeks capital appreciation through investing in emerging and developing market stocks. flexPATH Strategies, LLC has selected, and the Trustee has approved, the Invesco Emerging Markets Equity Trust T as the Underlying Fund. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The PGIM Total Return Bond Fund is designed to outperform the Bloomberg Barclays U.S. Aggregate Bond Index. Units of each fee class of each Fund are valued each day on which the New York Stock Exchange ("NYSE") is open for trading in accordance with the valuation procedures established by the Trustee. The net asset value (NAV) per unit is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total fair value of the

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

assets of each Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in each Fund and included in the determination of unit values.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2022 and 2021:

NOTE 5—AMENDMENT AND TERMINATION

It is the intention of the Company to continue the Plan indefinitely and to make contributions as herein provided. The Company reserves the right, in its sole discretion by written action by the Plan sponsor, to amend the plan, terminate the plan, or to reduce or cease contributions at any time. Notwithstanding any other provision of this Plan, no action to amend or terminate the Plan may have the effect of decreasing, denying or otherwise adversely affecting any benefit to a participant that is a “protected benefit” within the meaning of Code Section 411(d)(6) and the Treasury Regulations thereunder. In the event of Plan termination, participants will become 100% vested in amounts attributed to the Company’s contributions.

The Plan was last amended and restated effective January 1, 2022.

NOTE 6—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others.

Notes receivable from Plan participants qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules.

The Company’s employees perform certain administrative functions on behalf of the Plan for which no fees are charged. Certain Plan investments are in the custody of Charles Schwab Trust Bank, the trustee of the Plan.

During the years ended December 31, 2022 and 2021, administrative fees of \$168,601 and \$146,493, respectively, were paid by the Plan to the trustee, which qualify as party-in-interest transactions. The Plan sponsor also pays certain fees and expenses of the Plan.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 8—SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

NOTE 9—SUBSEQUENT EVENTS

Management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements as of the date of the independent auditor's report, which is the date the financial statements were available to be issued. There were no subsequent events requiring adjustments to the financial statements or disclosures, as stated herein.

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1—DESCRIPTION OF PLAN

The following description of the McClymonds Supply & Transit Company, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan was established by McClymonds Supply & Transit Company, Inc., along with its affiliates, West Penn Aggregates, Inc., Muddy Creek Leasing, Inc. and Colona Transfer, L.P. (collectively, the “Company”) on January 1, 1997 to encourage and assist employees in adopting a regular savings program to provide for their retirement. The Plan is a participant-directed defined contribution profit sharing plan for eligible non-union employees of the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Merger - On April 29, 2022, the Board of Directors of McClymonds Supply & Transit Company, Inc., a controlling party of DTA, LP, approved the merger of Don Martin Trucking 401(k) Plan into the McClymonds Supply & Transit Company, Inc. 401(k) Plan. As a result, assets in the amount of \$1,980,224 were transferred into the Plan from Don Martin Trucking 401(k) Plan, effective June 6, 2022.

Additionally, Three Rivers Aggregates, LLC 401(k) Savings Plan merged into McClymonds Supply & Transit Company, Inc. 401(k) Plan. As a result, assets in the amount of \$1,404,300 were transferred into the Plan from Three Rivers Aggregates, LLC 401(k) Savings Plan, effective June 14, 2022.

Total assets transferred into the Plan during the year totaled \$3,384,524.

Eligibility – Effective January 1, 2011, the Plan was amended to modify the eligibility requirements to require employees to attain the age of 18 and complete 500 hours of service in a six-month period to participate in the plan. Also, to be eligible for employer matching and profit-sharing contributions, employees are required to attain the age of 21 and complete 500 hours of service in a six-month period. Eligible individuals are permitted to enter the Plan on the first day of each plan quarter coincident with or next following the date on which he/she achieves the above eligibility requirements.

Contributions – Participants may elect to contribute up to 100% of his or her eligible compensation, subject to IRS dollar limitations. The Plan includes an automatic contribution provision for employees hired after December 31, 2014. If a participant fails to elect an alternative contribution amount or fails to elect not to contribute, the Company will automatically defer 3% of the participant’s compensation beginning on the participant’s eligibility date. Participants who are enrolled in automatic contributions will receive a 0.5% increase in contribution deferral percentage every year, up to a maximum of 5% of compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations as defined in the Plan agreement and as limited by statute.

The Plan provides for a discretionary employer matching contribution, which was equal to 25% of the first 5% of each participant’s elective deferral in 2022 and 2021. In addition, the Company may make discretionary profit-sharing contributions to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of the Company’s contributions and Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Vesting – Participants are immediately vested in their voluntary contributions and actual earnings thereon. Participants became vested in the Company's discretionary contributions in accordance with the following vesting schedule:

<u>Periods of Service</u>	<u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants attaining the age of 65 while employed by the Company and those who have died or become disabled before termination of employment are 100% vested.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Such loans are made, and repayment terms are established, in accordance with regulatory provisions. Terms range from one to five years, or longer if the proceeds are used for the purchase of a primary residence. Each note is secured by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. During 2022, interest rates ranged between 4.25% and 8.00%. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits – Participants are eligible to receive distributions upon retirement, disability, or termination of employment with the Company. Distributions can also be approved for immediate financial hardships. Payment is in the form of a lump-sum payout of the participant's vested account balance or via installments.

Forfeited Accounts – Forfeitures of employer contributions may be used to pay administrative costs of the Plan or employer contributions thereto, and any remaining amounts may be allocated to participants in proportion to their compensation for the year. Forfeitures available for use by the Plan were \$114,471 and \$113,046 as of December 31, 2022 and 2021, respectively. During the years ended December 31, 2022 and 2021, respectively, forfeitures in the amount of \$30,231 and \$37,137 were used to reduce the Company's contributions.

Plan Expenses and Costs – Certain administrative expenses are paid for by the Company, while others are paid for by the Plan. Expenses that are paid by the Company are excluded from these financial statements.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Net appreciation or depreciation in fair value of investments includes realized gains and losses on investments sold during the year as well as the current year change in unrealized appreciation and depreciation of investments held at the end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded as earned.

All investments are considered to be participant-directed.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The plan has adopted a prototype non-standardized profit-sharing plan document with a cash or deferral arrangement sponsored by SDAdvantage Retirement Solutions LP. The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2022 and 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 3—INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The trustee of the Plan has certified that certain information disclosed in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31, 2022 and 2021, in accordance with DOL Regulation 2520.103-5. Such information includes the composition, cost and current value of all investments held as of December 31, 2022 and 2021, as reported

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

in the statements of net assets available for benefits and supplemental schedule, and the interest, dividends, and net appreciation (depreciation) in fair value of investments, as reported in the statements of changes in net assets available for benefits for the years then ended.

NOTE 4—FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted Prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund which represents the net asset value of the investments held by the fund at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the plan are considered to be actively traded.

Collective Trust Funds: The MetLife Stable Value Fund is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The fund invests primarily in the MetLife Group Annuity Contract 25053, which consists of separately managed investment portfolios directed by Reliance Trust Company. This fund is a bank collective trust fund for which Reliance Trust Company serves as the trustee and investment manager. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 30 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

participant redemption restrictions on these investments; the redemption period notice is only applicable to the Plan. The collective trust's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. There are no unfunded commitments, and the redemption frequency is daily.

The Clearbridge Large Cap Growth Fund is designed to seek long-term capital growth. It is valued in the same fashion as the mutual funds described above.

The BlackRock Equity Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the S&P 500 Index. The Fund is invested solely in the BlackRock Equity Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock Mid Cap Equity Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the S&P Midcap 400 Index. The Fund is invested solely in the BlackRock Mid Cap Equity Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock MSCI ACWI ex-U.S. Index Fund is designed to achieve investment results that correspond generally to the price and yield performance, before fees and expenses, of the MSCI ACWI ex-U.S. Net Dividend Return Index. The Fund is invested solely in the BlackRock MSCI ACWI ex-U.S. Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock Russell 2000 Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the Russell 2000 Index. The Fund is invested solely in the BlackRock Russell 2000 Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The BlackRock U.S. Debt Index Fund is designed to achieve investment results that are similar to the price and yield performance, before fees and expenses, of the Bloomberg Barclays Capital U.S. Aggregate Bond Index. The Fund is invested solely in the BlackRock U.S. Debt Index Fund managed by BlackRock Institutional Trust Company, N.A. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The Wilmington Trust flexPATH Emerging Markets Fund seeks capital appreciation through investing in emerging and developing market stocks. flexPATH Strategies, LLC has selected, and the Trustee has approved, the Invesco Emerging Markets Equity Trust T as the Underlying Fund. It is valued at the net asset value (NAV) of units of the collective trust as determined by the issuer. The net asset value is used as a practical expedient to estimate fair value.

The PGIM Total Return Bond Fund is designed to outperform the Bloomberg Barclays U.S. Aggregate Bond Index. Units of each fee class of each Fund are valued each day on which the New York Stock Exchange ("NYSE") is open for trading in accordance with the valuation procedures established by the Trustee. The net asset value (NAV) per unit is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total fair value of the

McCLYMONDS SUPPLY & TRANSIT COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

assets of each Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in each Fund and included in the determination of unit values.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2022 and 2021:

NOTE 5—AMENDMENT AND TERMINATION

It is the intention of the Company to continue the Plan indefinitely and to make contributions as herein provided. The Company reserves the right, in its sole discretion by written action by the Plan sponsor, to amend the plan, terminate the plan, or to reduce or cease contributions at any time. Notwithstanding any other provision of this Plan, no action to amend or terminate the Plan may have the effect of decreasing, denying or otherwise adversely affecting any benefit to a participant that is a “protected benefit” within the meaning of Code Section 411(d)(6) and the Treasury Regulations thereunder. In the event of Plan termination, participants will become 100% vested in amounts attributed to the Company’s contributions.

The Plan was last amended and restated effective January 1, 2022.

NOTE 6—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others.

Notes receivable from Plan participants qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules.

The Company’s employees perform certain administrative functions on behalf of the Plan for which no fees are charged. Certain Plan investments are in the custody of Charles Schwab Trust Bank, the trustee of the Plan.

During the years ended December 31, 2022 and 2021, administrative fees of \$168,601 and \$146,493, respectively, were paid by the Plan to the trustee, which qualify as party-in-interest transactions. The Plan sponsor also pays certain fees and expenses of the Plan.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 8—SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

NOTE 9—SUBSEQUENT EVENTS

Management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements as of the date of the independent auditor's report, which is the date the financial statements were available to be issued. There were no subsequent events requiring adjustments to the financial statements or disclosures, as stated herein.
