INDEPENDENT AUDITOR'S REPORT

October 11, 2023

To the Retirement Plan Committee of
The New St. Johnland Nursing 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The New St. Johnland Nursing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE NEW ST. JOHNLAND NURSING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. THE PLAN

The following description of The New St. Johnland Nursing 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a contributory defined contribution plan covering all non-union employees of St. Johnland Nursing Center, Inc. (the Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Automatic Data Processing, Inc. (ADP) provides recordkeeping services for the Plan. Reliance Trust Company (Reliance) is the Plan’s trustee and custodian and executes investment transactions.

Eligibility

Employees become eligible to participate and contribute to the Plan upon completing 90 days of service and attaining the age of 18. Employees become eligible to receive the Sponsor’s matching and profit-sharing contributions upon completing one year of service and attaining the age of 21.

Contributions

Eligible participants are able to contribute up to 80 percent of their annual compensation, as defined in the plan document. The total contribution to the Plan may not exceed the annual dollar limits set by the Internal Revenue Code (IRC). Participants may designate all or a portion of their elected deferrals as Roth elective deferrals. Participants are also permitted to make rollover contributions of amounts received from other tax-qualified employer-sponsored defined contribution plans.

The Sponsor may make matching contributions equal to a fixed percentage of the participant’s elective deferrals. For the year ended December 31, 2022 and 2021, the Plan Sponsor made matching contribution equal to 50%, respectively of eligible employees’ salary deferrals, to the extent such deferrals did not exceed 6% of eligible participant compensation. Participants were entitled to receive matching contributions if they completed 1,000 hours of service during the plan year and were employed on the last day of the plan year.

The Sponsor can also elect to make discretionary profit-sharing contributions. The Plan Sponsor made no profit-sharing contributions for the years ended December 31, 2022 or 2021.

Participants direct how their accounts are to be invested by choosing among the investment funds made available by the trustee of the Plan.

1. THE PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or installment payments under various options.

Participants may also, in certain instances, make withdrawals to meet the need of a hardship, as defined by IRC. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Matching and profit-sharing contributions made by the Sponsor vest according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Participants are allowed to borrow against their respective account balance. Participants may borrow up to the lesser of 50% of their vested account balances or \$50,000. Loans are repayable over periods not to exceed five years, except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at the prime rate plus 1%. The loans are secured by the balances in the participants' accounts.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Sponsor's contributions, (b) plan earnings and (c) plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan currently offers various investment options including mutual funds and common collective trusts. Participants may change their investment options daily.

Forfeitures

Participants who terminate employment before being fully vested will forfeit their interest in employer contribution account balances. These forfeited account balances will be used to reduce employer contributions. The balance of unallocated forfeitures totaled \$426 and \$3,027 at December 31, 2022 and 2021, respectively. Approximately \$22,000 and \$18,000 of forfeitures were used to reduce employer contributions during 2022 and 2021, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and those changes could materially affect the amounts of assets available for Plan benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Administrative Expenses

Administrative expenses may be paid by the Plan or the Sponsor, at the Sponsor's discretion.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Investments

Investments are stated at fair value. Changes in the current value of investments, including realized/unrealized gains and losses on assets sold/held during the year, are reflected in the statements of changes in net assets available for benefits as appreciation or depreciation in the fair value of investments. Dividends are recorded on the ex-dividend date and purchases and sales of securities are rendered on a trade-date basis (the date the order to buy or sell is executed). Interest income is recognized on the accrual basis.

Fair value of investments represents the price that would be received upon the sale of an asset or paid upon the transfer of a liability in an orderly transaction between market participants as of the measurement date. Financial instruments are measured and reported at fair value and are classified and disclosed in one of the following categories based on the lowest level input that is significant to the fair value management in its entirety:

- Level 1 inputs are quoted prices in active markets that are accessible at the measurement date for assets or liabilities.
- Level 2 inputs are observable prices that are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 inputs are unobservable inputs that are used when little or no market data is available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

The Plan's investments in mutual funds were valued based upon quoted prices in active markets. The Plan's investments in common collective trust funds are valued at fair value using the net asset value (NAV) per share practical expedient based on the value of underlying investments.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. INVESTMENT INFORMATION

The following information was certified as complete and accurate by the trustee and is included in the accompanying financial statements and schedule:

	<u>2022</u>	<u>2021</u>
Investments	\$ 6,498,915	\$ 8,070,810
Total investment (loss) income	\$ (1,334,310)	\$ 976,078
Notes receivable from participants	\$ 275,619	\$ 322,309
Interest income on notes receivable from participants	\$ 14,061	\$ 15,416
Schedule of Assets (Held at End of Year) - Schedule I		

4. FAIR VALUE MEASUREMENTS

At December 31, 2022, the Plan's investments, measured at fair value on a recurring basis, were valued as follows:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	\$ 6,109,611	\$ -	\$ -	\$ 6,109,611
	<u>\$ 6,109,611</u>	<u>\$ -</u>	<u>\$ -</u>	<u>6,109,611</u>
Investments measured at net asset value				<u>389,304</u>
				<u>\$ 6,498,915</u>

At December 31, 2021, the Plan's investments, measured at fair value on a recurring basis, were valued as follows:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	\$ 7,607,358	\$ -	\$ -	\$ 7,607,358
	<u>\$ 7,607,358</u>	<u>\$ -</u>	<u>\$ -</u>	<u>7,607,358</u>
Investments measured at net asset value				<u>463,452</u>
				<u>\$ 8,070,810</u>

There have been no changes in valuation techniques during 2022 and 2021.

The Plan is invested in common collective trusts (CCT) that invest in various securities through commingled investment vehicles and calculate NAV on a daily basis. Units are issued and redeemed as of the end of each day at the daily NAV. The investments were organized by the Plan Sponsor to maximize investment opportunities and returns. The investments are managed by professional investment management firms. Income is allocated to the Plan based on the percentage of the net asset value of its individual funds to the total investment balance. These investments had no unfunded commitments in 2022 and 2021.

Redemptions are generally restricted to processing on a valuation date at the daily NAV per unit computed on that date. CCT units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the CCTs. Due to the nature of the investments held, changes in market conditions and the economic environment may significantly impact the NAV and, consequently, the recorded value of the Plan's interests in the funds.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account.

6. TAX STATUS

The Plan obtained the latest determination letter for the Prototype Plan it is based on, dated July 2014, in which the Internal Revenue Service stated that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

ADP is the recordkeeper and Reliance is the trustee and custodian of the Plan's assets. As such, transactions between ADP, Reliance and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:
