Hawaii Care & Cleaning 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hawaii Care & Cleaning 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hawaii Care & Cleaning 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Hawaii Care & Cleaning 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawaii Care & Cleaning 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hawaii Care and Cleaning, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hawaii Care and Cleaning, Inc. 401(k) Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Administrative Committee of
the Hawaii Care and Cleaning, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Hawaii Care and Cleaning, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Mass Mutual Retirement Services, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions.

The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HAWAII CARE AND CLEANING, INC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1: PLAN DESCRIPTION

The following description of the Hawaii Care and Cleaning, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan was adopted by Hawaii Care & Cleaning (the "Company") as of August 1, 1998. The plan is a defined contribution plan covering substantially all employees of the Company who have completed one year of continuous service and attained age 21.

Plan Administration

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is administered by the 401(k) Plan Administrative Committee (the "Administrative Committee") of the Companies. Plan assets were held under the direction of the Administrative Committee, by Massachusetts Mutual Life Insurance Company

Contributions

Participants may elect to contribute up to 15% of his or her compensation. The Plan does not permit catch up contributions for participants who have attained age 50 before the end of the plan year.

The Company may make matching and/or discretionary contributions as determined each year by resolution of the Company's Board of Directors. For the year ended December 31, 2021, the Company matched twenty-five percent (25%) of the participant's deferral, up to the first four (4%) percent of compensation. Contributions are made by the Company for their respective participants.

Participant Accounts

Each participant's account is credited with: (a) the participant's contribution, (b) the Companies' matching contribution and (c) an allocation of Plan earnings, net of certain administrative expenses. Allocations are based on participant account balances, as defined.

NOTE 1: PLAN DESCRIPTION (Continued)

Vesting

Participants and company contributions and related earnings are fully vested immediately. Contributions from the Company vests 20% after two years of continuous service and increase by 20% for each year of service thereafter; participants are fully vested after six years of continuous service. Benefits attributable to each participant will become fully vested in the event of death, total disability, and normal retirement at age 65 or upon partial or total Plan termination.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Terms of the loans range up to five years and bear interest at prime rate plus 2%. A loan may be repaid over a period of thirty years if it is for the purchase of a principal residence.

Payment of Benefits

On termination of service or otherwise becoming eligible to receive benefits, a participant may elect to receive a lump-sum payment or periodic installment payments or transfer the balance in his or her account to another qualified plan. Vested accounts of \$5,000 or less will be automatically paid in a lump-sum amount.

A participant may make withdrawals from his or her account (except as provided in the Plan agreement) upon reaching age 59 ½. Withdrawals may also be made for financial hardship, which is determined pursuant to the provisions of the IRC.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as Administrative Expenses. Total Administrative Expenses for the year ended December 31, 2021 was \$14,057.

NOTE 1: PLAN DESCRIPTION (Continued)

Forfeitures

A participant's non-vested account balance is forfeited at the time of termination of employment. These forfeitures will be used first to offset Plan administrative expenses. Any remaining forfeitures will be used to reduce Employer Contributions under the Plan. Finally, any remaining forfeitures will be allocated to Participants.

Plan Termination

The Company anticipates and believes the Plan will continue without interruption but reserve the right to terminate the Plan, in part or in whole, at any time. In the event that such discontinuance results in termination of the Plan, participants become 100% vest in their entire account balance and the Plan's net assets will be allocated among the participants in accordance with the terms of the Plan and ERISA.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect in reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts in the statement of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

HAWAII CARE AND CLEANING, INC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments in pooled separate accounts are presented at fair market value upon the net asset value (NAV) of shares held by plan at year end. Participant loans are valued at the outstanding principal balance which approximates fair value.

Investment income is recorded as earned and is retained by Massachusetts Mutual Life Insurance Company for reinvestment on behalf of the Plan. Dividend income is recorded on the ex-dividend date.

The Plan presents in the statement of changes in net available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and unrealized appreciation (depreciation) on those investments.

Payment of Benefits

Benefits to participants are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit.

Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are describes as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include
---------	---

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

HAWAII CARE AND CLEANING, INC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at the net asset value (NAV) of shares held by the plan at year end from inputs that are based on observable market data.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021, and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$1,090,802	\$ -	\$1,090,802
Total Assets at Fair Value	\$ -	\$1,090,802	\$ -	\$1,090,802

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total

401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4: GUARANTEED INVESTMENT CONTRACTS

The Plan entered a traditional fully benefit-responsive guaranteed investment contract with Massachusetts Mutual Life Insurance Company totaling \$537,249 for 2021 and \$531,246 for 2020. Massachusetts Life Insurance Company maintains the contributions in a general account.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. As of December 31, 2021 the contract values of the Guaranteed Investments Contracts were equal to their fair value.

The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mass Mutual Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract.

HAWAII CARE AND CLEANING, INC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 4: GUARANTEED INVESTMENT CONTRACTS (Continued)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 5: FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined the Plan qualifies under Section 401 (a) of the IRC and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC and Plan provisions to maintain its qualification. The Administrative Committee believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position, based on technical merits, is more likely than not to be sustained upon examination by the IRS. The Plan administrator concluded that the Plan has maintained its tax-exempt status and that no uncertain tax positions have been taken or are expected to be taken that require adjustment to the financial statements for the year ended December 31, 2021. The Plan has recognized no liability for income taxes, or any interest and penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes that the Plan is no longer subject to examinations by the IRS that could result in the imposition of income taxes for years prior to 2019.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

The plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are management by Massachusetts Mutual Life Insurance Company, the record-keeper of the Plan. Massachusetts Mutual Life Insurance company also acted as the custodian of Plan investments. The custodian receives management and contract administration fees from the Plan.

NOTE 7: INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Massachusetts Mutual Life Insurance Company acted as trustee at December 31, 2020. Empower acted as trustee from January 1, 2021, through December 31, 2021. The trustee has custody and control of Plan assets, records transactions and pays withdrawals. The trustee has certified as complete and accurate all financial data of the Plan with respect to the periods in which it acted as trustee.

Amounts included in these financial statements and supplemental schedule relating to investments (including fair values and investment transaction information), were derived from financial data certified by the trustee. Interest income, dividend income and net appreciation in fair value of the Plan's investments were partially derived from financial data certified by the trust.

NOTE 8: CORONAVIRUS

In 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a public health emergency. Through 2021, there continues to be mandates from international, federal, state and local authorities requiring forced closures of various businesses, schools, and other facilities and organizations. These forced closures could negatively impact the Plan.

On March 27, 2020, the Senate of the United States enacted the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). Under the CARES Act required minimum distributions have been suspended for 2020. The waiver includes required minimum distributions for those who reached age 70½ and who would be required to take their first required minimum distribution by April 1, 2020.

HAWAII CARE AND CLEANING, INC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 8: CORONAVIRUS (Continued)

The CARES Act also has created the ability for individuals to withdraw up to \$100,000 from retirement accounts in total without having to pay a 10% penalty, if participants are under age 59½, as long as the funds are repaid to the account within three years. To qualify for this relief, you need to fall into one of two categories:

- You, your spouse or a dependent is diagnosed with COVID-19.
- You have suffered financial consequences as a result of the pandemic. These might include reduced income from being quarantined or furloughed, having your hours reduced, being unable to work due to childcare issues or other issues beyond your control arising out of this situation.

The waiver of the 10% penalty is retroactive to January 1, 2020.

The CARES Act also doubles the maximum amount that can be borrowed from the Plan from the lesser of \$50,000 or 50% of the plan participant's account balance to the lesser of \$100,000 or 100% of the participant's balance. These limits extend through the end of 2020. For Participants experiencing hardship from COVID -19 the CARES Act allows anyone with an outstanding loan balance from their plan and whose repayment is due between March 27, 2020, and December 31, 2020, to extend their repayment period for one year.

NOTE 9: PROHIBITED TRANSACTIONS

The Company was late in remitting participant and employer contributions to the Plan. As a result, this is considered as a prohibited transaction. The Company has corrected these contributions outside of a Voluntary Fiduciary Correction Program with the Department of Labor. Late employee contributions were \$1,226 and loss earnings were \$257. Late employer contributions were \$625 and loss earnings were \$74.

NOTE 10: SUBSEQUENT EVENT

Management has evaluated subsequent events through August 15, 2023, (the date of which the financial statements were available to be issued).

During the plan year, the Company was late in remitting participant contributions to the Plan. As a result, this is considered as a prohibited transaction. The Company has remitted payment for these late contributions and related loss earnings as of March 31, 2023 and July 15, 2023.

No other events have occurred subsequent to December 31, 2021, which would have a material effect on the financial condition of the Plan.
